Pure Magnesium From the People's Republic of China: Extension of Time for the Final Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* September 23, 2011.

FOR FURTHER INFORMATION CONTACT: Eve Wang, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-6231.

Background

On June 8, 2011, the Department of Commerce ("the Department") published the preliminary results of this administrative review for the period May 1, 2009, to April 30, 2010. *See Pure Magnesium from the People's Republic of China: Preliminary Results of the 2009-2010 Antidumping Duty Administrative Review*, 76 FR 33194 (June 8, 2011). The final results of review are currently due on October 6, 2011.

Extension of Time Limits for the Final Results of Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"),

requires the Department to issue final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time period to a maximum of 180 days. The Department determines that completion of the final results of the administrative review within the 120-day period is not practicable. Since the publication of the *Preliminary Results*, parties have submitted additional surrogate value information, the Department released its labor wage surrogate value data and allowed parties to submit comments thereon, and the parties submitted case and rebuttal briefs. The Department requires additional time to consider this information and argument. Further, the Department provided the opportunity for the parties to be heard at a hearing.

Because it is not practicable to complete this review within the time specified under the Act, we are extending the time period for issuing the final results of the administrative review by 45 days, or until November 21, 2011,¹ in accordance with section 751(a)(3)(A) of the Act.

We are publishing this notice pursuant to sections 751(a) and 777(i) of the Act.

Dated: September 16, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* September 23, 2011.

¹ Where a deadline falls on a weekend or Federal holiday, the appropriate deadline is the next business day. *See Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005). Accordingly, because 45 days from the original due date is November 20, 2011, which falls on Sunday, November 21 is the deadline for the final results.

FOR FURTHER INFORMATION CONTACT:

Alan Ray, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-5403.

Background

On June 30, 2011, the Department of Commerce ("Department") published in the **Federal Register** the *Preliminary Results* of the antidumping duty changed circumstances review of the antidumping duty order on diamond sawblades and parts thereof from the People's Republic of China. See *Diamond Sawblades and Parts Thereof From the People's Republic of China: Preliminary Results and Preliminary Intent To Terminate, in Part, Antidumping Duty Changed Circumstances Review and Extension of Time Limit for Final Results*, 76 FR 38357 (June 30, 2011) ("Preliminary Results"). Subsequent to the publication of the *Preliminary Results*, the Department received affirmative and rebuttal comments regarding the Department's preliminary determination. On July 25, 2011, the Department held a hearing in which interested parties presented arguments from their affirmative and rebuttal comments. On August 15, 2011, the Department published a notice in the **Federal Register** that extended the time limit to issue the final results by 30 days, making the current deadline September 19, 2011. See *Diamond Sawblades and Parts Thereof From the People's Republic of China: Extension of Time Limit for Final Results of the Antidumping Duty Changed Circumstances Review*, 76 FR 50455 (August 15, 2011).

Extension of Time Limit for the Final Results

The Department finds that it is not practicable to complete this review by the current deadline. The Department has determined that it requires additional time to analyze the case and rebuttal briefs submitted by interested parties. Consequently, in accordance with 19 CFR 351.302(b), the Department is extending the time period for issuing the final results in this review by 15 days. Therefore, the final results will be due no later than October 4, 2011.
