

The costs of the contracts analyzed were not excessively priced and did not present excessive risks to the government. The NLRB takes pride in monitoring service contracts closely with full cooperation from Contracting Officers, CORs, and Program Staff and Managers. Based on this analysis, we believe we have a balanced mix of contractors to employees and have the resources necessary to continue monitoring contracts effectively and efficiently to reduce risks of personal or inherently governmental contracts. The NLRB is committed to identifying and addressing any new risks related to service contracts, and will meet the challenges with swift and evasive action.

- III. Ordering Paragraphs

I. Introduction

In accordance with 39 U.S.C. 3642 and 39 CFR 3020.30 *et seq.*, the Postal Service filed a formal request and associated supporting information to add Express Mail Contract 14 to the competitive product list.¹ The Postal Service asserts that Express Mail Contract 14 is a competitive product "not of general applicability" within the meaning of 39 U.S.C. 3632(b)(3). *Id.* at 1. The Request has been assigned Docket No. MC2013-41.

The Postal Service contemporaneously filed a redacted contract related to the proposed new product under 39 U.S.C. 3632(b)(3) and 39 CFR 3015.5. *Id.* Attachment B. The instant contract has been assigned Docket No. CP2013-53.

Request. To support its Request, the Postal Service filed six attachments as follows:

- Attachment A—a redacted copy of Governors' Decision No. 11-6, authorizing the new product;

- Attachment B—a redacted copy of the contract;

- Attachment C—proposed changes to the Mail Classification Schedule competitive product list with the addition underlined;

- Attachment D—a Statement of Supporting Justification as required by 39 CFR 3020.32;

- Attachment E—a certification of compliance with 39 U.S.C. 3633(a); and

- Attachment F—an application for non-public treatment of materials to maintain redacted portions of the contract and related financial information under seal.

In the Statement of Supporting Justification, Dennis R. Nicoski, Manager, Field Sales Strategy and Contracts, asserts that the contract will cover its attributable costs, make a positive contribution to covering institutional costs, and increase contribution toward the requisite 5.5 percent of the Postal Service's total institutional costs. *Id.* Attachment D at 1. Mr. Nicoski contends that there will be no issue of market dominant products subsidizing competitive products as a result of this contract. *Id.*

Related contract. The Postal Service included a redacted version of the related contract with the Request. *Id.* Attachment B. The contract is scheduled to become effective the day following the day that the Commission issues all necessary regulatory approval. *Id.* at 4. The contract will expire 3 years from the effective date unless, among other things, either party terminates the agreement upon 30 days' written notice to the other party. *Id.* The Postal Service represents that the contract is consistent with 39 U.S.C. 3633(a). *Id.* Attachment E.

The Postal Service filed much of the supporting materials, including the related contract, under seal. *Id.* Attachment F. It maintains that the redacted portions of the Governors' Decision, contract, customer-identifying information, and related financial information, should remain confidential. *Id.* at 3. This information includes the price structure, underlying costs and assumptions, pricing formulas, information relevant to the customer's mailing profile, and cost coverage projections. *Id.* The Postal Service asks the Commission to protect customer-identifying information from public disclosure indefinitely. *Id.* at 7.

II. Notice of Filings

The Commission establishes Docket Nos. MC2013-41 and CP2013-53 to consider the Request pertaining to the proposed Express Mail Contract 14

¹ Request of the United States Postal Service to Add Express Mail Contract 14 to Competitive Product List and Notice of Filing (Under Seal) of Unredacted Governors' Decision, Contract, and Supporting Data, February 21, 2013 (Request).
