[Docket No. DHS-2013-0006]

Privacy Act of 1974; Computer Matching Program

AGENCY: Department of Homeland Security/U.S. Citizenship and Immigration Services.

ACTION: Notice.

Overview Information: Privacy Act of 1974; Computer Matching Program between the Department of Homeland Security/U.S. Citizenship and Immigration Services and the California Department of Social Services.

SUMMARY: This document provides notice of the existence of a Computer Matching Agreement that establishes a computer matching program between

the Department of Homeland Security/U.S. Citizenship and Immigration Services and the California Department of Social Services.

SUPPLEMENTARY INFORMATION: The Department of Homeland Security/U.S. Citizenship and Immigration Services provides this notice in accordance with The Privacy Act of 1974 (5 U.S.C. 552a), as amended by the Computer Matching and Privacy Protection Act of 1988 (Pub. L. 100-503) and the Computer Matching and Privacy Protection Amendments of 1990 (Pub. L. 101-508) (Privacy Act); Office of Management and Budget (OMB) Final Guidance Interpreting the Provisions of Public Law 100-503, the Computer Matching and Privacy Protection Act of 1988, 54 FR 25818 (June 19, 1989); and OMB Circular A-130, Appendix I, 65 FR 77677 (December 12, 2000).

Participating Agencies: The Department of Homeland Security/U.S. Citizenship and Immigration Services (DHS/USCIS) is the source agency and the California Department of Social Services (CA-DSS) is the recipient agency.

Purpose of the Match: The Computer Matching Agreement (Agreement) that establishes this computer matching program allows DHS/USCIS to provide CA-DSS with electronic access to immigration status information contained within the DHS/USCIS Verification Information System (VIS). The immigration status information will enable CA-DSS to determine whether an applicant is eligible for benefits under the Temporary Assistance for Needy Families (TANF) program and Supplemental Nutrition Assistance Program (SNAP) program administered by CA-DSS.

Authority for Conducting the Matching Program: Section 121 of the Immigration Reform and Control Act (IRCA) of 1986, Public Law 99-603, as amended by the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA), requires DHS to establish a system for the verification of immigration status of alien applicants for, or recipients of, certain types of benefits as specified in IRCA, and to make this system available to state agencies that administer such benefits. Section 121(c) of IRCA amends Section 1137 of the Social Security Act and certain other sections of law that pertain to Federal entitlement benefit programs to require state agencies administering these programs to use the DHS/USCIS verification system to make eligibility determinations in order to prevent the issuance of benefits to alien applicants who are not entitled to program benefits
