

Reviews,<sup>8</sup> because the weighted-average dumping margins for these two companies are *de minimis* or zero, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.<sup>9</sup>

For the companies which were not selected for individual examination, we have used as the assessment rate the cash deposit rate assigned to these exporters, in accordance with our practice. See, e.g., *Certain Frozen Warmwater Shrimp From India: Final Results of Antidumping Duty Administrative Review and Final No Shipment Determination*, 77 FR 48048, 40853 (July 11, 2012).

The Department intends to issue assessment instructions to CBP 15 days after the date of publication of these final results of review.

The Department clarified its “automatic assessment” regulation on May 6, 2003. See *Assessment Policy Notice*. This clarification applies to entries of subject merchandise during the POR produced by companies included in these final results of review for which the reviewed companies did not know that the merchandise they sold to an intermediary (e.g., a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate established in the less-than-fair-value (LTFV) investigation if there is no rate for the intermediate company(ies) involved in the transaction. See *Assessment Policy Notice* for a full discussion of this clarification.

### Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rates for the reviewed companies will be the rates shown above, except if the rate is less than 0.50 percent, *de minimis* within the meaning of 19 CFR 351.106(c)(1), the cash deposit will be zero; (2) for previously reviewed or investigated companies not listed above, as well as those companies listed in the “Determination of No

Shipments” section, above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a previous review, or the original LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 10.17 percent, the all-others rate established in the LTFV investigation.<sup>10</sup> These deposit requirements, when imposed, shall remain in effect until further notice.

### Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

### Notification to Interested Parties

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This administrative review and notice are published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: July 10, 2013.

### Certain Frozen Warmwater Shrimp From Thailand: Final Results of Antidumping Duty Administrative Review, Partial Rescission of Review, and Revocation of Order (in Part); 2011–2012

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** On March 12, 2013, the Department of Commerce (the Department) published the preliminary results of the administrative review of the antidumping duty order on certain frozen warmwater shrimp (shrimp) from Thailand. The period of review (POR) is February 1, 2011, through January 31, 2012. Based on our analysis of the comments received, we have made certain changes in the margin calculations. Therefore, the final results differ from the preliminary results. The final weighted-average dumping margins for the reviewed firms are listed below in the section entitled “Final Results of the Review.” We have also determined to revoke the antidumping duty order with respect to shrimp from Thailand produced and exported by Marine Gold Products Limited (MRG) and to rescind the review with respect to two firms. Finally, we find that 11 companies had no shipments of subject merchandise during the POR.

**DATES:** *Effective Date:* July 16, 2013.

**FOR FURTHER INFORMATION CONTACT:** Blaine Wiltse or Dennis McClure, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone (202) 482–6345 or (202) 482–5973, respectively.

### Background

This review covers 149<sup>1</sup> producers/exporters. The respondents which the Department selected for individual examination are MRG and Thai Union Frozen Products Public Co., Ltd./Thai Union Seafood Co., Ltd. (collectively, Thai Union). The respondents which were not selected for individual

<sup>1</sup> This figure does not include those companies for which the Department is rescinding the administrative review.

<sup>8</sup> See *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Duty Proceedings; Final Modification*, 77 FR 8101 (February 14, 2012) (*Final Modification for Reviews*).

examination are listed in the "Final Results of the Review" section of this notice.

On March 12, 2013, the Department published the *Preliminary Results*.<sup>2</sup>

On April 2, 2013, we notified parties of our intent to rescind the review for a company not selected for individual examination, Kosamut Frozen Foods Co., Ltd. (Kosamut) because it is neither a producer nor an exporter of subject merchandise.<sup>3</sup> We provided parties an opportunity to comment on this preliminary decision. No party commented on the intent to rescind the review for Kosamut. Also in April 2013, we received case and rebuttal briefs from the Ad Hoc Shrimp Trade Action Committee (the petitioner), the American Shrimp Processors Association, as well as from MRG and Thai Union (collectively, "the respondents") regarding the *Preliminary Results*.

