SUPPLEMENTARY INFORMATION: The Commission has received a complaint filed on Robert Bosch LLC on October 26, 2011. The complaint alleges violations of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain wiper blades. The complaint names as respondents ADM21 Co., Ltd. of Korea; ADM21 Co. (North America) Ltd. of NJ; Alberee Products, Inc. of MD; API Korea Co., Ltd. of Korea; Cequent Consumer Products, Inc. of OH; Corea Autoparts Producing Corporation of South Korea; Danyang UPC Auto Parts Co., Ltd. of China; Fu-Gang Co., Ltd. of Taiwan; PIAA Corporation USA of OR; Pylon Manufacturing Corp. of FL; RainEater, LLC of PA; Scan Top Enterprise Co., Ltd. of Taiwan; and Winplus North America Inc. of Canada.

The complainant, proposed respondents, other interested parties, and members of the public are invited to file comments, not to exceed five pages in length, on any public interest issues raised by the complaint. Comments should address whether issuance of an exclusion order and/or a cease and desist order in this investigation would negatively affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

- (i) Explain how the articles potentially subject to the orders are used in the United States;
- (ii) Identify any public health, safety, or welfare concerns in the United States relating to the potential orders;
- (iii) Indicate the extent to which like or directly competitive articles are produced in the United States or are otherwise available in the United States, with respect to the articles potentially subject to the orders; and
- (iv) Indicate whether Complainant, Complainant's licensees, and/or third

party suppliers have the capacity to replace the volume of articles potentially subject to an exclusion order and a cease and desist order within a commercially reasonable time.

Written submissions must be filed no later than by close of business, five business days after the date of publication of this notice in the **Federal Register**. There will be further opportunities for comment on the public interest after the issuance of any final initial determination in this investigation.

Persons filing written submissions must file the original document and 12 true copies thereof on or before the deadlines stated above with the Office of the Secretary. Submissions should refer to the docket number ("Docket No. 2852") in a prominent place on the cover page and/or the first page. The Commission's rules authorize filing submissions with the Secretary by facsimile or electronic means only to the extent permitted by section 201.8 of the rules (see Handbook for Electronic Filing Procedures, http://www.usitc.gov/secretary/fed_reg_notices/rules/documents/handbook_on_electronic_filing.pdf). Persons with questions regarding electronic filing should contact the Secretary (202) 205-2000.

Any person desiring to submit a document to the Commission in confidence must request confidential treatment. All such requests should be directed to the Secretary to the Commission and must include a full statement of the reasons why the Commission should grant such treatment. See 19 CFR 201.6. Documents for which confidential treatment by the Commission is properly sought will be treated accordingly. All nonconfidential written submissions will be available for public inspection at the Office of the Secretary.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and of sections 201.10 and 210.50(a)(4) of the Commission's Rules of Practice and Procedure (19 CFR 201.10, 210.50(a)(4)).

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined to rescind in part the exclusion order entered on June 12, 2009 against respondent MEMS Technology Berhad ("MemsTech") in the subject investigation to remove references to claim 1 of U.S. Patent No. 6,781,231 ("the '231 patent") and claims 1, 2, 17, and 20 of U.S. Patent No. 7,242,089 ("the '089 patent").

Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on January 14, 2008, based on a complaint filed by Knowles Electronics LLC ("Knowles"). 73 FR 2277 (Jan. 14, 2008). The complaint, as supplemented, alleged violations of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) in the importation into the United States, the sale for importation, or the sale within the United States after importation of certain silicon microphone packages and products containing the same that infringe claims 1 and 2 of the '231 patent and claims 1, 2, 9, 10, 15, 17, 20, 28, and 29 of the '089 patent. The complaint named MemsTech as the respondent.

On June 12, 2009, the Commission issued a limited exclusion order (“the June 12, 2009 exclusion order”) prohibiting the unlicensed entry into the United States of MemsTech silicon microphone packages that infringe claims 1 and 2 of the ‘231 patent and claims 1, 2, 9, 10, 15, 17, 20, 28, and 29 of the ‘089 patent. 74 FR 28724 (June 17, 2009). On October 13, 2009, MemsTech appealed the Commission’s determination to the U.S. Court of Appeals for the Federal Circuit. On June 3, 2011, the Federal Circuit affirmed the Commission’s final determination. *MEMS Technology Berhad v. Int’l Trade Comm’n*, No. 2010–1018, 2011 WL 2214091 (Fed. Cir. June 3, 2011) (unpublished).

On December 16, 2009, the Commission instituted *Certain Silicon Microphone Packages and Products Containing the Same*, Inv. No. 337–TA–695, in response to a different complaint filed by Knowles. 74 FR 68077 (Dec. 22, 2009). The complaint in Inv. No. 337–TA–695 alleged a violation of section 337 based on infringement of claim 1 of the ‘231 patent and claims 1, 2, 7, 16, 17, 18, and 20 of the ‘089 patent. The complaint named Analog Devices Inc. as the respondent. On November 22, 2010, the ALJ issued a final ID finding that all of the asserted patent claims are invalid under 35 U.S.C. 102 and 103, based on prior art not previously considered in the above-captioned investigation. On January 21, 2011, the Commission issued a notice determining not to review a majority of the ALJ’s determinations on patent validity, which resulted in a final determination that claim 1 of the ‘231 patent and claims 1, 2, 7, 16, 17, 18, and 20 of the ‘089 patent are invalid. Knowles appealed the Commission’s final determination to the Federal Circuit (Appeal No. 2011–1260), but Knowles later withdrew its appeal before the appeal was decided.

On August 9, 2011, respondent MemsTech petitioned the Commission in the above-captioned investigation to rescind all directives in the June 12, 2009 exclusion order that are based on claim 1 of the 231 patent and claims 1, 2, 17, and 20 of the ‘089 patent because the Commission determined those claims are invalid in Inv. No. 337–TA–695. On August 22, 2011, complainant Knowles filed an opposition to MemsTech’s petition.

The Commission has determined that its invalidity determinations in Inv. No. 337–TA–695 constitute changed circumstances and justify partial rescission of the June 12, 2009 exclusion order entered in the present investigation. The Commission has

determined to rescind the portions of the June 12, 2009 exclusion order that refer to claim 1 of the ‘231 patent and claims 1, 2, 17, and 20 of the ‘089 patent. All other provisions of the June 12, 2009 exclusion order remain in effect.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in section 210.76 of the Commission’s Rules of Practice and Procedure (19 CFR 210.76).

Issued: October 28, 2011.

By order of the Commission.

Secretary to the Commission.
