Foreign-Trade Zones Board

[B-57-2012]

Foreign-Trade Zone 43—Battle Creek, MI; Application for Reorganization Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the City of Battle Creek, Michigan, grantee of FTZ 43, requesting authority to reorganize the zone under the alternative site framework (ASF) adopted by the Board (15 CFR 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the Board's standard 2,000-acre activation limit for a general-purpose zone project. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on July 30, 2012.

FTZ 43 was approved by the Board on October 19, 1978 (Board Order 138, 43 FR 50233, 10-27-1978) and expanded on December 27, 1990 (Board Order 496, 56 FR 675, 1-8-1991); January 3, 1992 (Board Orders 554 and 555, 57 FR 1143, 1-10-1992); and, June 20, 1997 (Board Orders 897 and 898, 62 FR 36043-36044, 7-3-1997).

The current zone project includes the following sites: *Site 1* (1,710 acres)—Fort Custer Industrial Park, adjacent to W.K. Kellogg Airport, Battle Creek, Calhoun County; and, *Site 8* (.87 acres)—Silver Foam Distributing Company, 1609 Parnall Road, Jackson, Jackson County.

The grantee's proposed service area under the ASF would be Allegan, Barry, Berrien, Branch, Calhoun, Cass, Clinton, Eaton, Ingham, Ionia, Jackson, Kalamazoo, St. Joseph and Van Buren Counties, Michigan, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The proposed service area is within and adjacent to the Battle Creek Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone project to include existing Site 1 as a "magnet" sites and existing Site 8 as a "usage-driven" site. The application would have no impact on FTZ 43's previously authorized subzones.

In accordance with the Board's regulations, Elizabeth Whiteman of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is October 2, 2012. Rebuttal comments in

response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to October 17, 2012.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via www.trade.gov/ftz. Certain Pasta From Italy: Notice of Preliminary Results of Antidumping Duty Administrative Review, Preliminary No Shipment Determination and Preliminary Intent To Revoke Order, in Part

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to requests by interested parties, the Department of Commerce ("the Department") is conducting an administrative review of the antidumping duty order on certain pasta ("pasta") from Italy for the period of review ("POR") July 1, 2010, through June 30, 2011. This review covers the following seven companies: Botticelli Mediterraneo S.a.r.l. ("Botticelli"), Fiamma Vesuviana S.r.l. ("Fiamma"), Industria Alimentare Filiberto Bianconi 1947 S.p.A. ("Filiberto"), Pastificio Fratelli Cellino, S.r.l. ("Fratelli"), Pastificio Attilio Mastromauro Granoro S.r.l. ("Granoro"), Rummo S.p.A. Molino e Pastificio and its affiliates ("Rummo"), and Pastificio Zaffiri ("Zaffiri"). We preliminarily find that Rummo, Filiberto, Fratelli, and Zaffiri sold subject merchandise at less than normal value (NV) (dumping). We further find that there were no exports of subject merchandise to the United States during the POR by Fiamma and Botticelli. Finally, in response to its request for revocation and because this would be the third year of no dumping by Granoro, we preliminarily intend to revoke the antidumping duty order with regard to Granoro. If these preliminary results are adopted in the final results of this administrative review, we will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries of subject merchandise during the POR. Interested parties are invited to comment on these preliminary results.