The Department has conducted this administrative review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

#### Scope of the Order

The merchandise subject to the order is certain frozen warmwater shrimp.<sup>4</sup> The product is currently classified under the Harmonized Tariff Schedule of the United States (HTSUS) subheadings: 0306.17.00.03, 0306.17.00.06, 0306.17.00.09, 0306.17.00.12, 0306.17.00.15, 0306.17.00.18, 0306.17.00.21, 0306.17.00.24, 0306.17.00.27, 0306.17.00.40, 1605.21.10.30, and 1605.29.10.10. Although the HTSUS numbers are provided for convenience and customs purposes, the written product description remains dispositive.

#### Determination of No Shipments

As noted in the *Preliminary Results*, we received no-shipment claims from 13 companies named in the *Initiation*

*Notice*.<sup>5</sup> We confirmed the claims of 11 of these companies with U.S. Customs and Border Protection (CBP). Therefore, because we find that the record indicates that the 11 companies listed below did not export subject merchandise to the United States during the POR, we determine that they had no reviewable transactions during the POR. These companies are:

- (1) Anglo-Siam Seafoods Ltd.
- (2) Daedong (Thailand) Co. Ltd.
- (3) Leo Transport Corporation Ltd.
- (4) Grobest Frozen Foods Co.
- (5) Lucky Union Foods Co., Ltd.
- (6) Namprick Maesri Ltd. Part.
- (7) S&P Syndicate Public Company Ltd.
- (8) S.K. Foods (Thailand) Public Co. Limited
- (9) Siamchai International Food Co., Ltd.
- (10) Thai Union Manufacturing Company Limited
- (11) V. Thai Food Product Co., Ltd.

See *Preliminary Results*, 78 FR at 15687. As we stated in the *Preliminary Results*,<sup>6</sup> our former practice concerning respondents submitting timely no-shipment certifications was to rescind the administrative review with respect to those companies if we were able to confirm the no-shipment certifications through a no-shipment inquiry with CBP.<sup>7</sup> As a result, in such circumstances, we normally instructed CBP to liquidate any entries from the no-shipment company at the deposit rate in effect on the date of entry.

In our May 6, 2003, clarification of the "automatic assessment" regulation, we explained that, where respondents in an administrative review demonstrate that they had no knowledge of sales through resellers to the United States, we would instruct CBP to liquidate such entries at the all-others rate applicable to the proceeding.<sup>8</sup> As noted in the *Preliminary Results*, because "as entered" liquidation instructions do not alleviate the concerns which the May 2003 clarification was intended to address, we find it appropriate in this case to instruct CBP to liquidate any existing entries of merchandise

produced by the above listed companies and exported by other parties at the all-others rate.<sup>9</sup> In addition, we continue to find that it is more consistent with the May 2003 clarification not to rescind the review in part in these circumstances but, rather, to complete the review with respect to the 11 companies listed above and issue appropriate instructions to CBP based on the final results of this administrative review. See the "Assessment Rates" section of this notice below.

With respect to the two remaining companies (*i.e.*, C Y Frozen Food Co., Ltd. (C Y Frozen Food) and Kosamut), the no-shipment claims received from these companies contained procedural deficiencies.<sup>10</sup> One of these companies, C Y Frozen Food did not remedy the deficiencies prior to these final results. Specifically, we find that there is insufficient evidence on the record of this review to conclude C Y Frozen Food made no shipments of subject merchandise to the United States during the POR because it failed to certify its statement of no shipments in accordance with 19 CFR 351.303(g)(1), despite the Department's request that it do so. Therefore, we have continued to assign it a final dumping margin based on the average of the rates calculated for the mandatory respondents.

Regarding Kosamut, the no-shipment statement received from this company related only to its own exports and not also to those of another affiliated exporter which has, to date, been treated as the same entity as Kosamut for cash deposit purposes. After receiving additional data from Kosamut regarding its relationship with this affiliate, as well as its production facilities and product line, we find that it is appropriate to rescind the review for this company. For further discussion, see the "Rescission, in Part" section of this notice, below.

