

matter must approve that matter if the Act requires shareholder approval.

2. Section 6(c) of the Act provides that the Commission may exempt any person, security, or transaction or any class or classes of persons, securities, or transactions from any provisions of the Act, or from any rule thereunder, if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Applicants state that the requested relief meets this standard.

3. Applicants assert that the shareholders expect the Adviser and the Board to select the Subadvisers for the Funds that are best suited to achieve each Fund's investment objective. Applicants assert that, from the perspective of the investor, the role of the Subadvisers is substantially equivalent to that of the individual portfolio managers employed by the Adviser. Applicants state that requiring shareholder approval of each Subadvisory Agreement would impose costs and unnecessary delays on the Funds, and may preclude the Adviser from acting promptly in a manner considered advisable by the Board. Applicants note that the Advisory Agreements and any Subadvisory Agreement with an Affiliated Subadviser will remain subject to section 15(a) of the Act and rule 18f-2 under the Act, including the requirement for shareholder voting.

#### Applicants' Conditions

Applicants agree that any order granting the requested relief will be subject to the following conditions:

1. Before a Fund may rely on the requested order, the operation of the Fund in the manner described in the application will be approved by a majority of the Fund's outstanding voting securities, as defined in the Act, or in the case of a Fund whose public shareholders purchase shares on the basis of a prospectus containing the disclosure contemplated by condition 2 below, by the initial shareholder(s) before offering shares of that Fund to the public.

2. Each Fund relying on the requested order will disclose in its prospectus the existence, substance, and effect of any order granted pursuant to this application. Each Fund will hold itself out to the public as utilizing the Manager of Managers Structure. The prospectus will prominently disclose that the Adviser has ultimate responsibility (subject to oversight by the Board) to oversee the Subadvisers

and recommend their hiring, termination, and replacement.

3. Within 90 days of the hiring of a new Subadviser, shareholders of the affected Fund will be furnished all information about the new Subadviser that would be included in a proxy statement. To meet this obligation, each Fund will provide shareholders within 90 days of the hiring of a new Subadviser an information statement meeting the requirements of Regulation 14C, Schedule 14C and Item 22 of Schedule 14A under the Securities Exchange Act of 1934.

4. The Adviser will not enter into a subadvisory agreement with any Affiliated Subadviser without such agreement, including the compensation to be paid thereunder, being approved by the shareholders of the applicable Fund.

5. At all times, at least a majority of the Board will be Independent Trustees, and the nomination of new or additional Independent Trustees will be placed within the discretion of the then-existing Independent Trustees.

6. Whenever a subadviser change is proposed for a Fund with an Affiliated Subadviser, the Board, including a majority of the Independent Trustees, will make a separate finding, reflected in the applicable Board minutes, that such change is in the best interests of the Fund and its shareholders, and does not involve a conflict of interest from which the Adviser or the Affiliated Subadviser derives an inappropriate advantage.

7. The Adviser will provide general management services to each Fund, including overall supervisory responsibility for the general management and investment of each Fund's assets and, subject to review and approval of the Board, will: (a) Set each Fund's overall investment strategies; (b) evaluate, select and recommend Subadvisers to manage all or a part of each Fund's assets; (c) allocate and, when appropriate, reallocate each Fund's assets among one or more Subadvisers; (d) monitor and evaluate the performance of Subadvisers; and (e) implement procedures reasonably designed to ensure that the Subadvisers comply with each Fund's investment objective, policies and restrictions.

8. No trustee or officer of the Trust or a Fund, or director, manager, or officer of the Adviser, will own directly or indirectly (other than through a pooled investment vehicle that is not controlled by such person), any interest in a Subadviser, except for (a) Ownership of interests in the Adviser or any entity that controls, is controlled by, or is under common control with the

Adviser, or (b) ownership of less than 1% of the outstanding securities of any class of equity or debt of any publicly traded company that is either a Subadviser or an entity that controls, is controlled by, or is under common control with a Subadviser.

9. In the event the Commission adopts a rule under the Act providing substantially similar relief to that in the order requested in the application, the requested order will expire on the effective date of that rule.

For the Commission, by the Division of Investment Management, under delegated authority.

November 22, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that, on November 18, 2011, NYSE Amex LLC (the "Exchange" or "NYSE Amex") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>3</sup> and Rule 19b-4(f)(6) thereunder.<sup>4</sup> The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Commentary .10 to NYSE Amex Options Rule 903 to increase the number of Short Term Options Series that may be opened for each option class that participates in the Exchange's Short Term Option Series Program ("Program") from 20 series to 30 series. The text of the proposed rule change is available at the Exchange, the Commission's Public Reference Room, <http://www.nyse.com>, and <http://www.sec.gov>.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at

the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

#### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

##### 1. Purpose

The Exchange proposes to amend Commentary .10 to NYSE Amex Options Rule 903 to increase the number of Short Term Options Series that may be opened for each option class that participates in the Program from 20 series to 30 series.<sup>5</sup>

The Program is codified in NYSE Amex Options Rule 903 and Commentary .10 thereto. This rule text provides that, after an option class has been approved for listing and trading on the Exchange, the Exchange may open for trading on any Thursday or Friday that is a business day ("Short Term Option Opening Date") series of options on no more than five (5) classes<sup>6</sup> that expire at the close of business on the next Friday that is a business day ("Short Term Option Expiration Date").<sup>7</sup>

The strike price of each Short Term Option Series will be fixed at a price per share, with approximately the same number of strike prices being opened above and below the value of the underlying security at about the time that the Short Term Option Series are initially opened for trading on the Exchange (e.g., if seven series are initially opened, there will be at least three strike prices above and three strike prices below the value of the underlying security).<sup>8</sup> Any strike prices listed by

<sup>5</sup> On July 12, 2005, the Commission approved the Program on a pilot basis. See Securities Exchange Act Release No. 52014 (July 12, 2005), 70 FR 41244 (July 18, 2005) (SR-Amex-2005-035). The Program was expanded and made permanent on June 23, 2010. See Securities Exchange Act Release No. 62370 (June 23, 2010), 75 FR 37870 (June 30, 2010) (SR-NYSEAmex-2010-62).

<sup>6</sup> In addition to the five-option class restriction, the Exchange also may list Short Term Option Series on any option classes that are selected by other securities exchanges that employ a similar program under their respective rules.

<sup>7</sup> If the Exchange is not open for business on a Thursday or Friday, the Short Term Option Opening Date will be the first business day immediately prior to that Thursday or Friday. Similarly, if the Exchange is not open for business on a Friday, the Short Term Option Expiration Date will be the first business day immediately prior to that Friday. Short Term Option Series are P.M.-settled, except for Short Term Option Series on indexes, which are A.M.-settled. No Short Term Option Series may expire in the same week in which monthly or Quarterly Option Series on the same class expire.

<sup>8</sup> The listing criteria for Short Term Options Series contained in Commentary .10 of Rule 903 is
