Applicants and proposed projects must meet the criteria in accordance with 7 CFR 1944.679:

- Meet the requirements of consultation and public comment in accordance with 7 CFR 1944.674.
- Submit a complete pre-application as outlined in 7 CFR 1944.676.

VII. Points System

For applicants meeting all of the requirements listed above, the Rural Development State Offices will then use weighted criteria in accordance with 7 CFR part 1944, subpart N to select the grant recipients. Each preapplication and its accompanying statement of activities will be evaluated and, based solely on the information contained in the pre-application; the applicant’s proposal will be numerically rated on each selection criteria within the point range provided. The highest-ranking applicant(s) will be selected based on allocation of funds available to the State.

• Points are awarded based on the percentage of very low-income persons that the applicant proposes to assist, using the following scale:

- More than 80%: 20 points
- 61% to 80%: 15 points
- 41% to 60%: 10 points
- 20% to 40%: 5 points
- Less than 20%: 0 points

• The applicant’s proposal is expected to result in the following

percentage of HPG fund use (excluding administrative costs) in comparison to the total cost of unit preservation. This percentage reflects maximum repair or rehabilitation results with the least possible HPG funds due to leveraging, innovative financial assistance, owner’s contribution or other specified approaches. Points are awarded based on the following percentage of HPG funds (excluding administrative costs) to total funds:

- 50% or less: 20 points
- 51% to 65%: 15 points
- 66% to 80%: 10 points
- 81% to 95%: 5 points
- 96% to 100%: 0 points

• The applicant has demonstrated its administrative capacity in assisting very low- and low-income persons to obtain adequate housing based on the following (30 points maximum):

- The organization or a member of its staff has at least one or more years experience successfully managing and operating a rehabilitation or weatherization type program: 10 points.
- The organization or a member of its staff has at least one or more years experience successfully managing and operating a program assisting very low- and low-income persons obtain housing assistance: 10 points.

○ If the organization has administered grant programs, there are no outstanding or unresolved audit or investigative findings which might impair carrying out the proposal: 10 points.

• The proposed program will be undertaken entirely in rural areas outside Metropolitan Statistical Areas (MSAs), identified by Rural Development as having populations in excess of 10,000, but not in excess of 20,000 or in remote parts of other rural areas (i.e., rural areas contained in MSAs with less than 5,000 population) as defined in 7 CFR 1944.656: 10 points.

• The program will use less than 20 percent of HPG funds for administration purposes:

- More than 20%: Not eligible
- 20%: 0 points
- 19%: 1 point
- 18%: 2 points
- 17%: 3 points
- 16%: 4 points
- 15% or less: 5 points

• The proposed program contains a component for alleviating overcrowding as defined in 7 CFR 1944.656: 5 points.

• In the event more than one preapplication receives the same amount of points, those pre-applications will then be ranked based on the actual percentage of very-low income persons that the applicant proposes to assist. Further, in the event that preapplications are still tied, then those

preapplications still tied will be ranked based on the percentage for HPG fund use (low to high). Further, for applications where assistance to rental properties or cooperatives is proposed, those still tied will be further ranked based on the number of years the units are available for occupancy under the program (a minimum of 5 years is required). For this part, ranking will be based from most to least number of years.

Finally, if there is still a tie, then a lottery system will be used. After the award selections are made all applicants will be notified of the status of their applications by mail.
