

2012. Use could potentially occur statewide, but would primarily be in the commercial grapefruit-producing counties of Polk, Hendry, Highlands, De Soto, Hardee, St. Lucie, Indian River, Collier, Manatee and Martin Counties. At maximum rates, applications, and acreage, 48,384 lbs of a.i. (216,000 lbs product) could be used under the proposed program.

This notice does not constitute a decision by EPA on the application itself. The regulations governing section 18 of FIFRA allow for publication of a notice of receipt of an application for a specific exemption if the Administrator determines that publication of a notice is appropriate. The applicant proposes a use of a pesticide containing streptomycin sulfate, which is also used in human and animal treatment as an antibiotic. The notice provides an opportunity for public comment on the application.

The Agency will review and consider all comments received during the comment period in determining whether to issue the specific exemption requested by the Florida Department of Agriculture and Consumer Services.

Draft Toxicological Review of Vanadium Pentoxide: In Support of Summary Information on the Integrated Risk Information System (IRIS)

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of Public Comment Period Extension; Notice of Change in Date of Listening Session.

SUMMARY: EPA announced a 60-day public comment period on September 30, 2011, (76FR60825) for the external review draft human health assessment titled, "Toxicological Review of Vanadium Pentoxide: In Support of Summary Information on the Integrated Risk Information System (IRIS)" (EPA/635R-11/004A). EPA is extending the public comment period 30 days at the

request of the Vanadium Producers and Reclaimers Association. EPA is also rescheduling the listening session to December 8, 2011. The draft assessment was prepared by the National Center for Environmental Assessment (NCEA) within the EPA Office of Research and Development (ORD). EPA has released this draft assessment solely for the purpose of pre-dissemination peer review under applicable information quality guidelines. This draft assessment has not been formally disseminated by EPA. It does not represent and should not be construed to represent any Agency policy or determination. After public review and comment, an EPA contractor will convene an expert panel for independent external peer review of this draft assessment. The public comment period and external peer review meeting are separate processes that provide opportunities for all interested parties to comment on the assessment. The external peer review meeting will be scheduled at a later date and announced in the **Federal Register**. Public comments submitted during the public comment period will be provided to the external peer reviewers before the panel meeting and considered by EPA in the disposition of public comments. Public comments received after the public comment period closes will not be submitted to the external peer reviewers and will only be considered by EPA if time permits.

DATES: The public comment period will be extended 30 days to end December 29, 2011. Comments should be in writing and must be received by EPA by December 29, 2011.

The Listening Session on the draft IRIS assessment for vanadium pentoxide will be held on December 8, 2011, beginning at 9 a.m. and ending at 4 p.m., Eastern Standard Time, or when the last presentation has been completed. If you wish to attend the Listening Session, please register by December 1, 2011, following the detailed instructions under **DATES** provided in the previous Notice (76FR60825).

ADDRESSES: The draft "Toxicological Review of Vanadium Pentoxide: In Support of Summary Information on the Integrated Risk Information System (IRIS)" is available primarily via the Internet on the NCEA home page under the Recent Additions and Publications menus at <http://www.epa.gov/ncea>. A limited number of paper copies are available from the Information Management Team (Address: Information Management Team, National Center for Environmental

FEDERAL COMMUNICATIONS COMMISSION

Information Collections Being Reviewed by the Federal Communications Commission for Extension Under Delegated Authority

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burdens, invites the general public and other Federal agencies to take this opportunity to comment on the following information collections, as required by the Paperwork Reduction Act of 1995 (PRA). Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and (e) ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

DATES: Written PRA comments should be submitted on or before January 9, 2012. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email PRA@fcc.gov <mailto:PRA@fcc.gov> and to Cathy.Williams@fcc.gov <mailto:Cathy.Williams@fcc.gov>.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collections, contact Cathy Williams at (202) 418-2918.
