

Notice: “Preferential Loans for SOEs” and “Provision of Electricity for LTAR.” Additionally, we intend to seek further information with respect to certain pension grants to Jingcheng Holding identified in recent questionnaire responses. Based on the information we receive, we plan to address these programs in a post-preliminary analysis.

Verification

In accordance with section 782(i)(1) of the Act, we will verify the information submitted by the respondents prior to making our final determination.

Suspension of Liquidation

In accordance with section 703(d)(1)(A)(i) of the Act, we calculated

an individual rate for each producer/exporter of the subject merchandise individually investigated. Because only one company was investigated, that company’s rate also serves as the All Others rate.

We preliminarily determine the total estimated net countervailable subsidy rates to be:

Exporter/manufacturer	Net subsidy rate
Beijing Tianhai Industry Co., Ltd.; Tianjin Tianhai High Pressure Corp., Ltd.; Langfang Tianhai High Pressure Container Co., Ltd	22.34
All Others	22.34

In accordance with sections 703(d)(1)(B) and (2) of the Act, we are directing U.S. Customs and Border Protection to suspend liquidation of all entries of steel cylinders from the PRC that are entered, or withdrawn from warehouse, for consumption on or after the date of the publication of this notice in the **Federal Register**, and to require a cash deposit or bond for such entries of merchandise in the amounts indicated above.

ITC Notification

In accordance with section 703(f) of the Act, we will notify the ITC of our determination. In addition, we are making available to the ITC all non-privileged and non-proprietary information relating to this investigation. We will allow the ITC access to all privileged and business proprietary information in our files, provided the ITC confirms that it will not disclose such information, either publicly or under an administrative protective order, without the written consent of the Assistant Secretary for Import Administration.

In accordance with section 705(b)(2) of the Act, if our final determination is affirmative, the ITC will make its final determination within 45 days after the Department makes its final determination.

Disclosure and Public Comment

In accordance with 19 CFR 351.224(b), we will disclose to the parties the calculations for this preliminary determination within five days of its announcement. Due to the anticipated timing of verification and issuance of verification reports, case briefs for this investigation must be submitted no later than one week after the issuance of the last verification report. See 19 CFR 351.309(c)(i) (for a further discussion of case briefs). Rebuttal briefs must be filed within five days after the deadline for submission of case briefs, pursuant to 19 CFR

351.309(d)(1). A list of authorities relied upon, a table of contents, and an executive summary of issues should accompany any briefs submitted to the Department. Executive summaries should be limited to five pages total, including footnotes. See 19 CFR 351.309(c)(2) and (d)(2).

Section 774 of the Act provides that the Department will hold a public hearing to afford interested parties an opportunity to comment on arguments raised in case or rebuttal briefs, provided that such a hearing is requested by an interested party. If a request for a hearing is made in this investigation, the hearing will be held two days after the deadline for submission of the rebuttal briefs, pursuant to 19 CFR 351.310(d), at the U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, DC 20230. Parties should confirm by telephone the time, date, and place of the hearing 48 hours before the scheduled time.

Interested parties who wish to request a hearing, or to participate if one is requested, must electronically submit a written request to the Deputy Assistant Secretary for Import Administration using IA ACCESS, within 30 days of the publication of this notice, pursuant to 19 CFR 351.310(c). Requests should contain: (1) The party’s name, address, and telephone; (2) the number of participants; and (3) a list of the issues to be discussed. Oral presentations will be limited to issues raised in the briefs. See *id.*

This determination is published pursuant to sections 703(f) and 777(i) of the Act.

Dated: October 11, 2011.

Ronald K. Lorentzen,

Deputy Assistant Secretary for Import Administration.

Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Amended Final Results and Final Partial Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On September 12, 2011, the Department of Commerce (“Department”) published in the **Federal Register** the final results of the fifth administrative review of the antidumping duty order on certain frozen warmwater shrimp (“shrimp”) from the Socialist Republic of Vietnam (“Vietnam”).¹ The period of review (“POR”) is February 1, 2009, through January 31, 2010. We are amending the *Final Results* to correct certain ministerial errors.

DATES: October 18, 2011.

FOR FURTHER INFORMATION CONTACT: Susan Pulongbarit or Paul Walker, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482–4013 or (202) 482–0413, respectively.

SUPPLEMENTARY INFORMATION:

Background

The Department’s regulations at 19 CFR 351.224(c)(2) state that a party to an antidumping duty proceeding must file comments concerning ministerial errors within five days after the earlier of the

¹ See *Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Final Results and Final Partial Rescission of Antidumping Duty Administrative Review*, 76 FR 56158 (September 12, 2011) (“*Final Results*”).

date on which the Secretary released disclosure documents to that party or held a disclosure meeting with that party. On September 13, and September 14, 2011, the Department received timely ministerial error allegations from Camimex, Minh Phu Seafood Corporation (and its affiliates Minh Qui Seafood Co., Ltd., and Minh Phat Seafood Co., Ltd.) (collectively “the Minh Phu Group”), and Viet Foods Co., Ltd. (“Viet Foods”) and its branch Nam Hai Foodstuff Export Company Ltd. (collectively, “Respondents”). No other party in this proceeding submitted comments on the Department’s final margin calculations. Based upon the Department’s analysis of the comments and allegations of ministerial errors, the Department has made changes to the margin calculation for Camimex and the Minh Phu Group. The Department also has clarified that in its rescission of Viet Foods in the *Final Results*, the Department inadvertently referred to the company as Viet Hai Foods.

