Any person desiring to intervene or to protest in any of the above proceedings must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214) on or before 5 p.m. Eastern time on the specified comment date. It

is not necessary to separately intervene again in a subdocket related to a compliance filing if you have previously intervened in the same docket. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant. In reference to filings initiating a new proceeding, interventions or protests submitted on or before the comment deadline need not be served on persons other than the Applicant.

As it relates to any qualifying facility filings, the notices of self-certification [or self-recertification] listed above, do not institute a proceeding regarding qualifying facility status. A notice of self-certification [or self-recertification] simply provides notification that the entity making the filing has determined the facility named in the notice meets the applicable criteria to be a qualifying facility. Intervention and/or protest do not lie in dockets that are qualifying facility self-certifications or self-recertifications. Any person seeking to challenge such qualifying facility status may do so by filing a motion pursuant to 18 CFR 292.207(d)(iii). Intervention and protests may be filed in response to notices of qualifying facility dockets other than self-certifications and self-recertifications.

The Commission encourages electronic submission of protests and interventions in lieu of paper, using the FERC Online links at <http://www.ferc.gov>. To facilitate electronic service, persons with Internet access who will eFile a document and/or be listed as a contact for an intervenor must create and validate an eRegistration account using the eRegistration link. Select the eFiling link to log on and submit the intervention or protests.

Persons unable to file electronically should submit an original and 14 copies of the intervention or protest to the Federal Energy Regulatory Commission, 888 First St., NE., Washington, DC 20426.

The filings in the above proceedings are accessible in the Commission's eLibrary system by clicking on the appropriate link in the above list. They are also available for review in the Commission's Public Reference Room in Washington, DC. There is an eSubscription link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). [Docket No. OR11-19-000]

Tesoro Refining and Marketing Company v. SFPP, L.P.; Notice of Complaint

Take notice that on July 20, 2011, pursuant to Rule 206 of the Commission's Rules of Practice and Procedure of the Federal Energy Regulatory Commission (Commission), 18 CFR 385.206; the Procedural Rules Applicable to Oil Pipeline Proceedings, 18 CFR 343.2; sections 1(4), 1(5), 8, 9, 13, 15, and 16 of the Interstate Commerce Act (ICA), 49 U.S.C. App. 1(4), 1(5), 8, 9, 13, 15, and 16 (1988); and section 1803 of the Energy Policy Act of 1992 (EPAct), Tesoro Refining and Marketing Company (Tesoro) filed a formal complaint against SFPP, L.P. (SFPP).

Tesoro alleges that because SFPP has over-recovered its cost of service in 2010, and their proposed index-based rate increases exceed the actual decrease in the pipeline's previous-year costs in such a manner that substantially exacerbate that over-recovery, SFPP is not entitled to raise its rates. Tesoro requests that the Commission determine that the rates established by SFPP, L.P.
