DATES: The deadline for receipt of all applications in response to this RFP is 5:00 p.m., Eastern Daylight Time, on November 5, 2012. The application closing deadline is firm as to date and hour. I. Funding Opportunity Description

The technical assistance grants authorized under section 516 are for the purpose of encouraging the development of domestic and migrant FLH projects under sections 514 and 516 of the Act. RHS regulations for section 514 and 516 FLH program are published at 7 CFR part 3560. Further requirements for technical assistance grants can be found at 7 CFR part 3560, subpart L. Proposals must demonstrate the capacity to provide the intended technical assistance.

The RHS intends to award one grant for each of three geographic regions listed below. When establishing the three regions, and amount of funding available for each region, consideration was given to such factors as farmworker migration patterns and the similarity of agricultural products and labor needs within certain areas of the United States. A single applicant may submit grant proposals for more than one region; however, separate proposals must be submitted for each region.

Eastern Region: AL, CT, DE, FL, GA, IN, KY, MA, MD, ME, NH, NJ, NY, NC, OH, PA, PR, RI, SC, TN, VI, VT, VA, WV.

Central Region: AR, IL, IA, KS, LA, MI, MN, MS, MO, NE., ND, OK, SD, TX, WI.

Western Region: AK, AZ, CA, CO, HI, ID, MT, NV, NM, OR, UT, WA, WY, and the Pacific Territories.

II. Award Information

The RHS has the authority under the Act to utilize up to 10 percent of its section 516 appropriation for FLH-TA grants. The total Fiscal Year (FY) 2012 appropriation for section 516 is \$7,100,000. The total amount of the FY 2012 appropriation that RHS has made available for FLH-TA grants is \$710,000. Of that amount, up to \$250,000 will be available for each of the Eastern and Western Grant Regions and up to \$210,000 of the remaining funds will be available for the Central Grant Region. Work performed under these grants must be completed within 3 years of entering into a grant agreement with RHS. The disbursement of grant funds during the grant period will be contingent upon the applicant making progress in meeting the minimum performance requirements as described in the Scope of Work section of this Notice, including, but not limited to, the submission of loan application packages.

III. Eligibility Information

Eligible Applicants: Eligibility for grants under this Notice is limited to private and public non-profit agencies. Applicants must have the knowledge, ability, technical expertise, or practical experience necessary to develop and package loan and grant applications for FLH under the section 514 and 516 programs (see Section IV. Application and Submission Information). In addition, applicants must possess the ability to exercise leadership, organize work, and prioritize assignments to meet work demands in a timely and cost efficient manner. The applicant may arrange for other non-profit agencies to provide services on its behalf; however, the RHS will expect the applicant to provide the overall management necessary to ensure the objectives of the grant are met. Non-profit agencies acting on behalf of the applicant must also meet the eligibility requirements stated above.

Minimum Performance Requirements

(1) Applicants shall conduct outreach to broad-based non-profit organizations, non-profit organizations of farmworkers, federally recognized Indian tribes, agencies or political subdivisions of State or local Government, public agencies (such as housing authorities) and other eligible FLH organizations to

further the section 514 and 516 FLH programs. Outreach will consist of a minimum of 12 informational presentations to the general public annually to inform them about the section 514 and 516 FLH programs.

(2) Applicants shall conduct at least 12 one-on-one meetings annually with groups who are interested in applying for FLH loans or grants and assist such groups with the loan and grant application process.

(3) Applicants shall assist loan and grant applicants secure funding from other sources for the purpose of leveraging those funds with RHS funds.

(4) Applicants shall provide technical assistance during the development and construction phase of FLH proposals selected for funding.

(5) When submitting a grant proposal, applicants need not identify the geographic location of the places they intend to target for their outreach activities, however, applicants must commit to targeting at least five areas within the grant proposal's region. All targeted areas must be distinct market areas and not be overlapping. At least four of the targeted areas must be in different States. If the proposal is selected for funding, the applicant will be required to consult with each Rural Development State Director in the proposal's region for the purpose of developing their list of targeted areas. When determining which areas to target, consideration will be given to (a) the total number of farmworkers in the area, (b) the number of farmworkers in that area who lack adequate housing, (c) the percentage of the total number of farmworkers that are without adequate housing, and (d) areas which have not recently had a section 514 or 516 loan or grant funded for new construction. In addition, if selected for funding, the applicant will be required to revise their Statement of Work to identify the geographic location of the targeted areas and will submit their revised Statement of Work to the National Office for approval. When submitted for approval, the applicant must also submit a summary of their consultation with the Rural Development State Directors. At grant closing, the revised Statement of Work will be attached to, and become a part of, the grant agreement.