Furthermore, as a result of correcting the error in the margin calculation for Camimex, the margins for the companies granted separate rate status were also revised because the margins for those companies were derived from Camimex’s and the Minh Phu Group’s margins.

Scope of the Order

The scope of the order includes certain warmwater shrimp and prawns, whether frozen, wild-caught (ocean harvested) or farm-raised (produced by aquaculture), head-on or head-off, shell-on or peeled, tail-on or tail-off,² deveined or not deveined, cooked or raw, or otherwise processed in frozen form.

The frozen warmwater shrimp and prawn products included in the scope of this order, regardless of definitions in the Harmonized Tariff Schedule of the United States (“HTS”), are products which are processed from warmwater shrimp and prawns through freezing and which are sold in any count size.

The products described above may be processed from any species of warmwater shrimp and prawns. Warmwater shrimp and prawns are generally classified in, but are not limited to, the *Penaeidae* family. Some examples of the farmed and wild-caught

warmwater species include, but are not limited to, whiteleg shrimp (*Penaeus vannamei*), banana prawn (*Penaeus merguensis*), fleshy prawn (*Penaeus chinensis*), giant river prawn (*Macrobrachium rosenbergii*), giant tiger prawn (*Penaeus monodon*), redspotted shrimp (*Penaeus brasiliensis*), southern brown shrimp (*Penaeus subtilis*), southern pink shrimp (*Penaeus notialis*), southern rough shrimp (*Trachypenaeus curvirostris*), southern white shrimp (*Penaeus schmitti*), blue shrimp (*Penaeus stylirostris*), western white shrimp (*Penaeus occidentalis*), and Indian white prawn (*Penaeus indicus*).

Frozen shrimp and prawns that are packed with marinade, spices or sauce are included in the scope of the order. In addition, food preparations (including dusted shrimp), which are not “prepared meals,” that contain more than 20 percent by weight of shrimp or prawn are also included in the scope of the order.

Excluded from the scope are: (1) Breaded shrimp and prawns (HTS subheading 1605.20.1020); (2) shrimp and prawns generally classified in the *Pandalidae* family and commonly referred to as coldwater shrimp, in any state of processing; (3) fresh shrimp and prawns whether shell-on or peeled (HTS subheadings 0306.23.0020 and 0306.23.0040); (4) shrimp and prawns in prepared meals (HTS subheading 1605.20.0510); (5) dried shrimp and prawns; (6) canned warmwater shrimp and prawns (HTS subheading 1605.20.1040); and (7) certain battered shrimp. Battered shrimp is a shrimp-based product: (1) That is produced from fresh (or thawed-from-frozen) and peeled shrimp; (2) to which a “dusting” layer of rice or wheat flour of at least 95 percent purity has been applied; (3) with the entire surface of the shrimp flesh thoroughly and evenly coated with the flour; (4) with the non-shrimp content of the end product constituting between four and 10 percent of the product’s total weight after being dusted, but prior to being frozen; and (5) that is subjected to individually quick frozen (“IQF”) freezing immediately after application of the dusting layer. When dusted in accordance with the definition of dusting above, the battered shrimp product is also coated with a wet viscous layer containing egg and/or milk, and par-fried.

The products covered by the order are currently classified under the following HTS subheadings: 0306.13.0003, 0306.13.0006, 0306.13.0009, 0306.13.0012, 0306.13.0015, 0306.13.0018, 0306.13.0021, 0306.13.0024, 0306.13.0027, 0306.13.0040, 1605.20.1010, and 1605.20.1030. These HTS subheadings are provided for convenience and for customs purposes only and are not dispositive, but rather the written description of the scope of the order is dispositive.

Amended Final Results of the Review

The Act defines “ministerial error” as including “errors in addition, subtraction, or other arithmetic function, clerical errors resulting from inaccurate copying, duplication, or the like, and any other type of unintentional error which the administering authority considers ministerial.” See section 751(h) of the Act. After analyzing Respondents’ comments, we have determined, in accordance with section 751(h) of the Act and 19 CFR 351.224(e), that we made certain ministerial errors in our calculations for the final results with respect to Camimex’s and the Minh Phu Group’s margin calculations and inadvertently referred to Viet Foods as Viet Hai Foods. For a detailed discussion of these ministerial errors, as well as the Department’s analysis of these errors, see Memorandum to James C. Doyle, through Scot T. Fullerton, from Susan Pulongbarit, regarding “Fifth Antidumping Administrative Review of Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Ministerial Error Memorandum,” dated concurrently with this notice (“Ministerial Errors Memo”).

