Foreign-Trade Zones Board

[Docket T-5-2011]

Foreign-Trade Zone 277—Western Maricopa County, AZ; Application for Temporary/Interim Manufacturing Authority; Sub-Zero, Inc.; (Refrigerators); Goodyear, AZ

An application has been submitted to the Executive Secretary of the Foreign-Trade Zones Board (the Board) by the Greater Maricopa County Foreign Trade Zone, Inc., grantee of FTZ 277, requesting temporary/interim manufacturing (T/IM) authority within FTZ 277 at the Sub-Zero, Inc. (Sub-Zero), facility, located in Goodyear, Arizona. The application was filed on October 3, 2011.

The Sub-Zero facility (260 employees, 10 acres, 150,000 units/year) is located at 4295 N. Cotton Lane within the Palm Valley 303 Industrial Park in Goodyear, Arizona (Site 3). Under T/IM

procedures, Sub-Zero has requested authority to produce refrigerators (HTSUS 8418.10 and 8418.21, duty rate: free). Foreign components that would be used in production (representing 45% of the value of the finished refrigerators) include: ABS resin (HTSUS 3903.30), fittings (3917.40), rubber gaskets (4016.93), articles of rubber (4016.99), fasteners (7318.14, 7318.15, 7318.29), hinges (8302.10), brackets (8302.50), plates (8310.00), compressors (8414.30, 8414.90), parts of refrigerators (8418.99), filters (8421.21), filter/dryer (8421.29), valves (8481.80), motors (8501.10, 8501.40), inverters (8504.40), wiring harnesses (8516.80), switches (8536.50), plugs and sockets (8536.61), controllers (8537.10), lamps (8539.22), and conductors (8544.42) (duty rate range: free-8.6%). T/IM authority could be granted for a period of up to two years.

FTZ procedures could exempt Sub-Zero from customs duty payments on the foreign components used in export production. The company anticipates that some 10 percent of the plant's shipments will be exported. On its domestic sales, Sub-Zero would be able to choose the duty rate during customs entry procedures that applies to refrigerators (duty rate: free) for the foreign inputs noted above.

In accordance with the Board's regulations, Pierre Duy of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations pursuant to Board Orders 1347 and 1480.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the following address: Office of the Executive Secretary, Foreign-Trade Zones Board, U.S. Department of Commerce, Room 2111, 1401 Constitution Ave., NW., Washington, DC 20230. The closing period for their receipt is November 10, 2011.

Sub-Zero has also submitted a request to the FTZ Board for FTZ manufacturing authority beyond a two-year period, which may include additional products and components. It should be noted that the request for extended authority would be docketed separately and would be processed as a distinct proceeding. Any party wishing to submit comments for consideration regarding the request for extended authority would need to submit such comments pursuant to the separate notice that would be published for that request.

A copy of the application will be available for public inspection at the

Office of the Foreign-Trade Zones Board's Executive Secretary at the address listed above, and in the "Reading Room" section of the Board's Web site, which is accessible via <http://www.trade.gov/ftz>.

Stainless Steel Bar From India: Extension of Time Limit for the Preliminary Results of the 2010-2011 Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* October 11, 2011.

FOR FURTHER INFORMATION CONTACT: Joseph Shuler or Yasmin Nair, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-1293 and (202) 482-3813, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 31, 2011, the Department of Commerce (Department) published in the **Federal Register** its initiation of an administrative review of the antidumping duty order on stainless steel bar from India, covering the period February 1, 2010, through January 31, 2011. See *Initiation of Antidumping Duty Administrative Reviews, Requests for Revocation in Part, and Deferral of Administrative Review*, 76 FR 17825 (March 31, 2011) (*Initiation Notice*). The preliminary results for this review are currently due no later than October 31, 2011.

Extension of Time Limit for the Preliminary Results of Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue its preliminary results in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the order for which the administrative review was requested. However, if the Department determines that it is not practicable to complete the review within the aforementioned specified time limits, section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2) allow the Department to extend the time limit for the preliminary results to a maximum of 365 days after the last day of the anniversary month. See section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

The Department has determined that it requires additional time to complete the preliminary results for this review. After publishing the *Initiation Notice*, the Department sent a questionnaire response to Mukand, Ltd., a respondent in the instant review. We received responses to our questionnaire on May 18 and May 31, 2011, but we need additional time to issue supplemental questionnaires based on the responses we received. Further, the Department needs to allow time for parties to review and respond to our supplemental questionnaires. Thus, it is not practicable to complete the preliminary results by October 31, 2011, and the Department is extending the time limit for completion of the final results by an additional 90 days to January 29, 2012. However, January 29, 2012, falls on a Sunday and it is the Department's long-standing practice to issue a determination the next business day when the statutory deadline falls on a weekend, federal holiday, or any other day when the Department is closed. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005). Accordingly, the deadline for completion of the preliminary results is now no later than January 30, 2012.

This notice is published pursuant to sections 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

Dated: October 4, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