#### Rescission, in Part

In the *Preliminary Results*, the Department found that Tanaya International Co., Ltd. and Tanaya Intl. (collectively, Tanaya) is neither an exporter nor a manufacturer of the subject merchandise, and it made no entries, exports, or sales of the subject merchandise during the POR. Because no party has commented on this preliminary finding, we continue to find that Tanaya is not an exporter or producer, as defined in 19 CFR 351.213(b), and, accordingly, the Department is rescinding the review

<sup>2</sup> See *Certain Frozen Warmwater Shrimp From Thailand: Preliminary Results of Antidumping Duty Administrative Review and Intent To Revoke the Order (in Part); 2011–2012*, 78 FR 15686 (Mar. 12, 2013) (*Preliminary Results*), and accompanying Preliminary Decision Memorandum.

<sup>3</sup> See the Memorandum from Dennis McClure, Senior Analyst, Office 2, to James Maeder, Director, Office 2, entitled "Frozen Warmwater Shrimp From Thailand: Intent to Rescind Review for Kosamut Frozen Foods Co., Ltd.," dated April 2, 2013 (Kosamut Rescission Memo).

<sup>4</sup> For a complete description of the Scope of the Order, see the "Issues and Decision Memorandum for the Antidumping Duty Administrative Review on Certain Frozen Warmwater Shrimp from Thailand," from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Import Administration, dated concurrently with, and adopted by, this notice (Issues and Decision Memo).

with respect to Tanaya, pursuant to 19 CFR 351.213(d)(3).

Similarly, in March 2013, at our request, we received information from Kosamut indicating that: (1) This company is not a producer or exporter of subject merchandise; and (2) it shares no sales information, production facilities, or employees with The Siam Union Frozen Foods Co., Ltd (Siam Union), an affiliated shrimp producer also involved in this administrative review. After analyzing this information, in April 2013, we preliminarily found that Kosamut and Siam Union are separate entities for purposes of this proceeding. Therefore, we announced our intention to rescind the review for Kosamut because it is not an exporter or producer of subject merchandise.<sup>11</sup> Because no party has commented on this preliminary finding, we continue to find that Kosamut and Siam Union are separate entities, and we are rescinding the review for Kosamut, pursuant to 19 CFR 351.213(d)(3).

#### Determination To Revoke Order, In Part

The Department may revoke, in whole or in part, an antidumping duty order upon completion of a review under section 751 of the Act.<sup>12</sup> While Congress has not specified the procedures that the Department must follow in revoking an order, the Department has developed a procedure for revocation that is described in 19 CFR 351.222. This regulation requires, *inter alia*, that a company requesting revocation must submit the following: 1) a certification that the company has sold the subject merchandise at not less than normal value (NV) in the current review period and that the company will not sell subject merchandise at less than NV in the future; 2) a certification that the company sold commercial quantities of the subject merchandise to the United States in each of the three years forming the basis of the request; and 3) an agreement to immediate reinstatement of the order if the Department concludes that the company, subsequent to the revocation, sold subject merchandise at

less than NV.<sup>13</sup> Upon receipt of such a request to revoke an order in part, the Department will consider: (1) Whether the company in question has sold subject merchandise at not less than NV for a period of at least three consecutive years; (2) whether the company has agreed in writing to its immediate reinstatement in the order, as long as any exporter or producer is subject to the order, if the Department concludes that the company, subsequent to the revocation, sold the subject merchandise at less than NV; and (3) whether the continued application of the antidumping duty order is otherwise necessary to offset dumping.<sup>14</sup>

