

Memorandum to the Richard O. Weible, “Administrative Review of the Antidumping Duty Order on Honey from Argentina: Respondent Selection Memorandum,” dated May 9, 2011. On May 11, 2011, the Department issued its antidumping questionnaire to CIPSA and TransHoney.

Scope of the Order

The merchandise covered by the order is honey from Argentina. The products covered are natural honey, artificial honey containing more than 50 percent natural honey by weight, preparations of natural honey containing more than 50 percent natural honey by weight, and flavored honey. The subject merchandise includes all grades and colors of honey whether in liquid, creamed, comb, cut comb, or chunk form, and whether packaged for retail or in bulk form.

The merchandise covered by the order is currently classifiable under subheadings 0409.00.00, 1702.90.90, and 2106.90.99 of the *Harmonized Tariff Schedule of the United States* (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, the Department’s written description of the merchandise under the order is dispositive.

Rescission, in Part, of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review under this section, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. Based on petitioners’ and respondents’ withdrawal of their requests of administrative review within the 90-day deadline, the Department is rescinding, in part, the antidumping duty administrative review on honey from Argentina for the period December 1, 2009 to November 30, 2010, with respect to the following companies: (1) Alimentos Naturales-Natural Foods Lavalle, (2) Alma Pura, (3) Apidouro Comercial Exportadora E Importadora Ltda., (4) Bomare S.A., (5) HoneyMax, (6) Interrupcion S.A., (7) Miel Ceta SRL, (8) Nexco, (9) Productos Afer S.A., and (10) Seabird Argentina S.A.

Extension of Time Limit for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to complete the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for

which a review is requested. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days after the last day of the anniversary month of an order for which a review is requested.

The Department has determined it is not practicable to complete this review within the statutory time limit due to the selection of two new mandatory respondents for this review after the requests for review for the original respondents were withdrawn. The Department requires time to analyze information submitted by the current respondents in this administrative review, and may need to request additional information. Accordingly, the Department is extending the time limit for completion of the preliminary results of this administrative review by 90 days (*i.e.*, to December 1, 2011).

Notification to Parties

This notice serves as a reminder to importers of their responsibility under section 351.402(f) of the Department’s regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this period of time. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with section 351.305(a)(3) of the Department’s regulations. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with section 351.213(d)(4) of the Department’s regulations and sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: August 30, 2011.

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Extension of Time Limit for the Preliminary Results of the New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* September 7, 2011.

SUMMARY: The Department of Commerce (the “Department”) has decided to extend the time limit for the preliminary results of the new shipper review (“NSR”) of the antidumping duty order on certain frozen warmwater shrimp (“shrimp”) from the Socialist Republic of Vietnam (“Vietnam”) to November 9, 2011. The period of review (“POR”) for this NSR is February 1, 2010, through January 31, 2011.

FOR FURTHER INFORMATION CONTACT: Susan Pulongbarit or Seth Isenberg, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482–4031 and (202) 482–0588, respectively.

SUPPLEMENTARY INFORMATION:

Background

The notice announcing the antidumping duty order on shrimp from Vietnam was published in the **Federal Register** on February 1, 2005.¹ On February 28, 2011, pursuant to section 751(a)(2)(B)(i) of the Tariff Act of 1930, as amended (the “Act”), and section 351.214(c) of the Department’s regulations, the Department received a NSR request from Thong Thuan Company Limited and its subsidiary company, Thong Thuan Seafood Company Limited (collectively, “Thong Thuan”). Thong Thuan certified that it is a producer and exporter of the subject

merchandise upon which the request was based. The notice initiating the NSR was published on March 23, 2011.² The preliminary results are currently due no later than September 10, 2011.

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the “Act”), provides that the Department will issue the preliminary results of a new shipper review of an antidumping duty order within 180 days after the day on which the review was initiated. *See also* 19 CFR 351.214(i)(1). The Act further provides that the Department may extend that 180-day period to 300 days if it determines that the case is extraordinarily complicated. *See also* 19 CFR 351.214(i)(2).

