SUPPLEMENTARY INFORMATION: The Marine Terminals and Longshoring Standards information collection requirements are related to the testing, certification, and marking of specific types of cargo lifting appliances and associated cargo handling gear and other cargo handling equipment such as conveyors and industrial trucks. The information the OSHA requires from employers are necessary to reduce worker injuries and fatalities associated with cargo lifting gear, transfer of vehicular cargo, manual cargo handling, and exposure to hazardous atmospheres.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1218-0196. The current OMB approval is scheduled to expire on June 30, 2012; however, it should be noted that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional information, see the related notice published in the **Federal Register** on April 26, 2012 (77 FR 24990).

Interested parties are encouraged to send timely comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section of this notice. In order to help ensure appropriate consideration, comments should

reference OMB Control Number 1218-0196. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

DEPARTMENT OF LABOR

Job Accommodation Network

AGENCY: Office of Disability Employment Policy, Department of Labor.

Announcement Type: New Notice of Availability of Funds and Solicitation for Grant Applications (SGA) for Cooperative Agreements. The full announcement is posted on <http://www.grants.gov>.

Funding Opportunity Number: SGA-12-03.

Key Dates: The closing date for receipt of applications is July 18, 2012.

Funding Opportunity Description

The U.S. Department of Labor (DOL or Department), Office of Disability Employment Policy (ODEP) announces the availability of approximately \$2.5 million to fund a cooperative agreement to manage and operate its Job Accommodation Network (JAN), a national technical assistance center that facilitates the employment and retention of workers with disabilities. Created in 1983, JAN is the most comprehensive job accommodation resource available. It is the leading source of free, expert, and confidential one-on-one guidance on workplace accommodations, the Americans with Disabilities Amendment Act of 2008 (ADAA) and related legislation, and self-employment and entrepreneurship options for people with disabilities. JAN provides technical assistance via phone, email and chat, and maintains a Web site containing online resources and publications. Technical assistance regarding individualized job accommodations and workplace strategies for job applicants and employees with disabilities is provided to private and federal sector employers, people with disabilities including disabled veterans, employment service providers, educational institutions and others. JAN develops and conducts trainings both in person and electronically (web-based and telephonic); works in collaboration with businesses, professional organizations, federal agencies and others on effective practices and other issues related to accommodations in the workplace; and engages in outreach to the public about its services. JAN establishes and maintains effective working relationships and collaborations with outside entities with the goal of sharing knowledge and promoting the adoption and implementation of ODEP policies and effective practices. JAN also conducts research and collects and analyzes data related to the cost and effectiveness of workplace accommodations and provides data that contribute to ODEP's annual performance measures and the development of its policies.

Funding of \$2.5 million will be awarded through a competitive process for a 12-month period of performance, with the possibility of up to four option years of funding depending on the availability of funds and satisfactory performance.

This solicitation provides background information, describes the application submission requirements, outlines the process that eligible entities must use to apply for funds covered by this solicitation, and outlines the evaluation

criteria used as a basis for selecting the grantee.

The full Solicitation for Grant Applications is posted on www.grants.gov under U.S. Department of Labor/ODEP. Applications submitted through www.grants.gov or hard copy will be accepted. If you need to speak to a person concerning these grants, you may telephone Cassandra Mitchell, Grant Officer, at 202-693-4570 (not a toll-free number). If you have issues regarding access to the www.grants.gov Web site, you may telephone the Contact Center Phone at 1-800-518-4726.

Signed in Washington, DC, this 14th day of June 2012.

Cassandra R. Mitchell,
Grant Officer.

NATIONAL SCIENCE FOUNDATION

Notice of Permit Applications Received Under the Antarctic Conservation Act of 1978

AGENCY: National Science Foundation.

ACTION: Notice of permit applications received under the Antarctic Conservation Act of 1978.

SUMMARY: The National Science Foundation (NSF) is required to publish a notice of permit applications received to conduct activities regulated under the Antarctic Conservation Act of 1978. NSF has published regulations under the Antarctic Conservation Act. This is the required notice of permit applications received.

DATES: Interested parties are invited to submit written data, comments, or views with respect to this permit application by July 30, 2012. This application may be inspected by interested parties at the Permit Office, address below.

ADDRESSES: Comments should be addressed to Permit Office, Room 755, Office of Polar Programs, National Science Foundation, 4201 Wilson Boulevard, Arlington, Virginia 22230.

FOR FURTHER INFORMATION CONTACT: Polly A. Penhale at the above address or (703) 292-7420.

SUPPLEMENTARY INFORMATION: The National Science Foundation, as directed by the Antarctic Conservation Act of 1978 (Pub. L. 95-541), as amended by the Antarctic Science, Tourism and Conservation Act of 1996, has developed regulations for the establishment of a permit system for various activities in Antarctica and

designation of certain animals and certain geographic areas a requiring special protection. The regulations establish such a permit system to designate Antarctic Specially Protected Areas.

The applications received are as follows:

Permit Application: 2013-010

1. *Applicant:* Diane H. Tuft, 101 Central Park West, New York, NY 10023.

Activity for Which Permit Is Requested

Enter Antarctic Specially Protected Areas. The applicant is a member of the Artists and Writers Program and plans to enter Caughley Beach, Cape Bird (ASPA 116), Cape Royds (ASPA 121), and Cape Crozier (ASPA 124) to photograph and record sounds of wildlife in Antarctica including Adelie and Emperor penguins.
