

required to comply with Section 5 of the Act before they may implement any change in a standard, practice, or procedure affecting voting. One option for such compliance is to submit that change to Attorney General for review and establish that the proposed voting changes are not racially discriminatory. The procedures facilitate the provision of information that will enable the Attorney General to make the required determination.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that 5,892 respondents will complete each form within approximately 10.5 hours.

(6) *An estimate of the total public burden (in hours) associated with the collection:* There are an estimated 61,885 total annual burden hours associated with this collection.

Agency Information Collection Activities; Proposed Collection; Comments Requested: Office of Justice Programs' Solicitation Template

ACTION: Correction 30-Day Notice.

This notice was published in the **Federal Register** Volume 78, Number 66, pages 20693-20694, on April 5, 2013, as a 60 day notice. This is a correction to that notice which should have been published as a 30 day notice.

The Department of Justice (DOJ), Office of Justice Programs (OJP), will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act (PRSA) of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. The proposed information was previously published in the **Federal**

Register Volume 78, Number 23, pages 7812-7813, on February 4, 2013, allowing for a 60 day comment period.

Comments are encouraged and will be accepted for thirty days (30) until May 16, 2013. This process is conducted in accordance with 5 CFR 1320.10.

If you have additional comments on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact: Maria Swineford, (202) 616-0109, Office of Audit, Assessment, and Management, Office of Justice Programs, U.S. Department of Justice, 810 Seventh Street NW., Washington, DC 20531 or maria.swineford@usdoj.gov.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information

(1) *Type of Information Collection:* Renewal of a currently approved collection (1121-0329 and 1121-0188).

(2) *The Title of the Form/Collection:* OJP Solicitation Template.

(3) *The Agency Form Number, if any, and the Applicable Component of the Department Sponsoring the Collection:* No form number available. Office of Justice Programs, Department of Justice.

(4) *Affected Public Who Will be Asked or Required to Respond, as well as a Brief Abstract:* The primary respondents are state agencies, tribal governments, local governments, colleges and universities, non-profit organizations, for-profit organizations, and faith-based organizations. The purpose of the

solicitation template is to provide a framework to develop program-specific announcements soliciting applications for funding. A program solicitation outlines the specifics of the funding program; describes requirements for eligibility; instructs an applicant on the necessary components of an application under a specific program (e.g., project activities, project abstract, project timeline, proposed budget, etc.); outlines program evaluation and performance measures; explains selection criteria and the review process; and provides registration dates, deadlines, and instructions on how to apply within the designated application system. This collection is also incorporating the previously approved collection for the OJP Budget Detail Worksheet (1121-0188). The Budget Detail Worksheet is only required during the application process, and therefore should be included in this collection with the solicitation template, reducing the number of OMB PRA reviews and approvals needed. The primary respondents are the same, as listed above, and the worksheet provides auto calculated fields and instructions for the necessary budget information required for each application submission (e.g. personnel/benefits, travel, indirect cost rates, etc.). The form is not mandatory and is recommended as guidance to assist the applicant in preparing their budget as authorized in 28 CFR part 66 and 28 CFR part 70.

(5) *An Estimate of the Total Number of Respondents and the Amount of Time Estimated for an Average Respondent to Respond:* It is estimated that information will be collected annually from approximately 10,000 applicants. Annual cost to the respondents is based on the number of hours involved in preparing and submitting a complete application package. Mandatory requirements for an application include a program narrative and budget details and narrative (formerly 1121-0188). Optional requirements can be imposed depending on the type of program to include, but not limited to: project abstract, indirect cost rate agreement, tribal authorizing resolution, timelines, logic models, memoranda of understanding, letters of support, resumes, disclosure of pending applications, and research and evaluation independence and integrity. Public reporting burden for this collection of information is estimated at up to 32 hours per application. The 32-hour estimate is based on the amount of time to prepare a research and evaluation proposal, one of the most

time intensive types of application solicited by OJP. The estimate of burden hours is based on OJP's prior experience with the research application submission process.