As noted in the *Preliminary Results*, MRG submitted the proper certifications pursuant to 19 CFR 351.222(e), and requested revocation of the antidumping duty order, in part, based on an absence of dumping for at least three consecutive years. With regard to the criteria of 19 CFR 351.222(b)(2), based on our examination of the data submitted by MRG, we determine that it sold the subject merchandise in the United States in commercial quantities in each of the consecutive years cited by MRG to support its request for revocation.<sup>15</sup> Moreover, we find that MRG did not engage in dumping during the same three years under consideration. Specifically, our final margin calculations show that MRG sold shrimp at not less than NV during the current review period. In addition, MRG sold shrimp at not less than NV in the previous administrative review in which it was individually examined.<sup>16</sup> Moreover, in the course of the current review, we examined MRG's sales and cost data from the 2010–2011 administrative review period for the purpose of determining MRG's eligibility for revocation and determined that MRG did not engage in dumping during the 2010–2011 review period.<sup>17</sup> Therefore, we determine that MRG's exports of subject merchandise qualify for revocation from the order pursuant to 19 CFR 351.222(b)(2).

<sup>13</sup> See 19 CFR 351.222(e)(1).

<sup>14</sup> See 19 CFR 351.222(b)(2)(i). See also *Sebacic Acid From the People's Republic of China: Final Results of Antidumping Duty Administrative Review and Determination To Revoke Order in Part*, 67 FR 69719, 69720 (Nov. 19, 2002).

<sup>15</sup> See the Memorandum to the File, from Blaine Wiltse, Senior Analyst, Office 2, AD/CVD Operations, entitled, "Analysis of Commercial Quantities for Marine Gold Products Limited's Request for Revocation," dated March 4, 2013.

<sup>16</sup> See *Certain Frozen Warmwater Shrimp From Thailand: Final Results of Antidumping Duty Administrative Review and Final No Shipment Determination*, 76 FR 40881, 40883 (July 12, 2011).

<sup>17</sup> See Preliminary Decision Memorandum at 5–7.

Also, we find that application of the antidumping duty order to MRG is no longer warranted because: (1) MRG has agreed to immediate reinstatement of the order if the Department finds that it has resumed making sales at less than NV; and (2) the continued application of the order is not otherwise necessary to offset dumping based on our review of the record. Therefore, we find that MRG qualifies for revocation of the antidumping duty order on shrimp from Thailand under 19 CFR 351.222(b)(2). Accordingly, we are revoking the order with respect to subject merchandise produced and exported by MRG. For further discussion, see the Issues and Decision Memo at Comment 4.

#### Effective Date of Revocation

Pursuant to 19 CFR 351.222(f)(3), this revocation applies to all entries of subject merchandise that are produced and exported by MRG, and are entered, or withdrawn from warehouse, for consumption on or after February 1, 2012 (*i.e.*, the first day after the period under review). The Department will order the suspension of liquidation lifted for all such entries and will instruct CBP to release any cash deposits or bonds. The Department will further instruct CBP to refund with interest any cash deposits on entries made on or after February 1, 2012.

#### Analysis of Comments Received

All issues raised in the case briefs by parties to this administrative review are addressed in the Issues and Decision Memo, which is hereby adopted by this notice. A list of the issues which parties raised and to which we respond in the Issues and Decision Memo is attached to this notice as Appendix I. The Issues and Decision Memo is a public document and is on file electronically via Import Administration's Antidumping and Countervailing Duty Centralized Electronic Service System (IA ACCESS). IA ACCESS is available to registered users at <http://iaaccess.trade.gov> and in the Central Records Unit (CRU), Room 7046 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memo can be accessed directly on the Internet at <http://www.trade.gov/ia/>. The signed Issues and Decision Memo and the electronic versions of the Issues and Decision Memo are identical in content.

#### Changes Since the Preliminary Results

Based on our analysis of the comments received, we made changes in the margin calculations for MRG and Thai Union in these final results.

<sup>11</sup> See the Kosamut Rescission Memo.

