VII. EPA's Relationship With U.S. Border Tribes in Border 2020

EPA will continue to honor its unique trust relationship with U.S. Indian Tribes and enforce its "Policy for the Administration of Environmental

Program on Indian Reservations" within the Border 2020 U.S.-Mexico program. EPA recognizes that U.S. Tribal governments are sovereign and are the primary parties for setting standards, making environmental policy decisions, and managing environmental programs on Indian reservations.

Within the Border 2020 Program, EPA will comply with Executive Order 13175 or 13563, Consultation and Coordination with Indian Tribal Governments" and work with Tribes when formulating and implementing policies or taking other actions that have a substantial direct effect on any Indian Tribe.

Dated: September 12, 2011.

FEDERAL COMMUNICATIONS COMMISSION

Information Collection Being Reviewed by the Federal Communications Commission Under Delegated Authority

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: The Federal Communications Commission (FCC), as part of its continuing effort to reduce paperwork burdens, invites the general public and other Federal agencies to take this opportunity to comment on the following information collection, as required by the *Paperwork Reduction Act (PRA) of 1995*. Comments are requested concerning (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and (e) ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control

number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

DATES: Written PRA comments should be submitted on or before November 18, 2011. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to the Federal Communications Commission via e-mail to PRA@fcc.gov and Cathy.Williams@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418-2918.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0627.

Title: Application for AM Broadcast Station License, FCC Form 302-AM.

Form Number: FCC Form 302-AM.

Type of Review: Extension of currently approved collection.

Respondents: Business or other for-profit entities; not for profit institutions.

Number of Respondents and Responses: 380 respondents; 380 responses.

Estimated Time per Response: 4-20 hours.

Frequency of Response: On occasion reporting requirement.

Total Annual Burden: 2,800 hours.

Total Annual Costs: \$16,651,600.

Obligation to Respond: The statutory authority for this collection of information is contained in Sections 154(i), 303 and 308 of the *Communications Act of 1934*, as amended.

Nature and Extent of Confidentiality: There is no need for confidentiality with this collection of information.

Privacy Impact Assessment(s): No impact(s).

Needs and Uses: Licenses and permittees of AM broadcast stations are required to file FCC Form 302-AM to obtain a new or modified station license, and/or to notify the Commission of certain changes in the licensed facilities of these stations. Additionally, when changes are made to an AM station that alter the resistance of the antenna system, a licensee must initiate a determination of the operating power by the direct method. The results of this are reported to the Commission using the FCC 302-AM.
