public scoping meetings and identifies the relevant comment period.

DATES: Comments on the scope of the EIS will be accepted until close of business on Friday, December 30, 2011.

Six public scoping meetings and one web-based meeting will be held to solicit public input on the scope of the environmental document, potential alternatives, and issues to be addressed in the EIS. See **SUPPLEMENTARY INFORMATION** section for meeting dates.

SUPPLEMENTARY INFORMATION: In a **Federal Register** notice published on July 6, 2011 (76 FR 39435), and pursuant to section 102(2)(C) of the National Environmental Policy Act (NEPA) of 1969, as amended, and 40 CFR 1508.22, the Department provided notice that it would prepare an EIS and conduct public scoping meetings for the adoption of an LTEMP for the operation of Glen Canyon Dam.

The purpose of the proposed LTEMP is to inform Departmental decisions and operate Glen Canyon Dam in such a manner as to improve and protect downstream resources in Glen Canyon National Recreation Area and Grand Canyon National Park while maintaining compliance with relevant laws, including the 1992 Grand Canyon Protection Act (GCPA), the Law of the River, and the Endangered Species Act (ESA). The LTEMP process is intended

to develop and implement a structured, long-term experimental and management plan, to determine the need for potential future modifications to Glen Canyon Dam operations, and to determine whether to establish an ESA Recovery Implementation Program for endangered fish species below Glen Canyon Dam.

Revised dam operations and other actions under the jurisdiction of the Secretary of the Interior will be considered within alternatives of the EIS, in keeping with the scope of the GCPA. The NEPA process will document and evaluate impacts of the alternatives described in the EIS.

Scoping Information

Six public scoping meetings will be held to solicit comments on the scope of the LTEMP and the potential issues and alternatives that may be considered.

Each scoping meeting will include a welcome and project overview session (15 minutes) and opportunities for the public to view exhibits, informally discuss issues, and ask questions of technical experts and managers. Stations will be available for participants to provide electronic and written comments for the record. Comments should focus on the issues relevant to the proposed Federal action published in the July 6, 2011, **Federal Register** notice (76 FR 39435). To be most effectively considered, comments should be received no later than close of business on Friday, December 30, 2011. Those not desiring to submit comments during the scoping period, but who would like to receive a copy of the draft EIS (DEIS), may register their address at a public scoping meeting or on the project Web site at <http://ltempeis.anl.gov>. Public availability of the DEIS will be announced in the **Federal Register**, in the local news media, through direct contact with interested parties, and on the project Web site. The public record for this review may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On October 6, 2011, the Commission determined that the domestic interested party group response to its notice of institution (76 FR 38686, July 1, 2011) of the subject five-year review was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting a full review.¹ Accordingly, the Commission determined that it would conduct an expedited review pursuant to section 751(c)(3) of the Act.²

Staff report.—A staff report containing information concerning the subject matter of the review will be placed in the nonpublic record on November 10, 2011 and made available to persons on the Administrative Protective Order service list for this review. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission's rules.

Written submissions.—As provided in section 207.62(d) of the Commission's rules, interested parties that are parties to the review and that have provided individually adequate responses to the notice of institution,³ and any party other than an interested party to the

review may file written comments with the Secretary on what determination the Commission should reach in the review. Comments are due on or before November 16, 2011 and may not contain new factual information. Any person that is neither a party to the five-year review nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the review by November 16, 2011. However, should the Department of Commerce extend the time limit for its completion of the final results of its review, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. Please consult the Commission's rules, as amended, 76 FR 61937 (Oct. 6, 2011) and the Commission's Handbook on Filing Procedures, 76 FR 62092 (Oct. 6, 2011) available on the Commission's Web site at <https://edis.usitc.gov>.

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination.—The Commission has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: This review is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

By order of the Commission.

Issued: October 11, 2011.

James R. Holbein,

Secretary to the Commission.
