

The Exchange also proposes to the move the placement of the Cancellation Fee in the Fee Schedule to a more logical location and renumber the endnotes accordingly.

The proposed change will be operative on December 1, 2011.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6(b)⁵ of the Securities Exchange Act of 1934 (the “Act”), in general, and Section 6(b)(4)⁶ of the Act, in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities. The Exchange believes that the proposed change is equitable because it will apply to all ATP Firms equally. The Exchange believes that a bona fide systems problem is just as likely to cause an unfair result in the calculation of the Order To Trade Ratio Fee and the Cancellation Fee as it would in the calculation of the Messages To Contracts Traded Ratio Fee. Extending the Exchange’s discretion to adjust such fees in such an event would help to prevent the imposition of an unreasonable fee.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)⁷ of the Act and subparagraph (f)(2) of Rule 19b-4⁸ thereunder, because it establishes a due,

systems problem and the Exchange will keep a record of all such requests. The Exchange will keep records of its determinations as to whether one or more ATP Firms or the Exchange experienced a bona fide systems problem and any exclusion of that day’s activity from the calculation of an Excessive Bandwidth Utilization Fee or Cancellation Fee.

fee, or other charge imposed by the Exchange. At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

Self-Regulatory Organizations; NYSE Amex LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending the NYSE Amex Options Fee Schedule

December 9, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 1, 2011, NYSE Amex LLC (the “Exchange” or “NYSE Amex”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the NYSE Amex Options Fee Schedule (“Fee Schedule”) to exclude Strategy Executions from the monthly Firm fee cap. The proposed change will be operative on December 1, 2011. The text of the proposed rule change is available at the Exchange, the Commission’s Public Reference Room, and <http://www.nyse.com>.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received

on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the Fee Schedule to exclude Strategy Executions from the monthly Firm fee cap.

Strategy Executions include reversals and conversions, dividend spreads, box spreads, short stock interest spreads, merger spreads, and jelly rolls. Under the current Fee Schedule, fees for Strategy Executions are capped at \$750 per transaction and \$25,000 per month. Under the proposed change, Firms would continue to benefit from those two fee caps, but fees for Strategy Executions would be excluded from the calculation of the monthly Firm fee cap of \$100,000.³ The Exchange notes that such treatment would be consistent with the exclusion of Strategy Executions from the calculation of the Market Maker monthly fee cap and volume threshold.⁴

The proposed changes will be operative on December 1, 2011.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6(b)⁵ of the Securities Exchange Act of 1934 (the "Act"), in general, and Section 6(b)(4)⁶ of the Act, in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities. The Exchange believes that the proposed change is equitably allocated and not unfairly discriminatory because it will apply equally to all Firms and treat them in a manner that is more consistent with other capped participants, *i.e.*, Market Makers. The Exchange believes that the proposed change is reasonable because Firms will still be able to avail themselves of the reduced rates for Strategy Trade Executions.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)⁷ of the Act and subparagraph (f)(2) of Rule 19b-4⁸ thereunder, because it establishes a due, fee, or other charge imposed by the Exchange. At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