(6) *An Estimate of the Total Public Burden (in hours) Associated with the collection:* The estimated public burden associated with this application is 320,000 hours.

If additional information is required contact: Jerri Murray, Department Clearance Officer, United States Department of Justice, Justice Management Division, Policy and Planning Staff, Two Constitution Square, 145 N Street NE., Room 3W-1407B, Washington, DC 20530.

Dated: April 4, 2013.

Jerri Murray,

Department Clearance Officer for PRA, U.S. Department of Justice.

BILLING CODE 1505-01-D

OFFICE OF MANAGEMENT AND BUDGET

OMB Final Sequestration Report to the President and Congress for Fiscal Year 2013

AGENCY: Executive Office of the President, Office of Management and Budget.

ACTION: Notice of availability of the OMB Final Sequestration Report to the President and Congress for FY 2013.

SUMMARY: Public Law 112-25, the Budget Control Act of 2011 amended

the Balanced Budget and Emergency Deficit Control Act of 1985 (BBEDCA) by reinstating the discretionary spending limits that had expired after 2002. These limits were further revised by P.L. 112-240, the American Taxpayer Relief Act of 2012 (ATRA). Section 254 of BBEDCA requires the Office of Management and Budget (OMB) to issue a Final Sequestration Report after Congress ends a session to determine whether or not a sequestration of discretionary budget authority is required based on OMB scoring of enacted appropriations legislation against those limits. ATRA, however, delayed the release of this report. Based on its scoring of enacted 2013 appropriations, OMB has determined that a sequestration of discretionary budget authority pursuant to section 251 of BBEDCA is not required. As required, these estimates rely on the same economic and technical assumptions used in the President's 2013 Budget, which the Administration transmitted to the Congress on February 13, 2012.

DATES: *Effective Date:* Sec. 254(b). **SUBMISSION AND AVAILABILITY OF REPORTS.**—Each report required by this section shall be submitted, in the case of CBO, to the House of Representatives, the Senate and OMB and, in the case of OMB, to the House of Representatives, the Senate, and the President on the day it is issued. On the following day a notice of the report shall be printed in the **Federal Register**.

ADDRESSES: The OMB Sequestration Reports to the President and Congress is available on-line on the OMB home page at: http://www.whitehouse.gov/omb/legislative_reports/sequestration.

BILLING CODE P

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

Records Schedules; Availability and Request for Comments

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice of availability of proposed records schedules; request for comments.

SUMMARY: The National Archives and Records Administration (NARA) publishes notice at least once monthly of certain Federal agency requests for records disposition authority (records schedules). Once approved by NARA, records schedules provide mandatory instructions on what happens to records when no longer needed for current Government business. They authorize the preservation of records of continuing value in the National Archives of the United States and the destruction, after a specified period, of records lacking administrative, legal, research, or other value. Notice is published for records schedules in which agencies propose to destroy records not previously authorized for disposal or reduce the retention period of records already authorized for disposal. NARA invites public comments on such records schedules, as required by 44 U.S.C. 3303a(a).

DATES: Requests for copies must be received in writing on or before May 16, 2013. Once the appraisal of the records is completed, NARA will send a copy of the schedule. NARA staff usually prepare appraisal memorandums that contain additional information concerning the records covered by a proposed schedule. These, too, may be requested and will be provided once the appraisal is completed. Requesters will be given 30 days to submit comments.

ADDRESSES: You may request a copy of any records schedule identified in this notice by contacting Records Management Services (ACNR) using one of the following means:

Mail: NARA (ACNR), 8601 Adelphi Road, College Park, MD 20740-6001.

Email: request.schedule@nara.gov.

FAX: 301-837-3698.

Requesters must cite the control number, which appears in parentheses after the name of the agency which submitted the schedule, and must provide a mailing address. Those who desire appraisal reports should so indicate in their request.
