Narrow Woven Ribbon With Woven Selvedge From the People's Republic of China: Rescission of Antidumping Duty Administrative Review; 2011-2012

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("the Department") is rescinding the administrative review of the antidumping duty order on narrow woven ribbon with woven selvedge from the People's Republic of China ("PRC") for the period September 1, 2011, through August 31, 2012.

DATES: *Effective Date:* May 7, 2013.

FOR FURTHER INFORMATION CONTACT: Karine Gziryan or Robert Bolling, AD/CVD Operations, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington DC 20230; telephone: (202) 482-4081 or (202) 482-3434, respectively.

SUPPLEMENTARY INFORMATION:

Background

On October 31, 2012, based on timely requests for review by Berwick Offray LLC and its wholly-owned subsidiary Lion Ribbon Company, Inc. ("Petitioner"), Weifang Dongfang Ribbon Weaving Co., Ltd. ("Weifang Dongfang") and Yangzhou Bestpak Gifts

& Crafts Co., Ltd. ("Yangzhou Bestpak"), the Department published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on narrow woven ribbon with woven selvedge from the PRC covering the period September 1, 2011, through August 31, 2012.¹ The review covers 10 companies: Weifang Dongfang, Yangzhou Bestpak, Hubscher Ribbon Corp., Ltd. d/b/a Hubscher Corp., Pacific Imports, Apex Ribbon, Apex Trimmings Inc. d/b/a Papillon Ribbon & Bow (Canada), Intercontinental Skyline, Multicolor, Supreme Laces Inc., Yama Ribbons, and Bows Co., Ltd.

On December 28, 2012, Yangzhou Bestpak and on January 26, 2013, Weifang respectively withdrew their own requests for an administrative review. On January 29, 2013, Petitioner withdrew its request for an administrative review of the remaining eight companies.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of the requested review. In this case, Yangzhou Bestpak, Weifang Dongfang, and Petitioner withdrew their requests within the 90-day deadline and no other parties requested an administrative review of the antidumping duty order. Therefore, we are rescinding the administrative review of narrow woven ribbon with woven selvedge from the PRC for the period September 1, 2011, through August 31, 2012.

Assessment

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries. Because the Department is rescinding this administrative review in its entirety, the entries to which this administrative review pertained shall be assessed antidumping duties at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c). The Department intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice.

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 77 FR 65858 (October 31, 2012) ("Initiation Notice").

Notifications

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a final reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: April 29, 2013.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

National Oceanic and Atmospheric Administration

[Docket No. 130425411-3411-01]

Notice To Extend the Deadline for Applications for the Ocean Exploration Advisory Board (OEAB)

AGENCY: Office of Oceanic and Atmospheric Research (OAR), National Oceanic and Atmospheric Administration (NOAA), Department of Commerce.

ACTION: Notice; Extension of Deadline.

SUMMARY: OAR publishes this notice to extend the deadline for persons with appropriate education, interest, and/or experience to submit applications to become a member of the OEAB. The purpose of the OEAB is to advise the Under Secretary of Commerce for Oceans and Atmosphere on matters pertaining to ocean exploration

including: The identification of priority areas that warrant exploration; the development and enhancement of technologies for exploring the oceans; managing the data and information; and disseminating the results. The OEAB will also provide advice on the relevance of the program with regard to the NOAA Strategic Plan, the National Ocean Policy Implementation Plan, and other relevant guidance documents.

DATES: Application materials should be sent to the address, email, or fax specified and must be received no later than 5:00 p.m., Eastern Time, on June 6, 2013.

ADDRESSES: Submit resume and application materials to Yvette Jefferson via mail, fax, or email. Mail: NOAA, 1315 East-West Highway, SSMC3 Rm. 10315, Silver Spring, MD 20910; Fax: 301-713-1967; email: Yvette.Jefferson@noaa.gov.

FOR FURTHER INFORMATION CONTACT: Yvette Jefferson, NOAA, 1315 East-West Highway, SSMC3 Rm. 10315, Silver Spring, MD 20910; Fax: 301-713-1967; email: Yvette.Jefferson@noaa.gov; Telephone: 301-734-1002.

SUPPLEMENTARY INFORMATION: NOAA's Ocean Exploration Program (OE) is part of the NOAA Office of Ocean Exploration and Research. The mission of the OE is to increase the Nation's understanding of the world's largely unknown ocean through interdisciplinary expeditions and projects to investigate unknown and poorly known ocean areas and phenomena.