(6) During the grant period, each applicant must submit a minimum number of loan application packages to the Agency for funding consideration. The minimum number shall be the greater of (a) at least nine loan application packages for the Eastern and Western Regions and at least seven for the Central Region or, (b) a total number of loan application packages that is

equal to 70 percent of the number of areas the applicant's proposal committed to targeting. Fractional percentages shall be rounded up to the next whole number. For example, if the applicant's proposal committed to targeting 13 areas, then the applicant must submit at least 10 loan application packages during the grant period (13 areas \times 70 percent = 9.1 rounded up to 10). The disbursement of grant funds during the grant period will be contingent upon the applicant making progress in meeting this minimum performance requirement. More than one application package for the same market area will not be considered unless the applicant submits documentation of the need for more than one FLH facility.

(7) Provide training to applicants of FLH loans and grants to assist them in their ability to manage FLH.

IV. Application and Submission Information

The application process will be in two phases; the initial application (or proposal) and the submission of a formal application. Only those proposals that are selected for funding will be invited to submit formal applications. All proposals must include the following:

V. Application Review Information

The initial application (or proposal) evaluation process designed for this RFP will consist of two phases. The first phase will evaluate the applicant's Statement of Work and the degree to which it sets forth measurable objectives that are consistent with the objectives of FLH-TA grant program. The second phase will evaluate the applicant's knowledge and ability to provide the management necessary for carrying out a FLH-TA grant program. Proposals will only compete against other proposals within the same region. Selection points will be awarded as follows:

Phase I—Statement of Work

The Statement of Work will be evaluated to determine the degree to which it outlines efficient and measurable monthly and annual outcomes as follows:

a. The minimum performance requirements of this Notice require that the applicant commit to targeting at least five areas (at least four of which are in different States). The more areas the applicant commits to targeting, the more scoring points they will be awarded. As stated earlier in this Notice, the more areas the applicant commits to the more loan application packages must be submitted. The amount will be established in the Statement of Work. The number of areas within the region that the applicant has committed to targeting for outreach activities:

- (1) 5–7 targeted areas: 0 points
- (2) 8 targeted areas: 5 points
- (3) 9–10 targeted areas: 10 points
- (4) 11–12 targeted areas: 15 points
- (5) 13 or more areas: 20 points

b. RHS wants the applicant to cover as much of the grant region as possible. RHS does not want the applicant's efforts to be concentrated in a limited number of States. For this reason, additional points will be awarded to grant proposals that target areas in more than four States (the minimum requirement is four). Applications only compete within their grant region. The grant proposal commits to targeting areas in the following number of States:

- (1) 4 States: 0 points
- (2) 5 States: 5 points
- (3) 6 States: 10 points
- (4) 7 States: 15 points
- (5) More than 7 States: 20 points

Phase II—Project Management

a. The number of successful multi-family or FLH loan or grant applications the applicant entity has assisted in developing and packaging:

- (1) 0–5 applications: 0 points

- (2) 6–10 applications: 10 points
- (3) 11–15 applications: 20 points
- (4) 16 or more applications: 30 points

b. The number of groups seeking loans or grants for the development of multi-family or FLH projects that the applicant entity has provided training and technical assistance.

- (1) 0–5 groups: 0 points
- (2) 6–10 groups: 5 points
- (3) 11–15 groups: 10 points
- (4) 16 or more groups: 15 points

c. The number of multi-family or FLH projects for which the applicant entity has assisted in estimating development and construction costs and obtaining the necessary permits and clearances:

- (1) 0–5 projects: 0 points
- (2) 6–10 projects: 5 points
- (3) 11–15 projects: 10 points
- (4) 16 or more projects: 15 points

d. The number of times the applicant entity has encountered community opposition *and* was able to overcome that opposition so that farm labor housing was successfully developed.

