## DEPARTMENT OF JUSTICE

### Notice of Lodging of Modification of Consent Decree Under the Resource Conservation and Recovery Act

Notice is hereby given that on October 14, 2011, a proposed Modification of a Consent Decree between the United States of America and Rineco Chemical Industries, Inc. ("Rineco") was lodged with the United States District Court for the Eastern District of Arkansas in the case of *United States v. Rineco Chemical Industries, Inc., Civil Action No. 4-07-CV-01189SWW*.

In December 2007, the United States filed a complaint seeking injunctive relief and civil penalties resulting from Rineco's failure, *inter alia*, to obtain a permit under the Resource Conservation and Recovery Act ("RCRA") for its ownership and operation of a Thermal Metal Washing unit ("TMW"), in violation of Section 3005(a) of RCRA, 42 U.S.C. 6925(a); and applicable Arkansas Pollution Control and Ecology Commission regulations in connection with Rineco's fuel blending facility located in Benton, Arkansas.

On October 16, 2010, the United States and Rineco entered into a Consent Decree which resolved the claims alleged in the United States'

complaint. Under the Consent Decree, Rineco paid a civil penalty of \$1,350,000. The Consent Decree also requires Rineco to apply for a RCRA permit for the TMW and its related hazardous waste storage and control any fugitive emissions from the TMW at the facility; perform trial and risk burns for the TMW to identify appropriate incinerator level and risk based operating and control parameters for the unit; file a notification and description of hazardous waste activity for the TMW; and establish financial assurances for the TMW and its related hazardous waste storage.

The proposed Modification of the Consent Decree allows Rineco an additional year until October 14, 2012, to obtain a final permit and to continue to operate its TMW under RCRA; provided that Rineco complies with a number of specified interim operation conditions and deadlines as well as the other requirements of the Consent Decree. Rineco's authorization to continue to operate the TMW under the Consent Decree beyond October 14, 2011, is expressly conditioned on Rineco's completion of each of the milestone deadlines specified in the modification to the satisfaction of the Arkansas Department of Environmental Quality ("ADEQ") and the Environmental Protection Agency ("EPA"). The interim milestones include deadlines for the approval of the trial burn plan, the conduct of the trial burn, the notice of compliance ("NOC"), the risk assessment report, the approval of the NOC, and the issuance of a final RCRA permit for the TMW. Significant stipulated penalties are included in the modification for Rineco's operation of the TMW after failure to meet any of the interim milestones set forth in the modification.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the proposed Modification of the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to [pubcomment-ees.enrd@usdoj.gov](mailto:pubcomment-ees.enrd@usdoj.gov), or mailed to P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States et al. v. Rineco Chemical Industries, Inc.*, D.J. Ref. #90-7-2-1-08902.

The Modification of the Consent Decree may be examined at U.S. EPA Region 6, 1445 Ross Avenue, Dallas, Texas 75202 (contact Jonathan Bull). During the public comment period, the Modification of the Consent Decree also may be examined on the following

Department of Justice Web site: [http://www.usdoj.gov/enrd/Consent\\_Decrees.html](http://www.usdoj.gov/enrd/Consent_Decrees.html). ## DEPARTMENT OF JUSTICE

[CPCLO Order No. 002-2011]

### Privacy Act of 1974; System of Records

**AGENCY:** Federal Bureau of Investigation, Department of Justice.

**ACTION:** Notice to remove one system of records and modify another system of records.

**SUMMARY:** The Federal Bureau of Investigation (FBI) proposes to delete "FBI Automated Payroll Records, Justice/FBI-007," published at 58 FR 51874 (Oct. 5, 1993), from its existing inventory because this system of records has been made obsolete by virtue of an amendment to the "Department of Justice Payroll System, Justice/JMD-003," published at 72 FR 51663 (Sept. 10, 2007), which added FBI employees to this DOJ system.

The FBI also is modifying another system notice, the "Time Utilization Recordkeeping System (TURK), Justice/FBI-012," last published in full at 58 FR 51876 (Oct. 5, 1993), and revised to incorporate the FBI Blanket Routine Uses (the FBI "Blanket Routine Uses" notice was originally published at 66 FR 33558 (June 22, 2001), and was updated at 70 FR 7513 (Feb. 14, 2005) and 72 FR 3410 (Jan. 25, 2007)). TURK is the method by which the FBI tracks the workload of its employees and certain individuals under its supervision, such as task force officers. The data, which reflects work hours, direct agent work years, direct support work years, and

average on board figures, is assigned to an investigative classification according to the nature of the case for which the work was performed. Tracking workload assists the FBI in ascertaining resource use and identifying trends. In addition, the information gained from TURK is used to formulate budget requests and provide reports to FBI oversight authorities. Workload measurement is particularly useful in the FBI because many Special Agents routinely work more than one program and TURK allows for a more accurate picture of work performed by case classification.

The FBI is modifying all sections of this notice, and is also reiterating the incorporation of the FBI BRUs expressly as part of this system notice because the entire notice is being republished. While the FBI BRUs provide necessary flexibility in disseminating records from the system, FBI notes that in most instances when TURK data is shared outside the Bureau, the data does not include personal identifiers. This notice replaces the previously published notice for TURK.

**DATES:** In accordance with 5 U.S.C. 552a(e)(4) and (11), the public is given a 30-day period in which to comment. Therefore, please submit any comments by November 21, 2011.

**ADDRESSES:** The public, Office of Management and Budget (OMB), and Congress are invited to submit any comments to the Department of Justice, ATTN: Privacy Analyst, Office of Privacy and Civil Liberties, Department of Justice, National Place Building, 1331 Pennsylvania Avenue, NW., Suite 1070, Washington, DC 20530-0001, or by facsimile at 202-307-0693.

**FOR FURTHER INFORMATION CONTACT:** Elizabeth Withnell, Supervisory Attorney-Advisor, Privacy and Civil Liberties Unit, Office of the General Counsel, Federal Bureau of Investigation, 935 Pennsylvania Avenue, NW., Washington, DC 20535-0001.

In accordance with 5 U.S.C. 552a(r), the Department has provided a report to OMB and the Congress on the modification of the system of records.

Dated: September 9, 2011.

*Chief Privacy and Civil Liberties Officer, United States Department of Justice.*
