OMB Control Number: 0551-0004.

Summary of Collection: The Export Credit Guarantee Program (GSM-102) is administered by the Commodity Credit Corporation (CCC) of the U.S. Department of Agriculture. This program provides guarantees to exporters in order to maintain and increase overseas importers ability to purchase U.S. agricultural goods. The Export Credit Guarantee Program underwrites credit extended by U.S. private banks to approved foreign banks using dollar-denominated, irrevocable letters of credit. The Foreign Agricultural Service (FAS) will collect information from the guarantee application submitted by the participants in writing (via fax or email) or mail.

Need and Use of the Information: FAS will collect information from participating U.S. exporters in order to determine the exporter's eligibility for program benefits. The information is also used in fulfilling CCC obligation under the issued payment guarantee. If the information were not collected CCC would be unable to determine if export sales under the program would be eligible for coverage or, if coverage conformed to program requirements.
