DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Socio-Economic Surveys of Vessel (SESV) Owners and Crew in New England and Mid-Atlantic Fisheries.

OMB Control Number: None.

Form Number(s): NA.

Type of Request: Regular submission (request for a new information collection).

Number of Respondents: 1,400.

Average Hours per Response: 30 minutes.

Burden Hours: 700.

Needs and Uses: The purpose of this survey is to provide for the ongoing collection of social and economic data related to fisheries and their communities in the Northeast and Mid-Atlantic states. These data are needed to support fishery performance measures recently developed by NOAA's Northeast Science Center's Social Science Branch (SSB) in Woods Hole, MA. The measures are: financial viability, distributional outcomes, stewardship, governance and well-being. Data to support some indicators for these measures are already routinely collected by National Marine Fisheries Service (NMFS). This survey will fill in the gaps, and allow the SSB to collect trend data needed for more thorough analysis of changes in the fisheries, including impacts from changes in regulations. The National Environmental Policy Act (NEPA) and the Magnuson-Stevens Fishery Conservation and Management Act (MSA), as amended, both contain requirements for considering the social and economic impacts of fishery management decisions. Currently, however, no data exist that allow for tracking the social impacts of fishery management policy and decisions over time in the Northeast and Mid-Atlantic states, and insufficient economic trend data are available. In implementing policies and management programs, and in meeting the social and economic impact assessment requirements of NEPA and MSA, there is a need to understand how such policies and programs will affect the social and economic characteristics of those involved in the commercial fishing industry. Under this survey, the SSB intends to collect socio-economic data from vessel owners, permit holders, hired captains, and crew involved in commercial fishing in New England and the Mid-Atlantic states. Data to be collected include information on crew, wage calculation systems, individual and community well-being, fishing practices, job satisfaction, job opportunities, and attitudes toward fisheries management. SSB intends to collect these data on an ongoing (e.g., annually or biennially) basis in order to track how socio-economic characteristics of fisheries are changing over time and to track the impact of fishery policies and management programs implemented in New England and the Mid-Atlantic.

NMFS is aware of a survey begun by the University of Rhode Island (URI) in 2009/2010 in New England under a grant from the Commercial Fisheries Research Foundation, that seeks

Paperwork Reduction Act clearance for a follow-up in the Mid-Atlantic in summer 2011 under NOAA funding (Social Impacts of the Implementation of Catch Shares Programs in the Mid-Atlantic, OMB Control No. 0648-xxxx). The current request has learned from some elements of the URI and follow-on survey. However, this request (1) is focused on fisheries management in general while the earlier study is focused solely on catch shares, (2) is an ongoing survey rather than a one-time effort, and (3) specifically targets performance indicators for which data are not currently being collected.

Affected Public: Business or other for-profit organizations, individuals or households.

Frequency: Annually.

Respondent's Obligation: Voluntary.

OIRA_Submission@omb.eop.gov.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 6616, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to

AGENCY: Department of Commerce, International Trade Administration, Import Administration.

SUMMARY: The Department of Commerce (the Department) is rescinding the administrative review of the antidumping duty order on certain tissue paper products from the People's Republic of China (PRC) for the period of review (POR) of March 1, 2010, to February 28, 2011, with respect to Max

Fortune Industrial Limited (Max Fortune Industrial), Max Fortune (FZ) Paper Products Co., Ltd. (formerly known as Max Fortune (FETDE) Paper Products Co., Ltd.) (Max Fortune Fuzhou), Max Fortune (Vietnam) Paper Products Company Limited (Max Fortune Vietnam), and Fujian Tian Jun Trading Co., Ltd. (also known as Fuzhou Tianjun Foreign Trade Co., Ltd.) (Tian Jun). This rescission is based on the timely withdrawal of the requests for review by the only interested party that requested the review of these companies.

DATES: *Effective Date:* July 14, 2011.

FOR FURTHER INFORMATION CONTACT: Brian Smith or Gemal Brangman, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-1766 or (202) 482-3773, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 1, 2011, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on certain tissue paper products from the PRC. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 76 FR 11197 (March 1, 2011). In response, on March 31, 2011, the petitioner¹ timely requested an administrative review of entries of the subject merchandise during the POR from Max Fortune Industrial, Max Fortune Fuzhou, Max Fortune Vietnam, and Tian Jun. Therefore, on April 19, 2011, the Department initiated a review of Max Fortune Industrial, Max Fortune Fuzhou, Max Fortune Vietnam, and Tian Jun. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 76 FR 23545 (April 27, 2011).

In a letter dated June 10, 2011, the petitioner withdrew its request for review of Max Fortune Industrial, Max Fortune Fuzhou, Max Fortune Vietnam, and Tian Jun, and requested that the Department rescind the review with respect to these companies. No other parties requested a review.

Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if the party who requested the review withdraws

the request within 90 days of the date of publication of the notice of initiation of the requested review. Accordingly, the petitioner timely withdrew its request for review of Max Fortune Industrial, Max Fortune Fuzhou, Max Fortune Vietnam, and Tian Jun. Because no other party requested a review, pursuant to 19 CFR 351.213(d)(1), the Department is rescinding the entire administrative review of the antidumping duty order on certain tissue paper products from the PRC for the period March 1, 2010, to February 28, 2011.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after the date of publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is published in accordance with sections 751(a) and 777(i) of the Act, and 19 CFR 351.213(d)(4).

Dated: July 6, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