- (1) 0–2 times: 0 points
- (2) 2–5 times: 5 points
- (3) 6–10 times: 10 points
- (4) 11 or more times: 15 points

e. The number of times the applicant entity has been able to leverage funding from two or more sources for the development of a multi-family or FLH project.

- (1) 0–5 times: 0 points
- (2) 6–10 times: 5 points
- (3) 11–15 times: 10 points
- (4) 16 or more times: 15 points

f. The number of FLH projects that the applicant entity has assisted with on-going management (i.e., rent-up, maintenance, etc.):

- (1) 0–5 FLH projects: 0 points
- (2) 6–10 FLH projects: 5 points
- (3) 11–15 FLH projects: 10 points
- (4) 16 or more FLH projects: 15 points

The National Office will rank all pre-applications by region and distribute funds to the regions in rank order and within funding limits.

Tie Breakers—In the event two or more proposals within a region are scored with an equal amount of points, selections will be made in the following order:

1. If an applicant has already had a proposal selected, their proposal will not be selected.

2. If all or none of the applicants with equivalent scores have already had a proposal selected, the lowest cost proposal will be selected.

3. If two or more proposals have equivalent scores, all or none of the applicants have already had a proposal

selected, and the cost is the same, a proposal will be selected by a random lottery drawing.

RHS will notify all applicants whether their pre-applications have been accepted or rejected and provide appeal rights under 7 CFR part 11, as appropriate.

The timing and amount of cash advances shall be as close as administratively feasible to the actual disbursements by the grantee for direct program costs (as identified in the grantee's statement of work and budget

and fund use plan) and proportionate share of any allowable indirect costs.

(c) Grant funds should be promptly refunded to the RHS and redrawn when needed if the funds are erroneously drawn in excess of immediate disbursement needs. The only exceptions to the requirement for prompt refunding are when the funds involved:

In addition, the grantee must submit a SF-272, each time an advance of funds is made. This report shall be used by RHS to monitor cash advances made to the grantee.

(b) Quarterly reports will be submitted within 15 days after the end of each calendar quarter. Quarterly reports shall consist of an original and one copy of SF-425, "Federal Financial Report," and a quarterly performance report summarizing the grantee's activities and accomplishments for the prior quarter. The quarterly performance report will provide a summary of the grantee's activities for the prior quarter and their progress in accomplishing the tasks described in the grantee's statement of work. The quarterly report will also inform RHS of any problems or difficulties the grantee is experiencing (i.e., locating sites, finding feasible markets, gaining public support, etc.). The reports will be reviewed by RHS for the purpose of evaluating whether the grantee is accomplishing the objectives of the grant and whether RHS can assist the grantee in any manner. Quarterly reports shall be submitted to a designated official at the RHS National Office, with a copy of the report to each

State Director within the FLH-TA grant region where the grantee is operating.

(c) Within 90 days after the termination or expiration of the grant agreement, an original and two copies of SF-425, and a final performance report which will include a summary of the project's accomplishments, problems, and planned future activities of the grantee under FLH-TA grants. 13. The results of the program assisted by grant funds may be published by the grantee without prior review by RHS, provided that such publications acknowledge the support provided by funds pursuant to the provisions of Title V of the Housing Act of 1949, as amended, and that five copies of each such publication are furnished to RHS.

14. The grantee certifies that no person or organization has been employed or retained to solicit or secure this grant for a commission, percentage, brokerage, or contingency fee.

15. No person in the United States shall, on the grounds of race, religion, color, sex, familial status, age, national origin, or disability, be excluded from participation in, be denied the proceeds of, or be subject to discrimination in connection with the use of grant funds. (c) Inform RHS as soon as the following types of conditions become known:

(i) Problems, delays, or adverse conditions which materially affect the ability to attain program objectives, prevent the meeting of time schedules or goals, or preclude the attainment of project work units by established time periods. This disclosure shall be accompanied by a statement of the action taken or contemplated, new time schedules required and any RHS assistance needed to resolve the situation.

(ii) Favorable developments or events which enable meeting time schedules and goals sooner than anticipated or producing more work units than originally projected.