Specific goals include:

- (1) Mapping and characterizing physical, chemical, and biological ocean environments, as well as submerged cultural history;
- (2) Investigating ocean dynamics and interactions in new places and at new scales;
- (3) Developing new ocean sensors and systems to increase the pace and efficiency of ocean exploration; and
- (4) Disseminating information to a broad spectrum of users through formal and informal education and outreach programs.

For more information on OE please visit the Web sites: <http://Oceanexplorer.noaa.gov> and <http://explore.noaa.gov>. On October 29, 2012, NOAA published a notice in the **Federal Register** soliciting applications for membership on the OEAB (77 FR 65536). After reviewing the applications received to date, NOAA has decided to extend the deadline for submissions to achieve balance across the diverse sectors of the ocean exploration community. If you have already

submitted an application for the OEAB, you do not need to do anything else at this time.

This notice extends the deadline for submitting applications for membership on the OEAB. The purpose of the OEAB is to advise the Under Secretary of Commerce for Oceans and Atmosphere (Under Secretary), who is also the Administrator of NOAA, on matters pertaining to ocean exploration including: The identification of priority areas that warrant exploration; the development and enhancement of technologies for exploring the oceans; managing the data and information; and, disseminating the results. The OEAB will also provide advice on the relevance of the program with regard to the NOAA Strategic Plan, the National Ocean Policy Implementation Plan, and other relevant guidance documents.

Authority to Which the Committee Reports: The Board will report to the Under Secretary, as directed by Section 12005 of the Outer Continental Shelf Lands Act (43 U.S.C. 1331 et seq.) part of the Omnibus Public Land Management Act of 2009 (33 U.S.C. 3405). The OEAB shall function solely as an advisory body in accordance with the Federal Advisory Committee Act (FACA), as amended, 5 U.S.C. App., with the exception of section 14.

Description of Duties: The Board shall:

a. Advise the Under Secretary on all aspects of ocean exploration including areas, features, and phenomena that warrant exploration; and other areas of program operation, including development and enhancement of technologies for exploring the ocean, managing ocean exploration data and information, and disseminating the results to the public, scientists, and educators;

b. Assist the program in the development of a 5-year strategic plan for the fields of ocean, marine, and Great Lakes science, exploration, and discovery, as well as making recommendations to NOAA on the evolution of the plan based on results and achievements;

c. Annually review the quality and effectiveness of the proposal review process established under Section 12003(a)(4); and

d. Provide other assistance and advice as requested by the Under Secretary.

Points of View: The OEAB will consist of approximately ten members including a Chair and Co-chair, designated by the Under Secretary in accordance with FACA requirements. Consideration will be given to candidates who are experts in fields relevant to ocean exploration, including

ocean scientists, engineers and technical experts, educators, social scientists, and communications experts. Membership will be open to all individuals who have degrees, professional qualifications, scientific credentials, national reputations, international reputations, or relevant experience that will enable them to provide expert advice concerning the OE's roles within the context of NOAA's ocean missions and policies. Members will be appointed for 3-year terms, renewable once, and serve at the discretion of the Under Secretary. The Chair and Co-chair will serve 3-year terms renewable once. Initial appointments will include: Four members serving an initial 3-year term, three members serving an initial 4-year term and three members serving an initial 5-year term. All renewals will be 3-year terms. If a member resigns before the end of his or her first term, the vacancy appointment shall be for the remainder of the unexpired term, and shall be renewable twice if the unexpired term is less than one year.

Members will be appointed as special government employees (SGEs) and will be subject to the ethical standards applicable to SGEs. Members are reimbursed for actual and reasonable expenses incurred in performing such duties but will not be reimbursed for their time.

As a Federal Advisory Committee the OEAB's membership is required to be balanced in terms of viewpoints represented and the functions to be performed as well as including the interests of geographic regions of the country and the diverse sectors of our society.

The OEAB will meet two times each year, exclusive of subcommittee, task force, and working group meetings.

Applications

An application is required to be considered for OEAB membership. To apply, submit a current resume (maximum length 4 pages) as indicated in the **ADDRESSES** section that includes: (1) The applicant's full name, title, institutional affiliation, and contact information (mailing address, email, telephones, fax); (2) the applicant's area(s) of expertise; and (3) a short description of his/her qualifications relative to the kinds of advice being solicited. A cover letter stating their interest in serving on the OEAB and highlighting specific areas of expertise relevant to the purpose of the OEAB is required.