Because we have revised the rate for Camimex, we are also revising the margin for the companies granted separate-rate status because the margin for those companies was calculated as the weighted average of Camimex’s and the Minh Phu Group’s margins. In accordance with section 751(h) of the Act, we are amending the final results of the fifth administrative review of certain warmwater shrimp from Vietnam. As a result of correcting the ministerial errors discussed above, we determine that the following dumping margins exist for the period February 1, 2009, through January 30, 2010:

² “Tails” in this context means the tail fan, which includes the telson and the uropods.

Assessment

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b), the Department shall determine, and U.S. Customs and Border Protection ("CBP") shall assess, antidumping duties on all appropriate entries. The Department intends to issue assessment instructions to CBP that are related to the amended final results 15 days after the date of publication of the amended final results of review.

Cash Deposit Requirements

Cash deposit requirements related to the amended final results will be effective retroactively for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the *Final Results*, as provided for by section 751(a)(2)(C) of the Act. The cash deposit rate for companies whose rate was corrected by the amended final results will be the corrected rate for that company noted above. For all Vietnamese exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the Vietnam-wide rate of 25.76 percent. For all non-Vietnamese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Vietnamese exporters that supplied that non-Vietnamese exporter. These deposit requirements shall remain in effect until further notice.

These amended final results are published in accordance with sections 751(h) and 777(i)(1) of the Act.

Dated: October 11, 2011.

Ronald K. Lorentzen,

Deputy Assistant Secretary for Import Administration.

Light-Walled Welded Rectangular Carbon Steel Tubing From Taiwan: Final Results of the Expedited Sunset Review of the Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On July 1, 2011, the Department of Commerce (the

Department) initiated the third sunset review of the antidumping duty order on light-walled welded rectangular carbon steel tubing from Taiwan pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act). The Department has conducted an expedited (120-day) sunset review of this order. As a result of this sunset review, the Department finds that revocation of the antidumping duty order would be likely to lead to continuation or recurrence of dumping as indicated in the "Final Results of Review" section of this notice.

DATES: *Effective Date:* October 18, 2011.

FOR FURTHER INFORMATION CONTACT: Jerrold Freeman or Minoo Hatten, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-0180 or (202) 482-1690, respectively.

SUPPLEMENTARY INFORMATION:

Background

On July 1, 2011, the Department published the notice of initiation of the sunset review of the antidumping duty order¹ on light-walled welded rectangular carbon steel tubing from Taiwan pursuant to section 751(c) of the Act. *See Initiation of Five-Year ("Sunset") Review*, 76 FR 38613 (July 1, 2011) (*Notice of Initiation*).

The Department received a notice of intent to participate in this sunset review from the domestic interested parties, Allied Tube and Conduit, Bull Moose Tube, California Steel and Tube, Hannibal Industries, JMC Steel Group, Leavitt Tube, Searing Industries, and Western Tube and Conduit (collectively the domestic interested parties), within the 15-day period specified in 19 CFR 351.218(d)(1)(i). The domestic interested parties claimed interested-party status under section 771(9)(C) of the Act as manufacturers and/or producers of a domestic like product in the United States.

The Department received a complete substantive response to the *Notice of Initiation* from the domestic interested parties within the 30-day period specified in 19 CFR 351.218(d)(3)(i). The Department received no substantive response from any respondent interested parties. In accordance with section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), the Department is conducting an expedited

(120-day) sunset review of the antidumping duty order on light-walled welded rectangular carbon steel tubing from Taiwan.

Scope of the Order

The product covered by the order is light-walled welded carbon steel pipe and tube of rectangular (including square) cross-section having a wall thickness of less than 0.156 inch. This merchandise is classified under item number 7306.61.5000 of the Harmonized Tariff Schedule (HTS). It was formerly classified under item number 7306.60.5000. The HTS item numbers are provided for convenience and customs purposes only. The written product description remains dispositive.

Analysis of Comments Received

All issues raised in this review are addressed in the "Issues and Decision Memorandum for the Expedited Sunset Review of the Antidumping Duty Order on Light-Walled Welded Rectangular Carbon Steel Tubing From Taiwan" to Deputy Assistant Secretary for Import Administration Ronald K. Lorentzen from Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations Christian Marsh dated concurrently with this notice (Issues and Decision Memo), which is hereby adopted by this notice. The issues discussed in the Issues and Decision Memo include the likelihood of continuation or recurrence of dumping and the magnitude of the margin of dumping likely to prevail if the order were revoked. Parties can find a complete discussion of all issues raised in this review and the corresponding recommendations in this public memorandum which is on file in the Central Records Unit, room 7046 of the main Department of Commerce building.

In addition, a complete version of the Issues and Decision Memo can be accessed directly on the Web at <http://ia.ita.doc.gov/frn>. The paper copy and electronic version of the Issues and Decision Memo are identical in content.

Final Results of Review

The Department determines that revocation of the antidumping duty order on light-walled welded rectangular carbon steel tubing from Taiwan would be likely to lead to continuation or recurrence of dumping at the following weighted-average percentage margins:

¹ *Antidumping Duty Order; Light-Walled Welded Rectangular Carbon Steel Tubing From Taiwan*, 54 FR 12467 (March 27, 1989).