Extension of Time Limit of Preliminary Results

The Department determines that this new shipper review involves extraordinarily complicated methodological issues, including Thong Thuan’s multiple production stages for subject merchandise and the need to evaluate the *bona fide* nature of Thong Thuan’s sales. The Department finds that these extraordinarily complicated issues require additional time to evaluate. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2), the Department is extending the time limit for the preliminary results by 60 days, until no later than November 9, 2011. The final results continue to be due 90 days after the publication of the preliminary results.

We are issuing and publishing this notice in accordance with sections 751(a)(2)(B)(iv) and 777(i) of the Act.

Dated: August 31, 2011.

Artist Canvas from the People’s Republic of China: Final Results of the Expedited First Sunset Review of the Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On May 2, 2011, the Department of Commerce (“Department”) initiated the first sunset review of the antidumping duty order on artist canvas from the People’s Republic of China (“PRC”) pursuant to section 751(c) of the Tariff Act of 1930, as amended (“Act”). *See Initiation of Five-Year (“Sunset”) Review*, 76 FR 24459 (May 2, 2011) (“*Sunset Initiation*”); *see also Notice of Antidumping Duty Order: Certain Artist Canvas from the People’s Republic of China*, 71 FR 31154 (June 1, 2006) (“*Order*”). On May 17, 2011, Tara Materials, Inc. (“Tara Materials”), the petitioner in the artist canvas investigation, notified the Department that it intended to participate in the sunset review. The Department did not receive a substantive response from any respondent party. Based on the notice of intent to participate and adequate response filed by the domestic interested party, and the lack of response from any respondent interested party, the Department conducted an expedited sunset review of the *Order* pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2). As a result of this sunset review, the Department finds that revocation of the *Order* would likely lead to continuation or recurrence of dumping, at the levels indicated in the “Final Results of Sunset Review” section of this notice, *infra*.

DATES: *Effective Date:* September 7, 2011.

Brooke Kennedy; AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: 202–482–3818.

SUPPLEMENTARY INFORMATION:

Background

On May 2, 2011, the Department initiated a sunset review of the order on artist canvas pursuant to section 751(c) of the Act. *See Sunset Initiation*. On May 17, 2011, the Department received a timely notice of intent to participate

in the sunset review from Tara Materials, pursuant to 19 CFR 351.218(d)(1)(i). In accordance with 19 CFR 351.218(d)(1)(ii)(A), Tara Materials claimed interested party status under section 771(9)(C) of the Act as a producer of domestic like product.

On June 1, 2011, Tara Materials filed an adequate substantive response in the sunset review, within the 30-day deadline as specified in 19 CFR 351.218(d)(3)(i). The Department did not receive a substantive response from any respondent interested party in the sunset review. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), the Department conducted an expedited sunset review of the *Order*.

Scope of the Order

The products covered by the order are artist canvases regardless of dimension and/or size, whether assembled or unassembled, that have been primed/coated, whether or not made from cotton, whether or not archival, whether bleached or unbleached, and whether or not containing an ink receptive top coat. Priming/coating includes the application of a solution, designed to promote the adherence of artist materials, such as paint or ink, to the fabric. Artist canvases (*i.e.*, pre-stretched canvases, canvas panels, canvas pads, canvas rolls (including bulk rolls that have been primed), printable canvases, floor cloths, and placemats) are tightly woven prepared painting and/or printing surfaces. Artist canvas and stretcher strips (whether or not made of wood and whether or not assembled) included within a kit or set are covered by the order.

Artist canvases subject to the order are currently classifiable under subheadings 5901.90.20.00 and 5901.90.40.00 of the Harmonized Tariff Schedule of the United States (“HTSUS”). Specifically excluded from the scope of the order are tracing cloths, “paint-by-number” or “paint-it-yourself” artist canvases with a copyrighted preprinted outline, pattern, or design, whether or not included in a painting set or kit.¹ Also excluded are stretcher strips, whether or not made from wood, so long as they are not incorporated into artist canvases or sold as part of an artist canvas kit or set. While the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of the order is dispositive.

¹ Artist canvases with a non-copyrighted preprinted outline, pattern, or design are included in the scope, whether or not included in a painting set or kit.
