information to identify and treat non-compliant taxpayers. Notices are sent to taxpayers who have been identified as potential under-reporters. The notices inform them that their return has been selected for further inquiry since the portion of their reported gross receipts attributable to 1099-K card payments

appear atypically large, which may suggest potential underreporting of non-card payments (e.g. cash). Taxpayers are requested to fill out this form to correct for 1099-K data errors and provide additional information that may explain their outlier figures.

*Affected Public:* Private Sector: Businesses or other for-profits.  
*Estimated Annual Burden Hours:* 22,400.
