Abstract of Proposed Collection

Annual reports from designated program sponsors assist the Department in oversight and administration of the J–1 visa program. The reports provide statistical data on the number of exchange participants an organization sponsored per category of exchange. The reports also provide a summary of the

activities in which exchange visitors were engaged and an evaluation of program effectiveness. Program sponsors include government agencies, academic institutions, and private sector not-for-profit and for-profit entities.

Methodology

Annual reports are completed through the Student and Exchange Visitor Information System (SEVIS) and then printed and signed by a sponsor official, and sent to the Department by mail or fax. The Department is currently working with the Department of Homeland Security to expand SEVIS functions and enable the collection of electronic signatures. Annual reports will be submitted to the Department electronically as soon as the mechanism for doing so is approved and in place during the implementation of SEVIS II.