18. The grant closeout and termination procedures will be as follows:

(a) Promptly after the date of completion or a decision to terminate a grant, grant closeout actions are to be taken to allow the orderly discontinuation of grantee activity.

In such instances, RHS may reimburse the grantee for eligible costs incurred prior to the effective date of the suspension or termination and may allow all necessary and proper costs which the grantee could not reasonably avoid. RHS will withhold further advances and grantees are prohibited from further use of grant funds, pending corrective action.

(c) Grant termination will be based on the following:

(i) Termination for cause. This grant may be terminated in whole, or in part, at any time before the date of completion, whenever RHS determines that the grantee has failed to comply with the terms of this agreement. The reasons for termination may include, but are not limited to, such problems as:

RHS or the grantee may terminate the grant in whole, or in part, when both parties agree that the continuation of the project would not produce beneficial results commensurate with the further expenditure of funds. The two parties shall agree upon the termination conditions, including the effective date and, in case of partial termination, the portion to be terminated.

(d) RHS shall notify the grantee in writing of the determination and the reasons for and the effective date of the suspension or termination. Except for

The provisions of this grant agreement may be enforced by RHS, at its option and without regard to prior waivers by it or previous defaults of the grantee, by judicial proceedings to require specific performance of the terms of this grant agreement or by such other proceedings in law or equity, in either Federal or state courts, as may be deemed necessary by RHS to assure compliance with the provisions of this grant agreement and the laws and regulations under which this grant is made.

20. Extension of this grant agreement, modifications of the statement of work, or changes in the grantee's budget may be approved by RHS provided, in RHS's opinion, the extension or modification is justified and there is a likelihood that the grantee can accomplish the goals set out and approved in the statement of work during the period of the extension and/or modifications.

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: 2012 Survey of Business

Owners.

OMB Control Number: 0607-0943.

Form Number(s): SBO-1, SBO-1S, SBO-2, SBO-2S.

Type of Request: Reinstatement, with change, of an expired collection.

Burden Hours: 149,167.

Number of Respondents: 875,000.

Average Hours per Response: SBO-1 = 12 minutes, SBO-2 = 8 minutes.

Needs and Uses: The 2012 Survey of Business Owners and Self-Employed Persons (SBO) will provide the only comprehensive, regularly collected source of information on selected economic and demographic characteristics for businesses and business owners by gender, ethnicity, race, and veteran status. It is conducted as part of the economic census program, which is required by law to be taken every five years.

The survey was initiated following an Executive Order signed March 5, 1969, by President Richard Nixon, which directed the Secretary of Commerce to "Establish a center for the development, collection, summarization, and dissemination of information that will be helpful to persons and organizations throughout the nation in undertaking or promoting the establishment and successful operation of minority business enterprise." This project was later incorporated into the 1972 Economic Census and has been conducted on a quinquennial basis as part of the economic census ever since.

Government program officials, industry organization leaders, economic and social analysts, and business entrepreneurs routinely use the SBO statistics. Examples of data use include those by:

- The Small Business Administration (SBA) and the Minority Business Development Agency (MBDA) to assess business assistance needs and allocate available program resources.

- Local government commissions on small and disadvantaged businesses to establish and evaluate contract procurement practices.

- Federal, state and local government agencies as a framework for planning, directing and assessing programs that promote the activities of disadvantaged groups.

- A national women-owned business trade association to assess women-owned businesses by industry and area, and educate other industry associations, corporations and government entities.

- Consultants and researchers to analyze long-term economic and demographic shifts, and differences in ownership and performance among geographic areas.

- Individual business owners to analyze their operations in comparison to similar firms, compute their market share, and assess their growth and future prospects.

Businesses which reported any business activity on any one of the following Internal Revenue Service (IRS) tax forms will be eligible for survey selection: 1040 (Schedule C), "Profit or Loss from Business" (Sole Proprietorship); 1065, "U.S. Return of Partnership Income"; 941, "Employer's Quarterly Federal Tax Return"; 944 "Employer's Annual Federal Tax Return", or any one of the 1120 corporate tax forms.

The 2012 SBO-1 and SBO-2 questionnaires will be mailed in two phases from our processing headquarters in Jeffersonville, Indiana. Approximately 850,000 questionnaires for partnerships and corporations,
