### Forest Service

#### Glenn/Colusa County Resource Advisory Committee

**AGENCY:** Forest Service, USDA.

**ACTION:** Notice of meeting.

**SUMMARY:** The Glenn/Colusa County Resource Advisory Committee (RAC) will meet in Willows, California. The committee is authorized under the Secure Rural Schools and Community Self-Determination Act (Pub. L. 110-343) (the Act) and operates in compliance with the Federal Advisory Committee Act. The purpose of the committee is to improve collaborative relationships and to provide advice and recommendations to the Forest Service concerning projects and funding consistent with the title II of the Act. The meeting is open to the public. The purpose of the meeting is to present projects and vote on projects.

**DATES:** The meeting will be held on August 22, 2011 from 1:30 p.m. and end at approximately 4:30 p.m.

**ADDRESSES:** The meeting will be held in the field during the monitoring trip beginning at the Mendocino NF Supervisor's Office, 825 North Humboldt Ave., Willows, CA. Written comments may be submitted as described under Supplementary Information.

All comments, including names and addresses when provided, are placed in the record and are available for public inspection and copying. The public may inspect comments received at 825 N. Humboldt Ave., Willows, CA 95988. Please call ahead to (530) 934-1269 to facilitate entry into the building to view comments.

**FOR FURTHER INFORMATION CONTACT:**

## DEPARTMENT OF COMMERCE

### Foreign-Trade Zones Board

[Docket 50-2011]

#### Foreign-Trade Zone 26—Atlanta, GA; Application for Manufacturing Authority; Makita Corporation of America (Hand-Held Power Tool and Gasoline/Electric-Powered Garden Product Manufacturing); Buford, GA

An application has been submitted to the Foreign-Trade Zones Board (the Board) by Georgia Foreign-Trade Zone, Inc., grantee of FTZ 26, requesting manufacturing authority on behalf of Makita Corporation of America (Makita), located in Buford, Georgia. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board

(15 CFR part 400). It was formally filed on July 26, 2011.

The Makita facility (300 employees, 75 acres, up to 3 million units per year capacity) is located within Site 20 of FTZ 26. The facility is used for the manufacture of hand-held power tools and gasoline/electric-powered garden products. Components and materials sourced from abroad (representing 64% of the value of the finished product) include: batteries; armatures; tool bags; driver, hammer and angle drills; chargers; flashlights; gears, housings, clutches and gear shafts; radios; grips, thumb screws, knobs and handles; wrenches; switch units; power cords; flanges; screws; nuts and bolts; rubber rings, sleeves, grommets and plates; screws; ball bearings; battery covers and lenses; grease, lubricants and additives; felt rings; lock springs; lead wire assemblies; needle cages; drill bits; socket wrenches; styrene polymers; polyamides; resins; caulk; glues and adhesives; vinyl cases; vinyl tubes; labels; plastic bags; water tanks; plastic grips; rubber knobs and handles; plastic cases; dust bag assemblies; tool belts; grinding wheels; tapping screws; lock lever connectors; cotters and cotter pins; lock and spring pins; cup washers; set plates; safety wires; pipe clamps; copper nozzles; aluminum miter scales; caps, switch covers, throttle levers and pipe ends; safety guard assemblies; bearing boxes; steel balls; bearing housings and bushings; pulleys; joints; DC motors; heat sinks and spacers; coils; electrical outlets; electrical switches; switch levers; safety goggles; lighting assemblies; and ribbon (duty rate ranges from duty free to 20%). The application also requests authority to include a broad range of inputs and finished hand-held power tools and gasoline/electric-powered garden products that Makita may produce under FTZ procedures in the future. New major activity involving these inputs/products would require review by the FTZ Board.

FTZ procedures could exempt Makita from customs duty payments on the foreign components used in export production. The company anticipates that some 47 percent of the plant's shipments will be exported. On its domestic sales, Makita would be able to choose for the foreign inputs noted above the duty rates during customs entry procedures that apply to: Engine blowers; pneumatic compressors; pneumatic tools; table, slide and compound miter saws; drills and drill kits; drill and saw kits; drill, grinder, hammer, sander, planer, router and screw driver kits; gasoline/electric-powered brush cutters; and hedge trimmers (duty free—4.5%). FTZ

designation would further allow Makita to realize logistical benefits through the use of weekly customs entry procedures. Customs duties also could possibly be deferred or reduced on foreign status production equipment. The request indicates that the savings from FTZ procedures would help improve the plant's international competitiveness.

In accordance with the Board's regulations, Christopher Kemp of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is September 30, 2011. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to October 17, 2011.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue, NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via <http://www.trade.gov/ftz>.

For further information, contact Christopher Kemp at [Christopher.Kemp@trade.gov](mailto:Christopher.Kemp@trade.gov) or (202) 482-0862.

Dated: July 26, 2011.

### Foreign-Trade Zones Board

[Docket 49-2011]

#### Proposed Foreign-Trade Zone— Brunswick, ME; Application

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Midcoast Regional Redevelopment Authority to establish a general-purpose foreign-trade zone at a site in Brunswick, Maine, adjacent to the Portland CBP port of entry. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed

on July 26, 2011. The applicant is authorized to make the proposal under Maine Statute Title 5, Section 13083-Q.

The proposed zone would be the second general-purpose zone for the Portland CBP port of entry. The existing zone is as follows: FTZ 263, Auburn, Maine (Grantee: Lewiston-Auburn Economic Growth Council, Board Order 1354, 10/01/04).

The proposed zone would consist of one site in Brunswick, Maine: Proposed Site 1 (394 acres)—within the 3,200-acre Brunswick Landing's Airport complex located at the intersection of Bath Road and Fitch Avenue. The site is owned by the Midcoast Regional Redevelopment Authority.

The application indicates a need for zone services in the Brunswick, Maine area. Several firms have indicated an interest in using zone procedures for warehousing/distribution activities for a variety of products. Specific manufacturing approvals are not being sought at this time. Such requests would be made to the Board on a case-by-case basis.

In accordance with the Board's regulations, Kathleen Boyce of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is September 30, 2011. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to October 17, 2011.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue, NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via <http://www.trade.gov/ftz>.

For further information, contact Kathleen Boyce at [Kathleen.Boyce@trade.gov](mailto:Kathleen.Boyce@trade.gov) or (202) 482-1346.

Dated: July 27, 2011.
