### SUPPLEMENTARY INFORMATION:

#### Additions

On 9/28/2012 (77 FR 59596-59597),  
the Committee for Purchase From  
People Who Are Blind or Severely  
Disabled published notice of proposed  
additions to the Procurement List.

After consideration of the material  
presented to it concerning capability of  
qualified nonprofit agency to provide  
the products and impact of the  
additions on the current or most recent  
contractors, the Committee has  
determined that the products listed  
below are suitable for procurement by  
the Federal Government under 41 U.S.C.  
8501-8506 and 41 CFR 51-2.4.

#### Regulatory Flexibility Act Certification

I certify that the following action will  
not have a significant impact on a  
substantial number of small entities.  
The major factors considered for this  
certification were:

1. The action will not result in any  
additional reporting, recordkeeping or  
other compliance requirements for small  
entities other than the small  
organization that will furnish the  
products to the Government.

2. The action will result in  
authorizing a small entity to furnish the  
products to the Government.

3. There are no known regulatory  
alternatives which would accomplish  
the objectives of the Javits-Wagner-  
O'Day Act (41 U.S.C. 8501-8506) in  
connection with the products proposed  
for addition to the Procurement List.

#### End of Certification

Accordingly, the following products are  
added to the Procurement List:

*COVERAGE:* C-List for 100% of the requirement of the Naval Supply Systems Command (NAVSUP) Fleet Logistics Center, Jacksonville, FL, as aggregated by the Naval Supply Systems Command (NAVSUP) Fleet Logistics Center, Jacksonville, FL.

The Committee for Purchase From People Who Are Blind or Severely Disabled (Committee) has the statutory responsibility to identify products and services that are suitable for procurement by the Government which are produced or provided by qualified nonprofit agencies employing people who are blind or severely disabled. This responsibility applies whether the project is a new requirement, or is currently performed by a commercial contractor or some other provider, such as FPI. The subject requirement was not strategically sourced from any one contractor in the past. Prior to adding any project to the PL, the Committee conducts a suitability review to ensure that the project has employment potential for people who are blind or severely disabled, that the designated nonprofit agency is qualified and capable of meeting the requirement and any level of impact on the current contractor is not severe. Accordingly, after fully reviewing this project, the Committee has determined that it is a suitable project to be added to the Procurement List.
