SUPPLEMENTARY INFORMATION:

The Alcohol and Tobacco Tax and Trade Bureau (TTB) is correcting the proposed information collection notice it published in the **Federal Register** on June 9, 2011 at 76 FR 33811. Specifically, we are correcting the information in that notice regarding OMB No. 1513–0103, which appeared at 76 FR 33813 in the third column. Presently, the information collection approved under OMB No. 1513–0103 covers two bond forms, TTB F 5200.25, Tobacco Bond—Collateral, and TTB F 5200.26, Tobacco Bond—Surety. TTB is consolidating these two bond forms into one single bond form, TTB F 5200.29, Tobacco Bond, and this consolidation should have been reflected in the June 9, 2011, notice.

Therefore, the Department of the Treasury and TTB, as part of their continuing effort to reduce paperwork and respondent burden, invite the general public and other Federal agencies to comment on the corrected information collection listed below in this notice, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

Comments submitted in response to this notice will be included or summarized in our request for Office of Management and Budget (OMB) approval of the relevant information collection. All comments are part of the public record and subject to disclosure. Please not do include any confidential or inappropriate material in your comments.

We invite comments on: (a) Whether this information collection is necessary for the proper performance of the agency's functions, including whether the information has practical utility; (b) the accuracy of the agency's estimate of the information collection's burden; (c) ways to enhance the quality, utility, and clarity of the information collected; (d) ways to minimize the information collection's burden on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide the requested information.

Corrected Information Collection

The text regarding the information collection approved under OMB No. 1513–0103, which appeared in the **Federal Register** on June 9, 2011, at 76 FR 33813, in the third column, beginning with the third paragraph, is corrected to read as follows:

Title: Tobacco Bond.

OMB Number: 1513–0103.

TTB Form Number: 5200.29.

Abstract: TTB requires a corporate surety bond or a collateral bond to ensure payment of the Federal excise tax on tobacco products and cigarette papers and tubes removed from the factory or warehouse. TTB F 5200.29 will satisfy all bond requirements for tobacco industry members. Manufacturers of tobacco products or cigarette papers and tubes and proprietors of export warehouses, along with corporate sureties, are the respondents for this form. This form reduces the number of bond forms submitted by tobacco industry members and makes the use of a single bond form consistent with all other commodities that TTB regulates.

Current Actions: We are submitting this information collection as a revision to consolidate our two current tobacco bond forms, TTB F 5200.25 and TTB F 5200.26, into one form, TTB F 5200.29. This single form will be available on our Web site, and, in early 2012, tobacco industry members will be able to file this form electronically via TTB's Permits Online (PONL) system.

Type of Review: Revision of a currently approved collection.

Affected Public: Business or other for-profit.

Estimated Number of Respondents: 66.

Estimated Total Annual Burden Hours: 86.

Dated: July 27, 2011.

Gerald Isenberg,

Director, Regulations and Rulings Division.

SUPPLEMENTARY INFORMATION:

Title: Healthy Food Financing Initiative—Financial Assistance Program Supplemental Questionnaire.

OMB Number: 1559–0040.

Abstract: The Community Development Financial Institutions (CDFI) Program was established by the Community Development and Regulatory Improvement Act of 1994 to use federal resources to invest in and build the capacity of CDFIs to serve low-income people and communities lacking adequate access to affordable financial products and services. Through the CDFI Program, the CDFI Fund provides: (1) Financial Assistance (FA) awards to CDFIs that have Comprehensive Business Plans for creating demonstrable community development impact through the deployment of credit, capital, and financial services within their respective Target Markets or the expansion into new Investment Areas, Low-Income Targeted Populations, or Other Targeted Populations, and (ii) Technical Assistance (TA) grants to CDFIs and entities proposing to become CDFIs in order to build their capacity to better address the community development and capital access needs of their existing or proposed Target Markets and/or to become certified CDFIs.

In FY 2011, the CDFI Fund distributed a HFFI–FA Supplemental Questionnaire to FA applicants that met a minimum FA scoring threshold. The HFFI–FA Program is one component of the Federal government's Healthy Food Financing Initiative (HFFI). The HFFI represents the government's first coordinated step to eliminate food deserts—urban and rural areas in the United States with limited access to affordable and nutritious food, particularly areas composed of predominantly lower-income neighborhoods and communities—by promoting a wide range of interventions that expand the supply of and demand for nutritious foods, including increasing the distribution of agricultural products; developing and equipping grocery stores and strengthening the producer-to-consumer relationship.

The questions that the supplemental questionnaire contains, and the information generated thereby, will enable the Fund to evaluate applicants' activities and determine the extent of applicants' eligibility for a CDFI HFFI–FA award. Failure to collect this information could result in improper uses of Federal funds.

Current Actions: Reinstatement with change of a previously approved collection.

Type of Review: Regular Review.

Affected Public: Certified CDFIs and entities seeking CDFI Certification.

Estimated Number of Respondents: 50.

Estimated Annual Time per Respondent: 20 hours.

Estimated Total Annual Burden Hours: 1,000 hours.

Requests for Comments: Comments submitted in response to this notice will be summarized and/or included in the
