

chemical residues. This included sampling of the lagoon sediment, surrounding area and monitoring wells. The scope of the sampling was developed by Foth Infrastructure and Environment in close consultation with the MDNR. With the exceptions of methylene chloride and 2-methyl-4-chlorophenoxyacetic acid (MCPA) found in the sediment and the lagoon floor, all required analytes were either absent or below the acceptable concentrations. The measurable presence of methylene chloride and MCPA were taken into account for the final grading plan. The executed grading plan, including a buffer of soil at least three feet thick over the top of and lateral to any sediment mixture in the sanitary lagoon, was adequate to prevent any unacceptable exposure pathway based on Missouri Risk-Based Corrective Actions. Since there is no unacceptable chemical exposure pathway from the lagoon placement, the proposed action, with respect to chemical exposure, will not have a significant effect on the quality of the human environment.

Based on the above discussion, the Commission has determined under NEPA and the Commission's regulations in Subpart A of 10 CFR part 51, that the proposed license amendment does not constitute a major Federal action significantly affecting the quality of the human environment and, therefore, an environment impact statement is not required. The Commission concludes that the proposed action to grant a license amendment is authorized by law will not endanger life, property, or the common defense and security and is otherwise in the public interest as it will allow the licensee to release its sanitary lagoon and the surrounding effluent discharge area for unrestricted use.

The staff consulted with the MDNR, and the MDNR had no comments on the proposed license amendment.

III. Finding of No Significant Impact

The NRC has prepared this EA in support of the proposed action. On the basis of this EA, the NRC finds that there are no significant environmental impacts from the proposed action, and that preparation of an environmental impact statement is not warranted. Accordingly, the NRC has determined that a Finding of No Significant Impact is appropriate.

Table of Contents

- I. Introduction
- II. Notice of Filing
- III. Ordering Paragraphs

I. Introduction

In accordance with 39 U.S.C. 3642 and 39 CFR 3020.30 *et seq.*, the Postal Service filed a formal request and associated supporting information to add Express Mail Contract 13 to the

competitive product list.¹ The Postal Service asserts that Express Mail Contract 13 is a competitive product "not of general applicability" within the meaning of 39 U.S.C. 3632(b)(3). Request at 1. The Request has been assigned Docket No. MC2013-32.

The Postal Service contemporaneously filed a redacted contract related to the proposed new product under 39 U.S.C. 3632(b)(3) and 39 CFR 3015.5. *Id.* Attachment B. The instant contract has been assigned Docket No. CP2013-41. *Request.* To support its Request, the Postal Service filed six attachments as follows:

- Attachment A—a redacted copy of Governors' Decision No. 11-6, authorizing the new product;
- Attachment B—a redacted copy of the contract;
- Attachment C—proposed changes to the Mail Classification Schedule competitive product list with the addition underlined;
- Attachment D—a Statement of Supporting Justification as required by 39 CFR 3020.32;
- Attachment E—a certification of compliance with 39 U.S.C. 3633(a); and
- Attachment F—an application for non-public treatment of materials to maintain redacted portions of the contract and related financial information under seal.

In the Statement of Supporting Justification, Dennis R. Nicoski, Manager, Field Sales Strategy and Contracts, asserts that the contract will cover its attributable costs, make a positive contribution to covering institutional costs, and increase contribution toward the requisite 5.5 percent of the Postal Service's total institutional costs. *Id.* Attachment D at 1. Mr. Nicoski contends that there will be no issue of market dominant products subsidizing competitive products as a result of this contract. *Id.*

Related contract. The Postal Service included a redacted version of the related contract with the Request. *Id.* Attachment B. The contract is scheduled to become effective one business day following the day that the Commission issues all necessary regulatory approval. *Id.* at 3. The contract will expire 3 years from the effective date unless, among other things, either party terminates the agreement upon 30 days' written notice to the other party. *Id.* The Postal Service represents that the contract is consistent

with 39 U.S.C. 3633(a). *Id.* Attachment E.

The Postal Service filed much of the supporting materials, including the related contract, under seal. *Id.* Attachment F. It maintains that the redacted portions of the Governors' Decision, contract, customer-identifying information, and related financial information, should remain confidential. *Id.* at 3. This information includes the price structure, underlying costs and assumptions, pricing formulas, information relevant to the customer's mailing profile, and cost coverage projections. *Id.* The Postal Service asks the Commission to protect customer-identifying information from public disclosure indefinitely. *Id.* at 7.

II. Notice of Filings

The Commission establishes Docket Nos. MC2013-32 and CP2013-41 to consider the Request pertaining to the proposed Express Mail Contract 13 product and the related contract, respectively.

Interested persons may submit comments on whether the Postal Service's filings in the captioned dockets are consistent with the policies of 39 U.S.C. 3632, 3633, or 3642, 39 CFR 3015.5, and 39 CFR part 3020, subpart B. Comments are due no later than January 22, 2013. The public portions of these filings can be accessed via the Commission's Web site (<http://www.prc.gov>).

The Commission appoints Lawrence E. Fenster to serve as Public Representative in these dockets.

It is ordered:

1. The Commission establishes Docket Nos. MC2013-32 and CP2013-41 to consider the matters raised in each docket.

2. Pursuant to 39 U.S.C. 505, Lawrence E. Fenster is appointed to serve as officer of the Commission (Public Representative) to represent the interests of the general public in these proceedings.

3. Comments by interested persons in these proceedings are due no later than January 22, 2013.