<sup>12</sup> In May 2012, the Department amended its regulations to eliminate the provision for revocation of an antidumping or countervailing duty order with respect to individual exporters or producers based on those individual exporters or producers having received antidumping rates of zero for three consecutive years. See *Modification to Regulation Concerning the Revocation of Antidumping and Countervailing Duty Orders*, 77 FR 29875 (May 21, 2012). The Department's amendment applies to all reviews initiated on or after June 20, 2012. The instant review was initiated in April 2012.

Specifically, we altered the targeted dumping analysis for MRG and Thai Union, as well as corrected certain calculation errors and granted a CEP offset for Thai Union. These changes are further discussed in the relevant

sections of the Issues and Decision Memo.

#### Period of Review

The POR is February 1, 2011, through January 31, 2012.

## Disclosure

We intend to disclose the calculations performed within five days of the date of publication of this notice to parties in this proceeding in accordance with 19 CFR 351.224(b).

## Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act, and 19 CFR 351.212(b)(1), the Department has determined, and CBP shall assess, antidumping duties on all appropriate entries of subject merchandise and deposits of estimated duties, where applicable, in accordance with the final results of this review. The Department intends to issue assessment instructions to CBP 15 days after the date of publication of these final results of review.

Pursuant to the *Final Modification for Reviews*,<sup>19</sup> because the respondents' weighted-average dumping margins are zero, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.<sup>20</sup>

The Department clarified its "automatic assessment" regulation on

<sup>18</sup> In the 2007–2008 administrative review, the Department found that the following companies comprised a single entity: Pakfood Public Company Limited, Asia Pacific (Thailand) Co., Ltd., Chaophraya Cold Storage Co. Ltd., Okeanos Co. Ltd., Okeanos Food Co. Ltd., and Takzin Samut Co. Ltd. See *Certain Frozen Warmwater Shrimp from Thailand: Final Results and Partial Rescission of Antidumping Duty Administrative Review*, 74 FR 47551 (Sept. 16, 2009), and accompanying Issues and Decision Memorandum at Comment 6. No party has submitted arguments or evidence that the Department should reconsider this single entity treatment. Accordingly, we have continued to treat these companies as a single entity for purposes of this administrative review.

May 6, 2003. See *Assessment Policy Notice*. This clarification applies to entries of subject merchandise during the POR produced by companies included in these final results of review for which the reviewed companies did not know that the merchandise they sold to an intermediary (e.g., a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate established in the less-than-fair-value (LTFV) investigation if there is no rate for the intermediate company(ies) involved in the transaction. See *Assessment Policy Notice* for a full discussion of this clarification.

## Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rates for the reviewed firms will be equal to the weighted-average dumping margins established in the final results of this administrative review (i.e., zero percent); (2) for previously reviewed or investigated companies not listed above, as well as those companies listed in the "Determination of No Shipments" section, above, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a previous review, or the original LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most

recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 5.34 percent, the all-others rate made effective by the Section 129 Determination.<sup>21</sup> These deposit requirements, when imposed, shall remain in effect until further notice.

## Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

## Notification to Interested Parties

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply

<sup>21</sup> Effective January 16, 2009, there is no longer a cash deposit requirement for certain producers/exporters in accordance with the *Implementation of the Findings of the WTO Panel in United States Antidumping Measure on Shrimp from Thailand: Notice of Determination under Section 129 of the Uruguay Round Agreements Act and Partial Revocation of the Antidumping Duty Order on Frozen Warmwater Shrimp from Thailand*, 74 FR 5638 (Jan. 30, 2009) (Section 129 Determination).

with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing these results of review in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.222.

Dated: July 10, 2013.

## DEPARTMENT OF COMMERCE

### International Trade Administration

[Docket No.: 130708596-3596-01]

### Call for Applications for the International Buyer Program Select Service for Calendar Year 2014

**AGENCY:** International Trade Administration, Department of Commerce.

**ACTION:** Notice and Call for Applications.

**SUMMARY:** The U.S. Department of Commerce (DOC) announces that it will accept applications for the International Buyer Program (IBP) Select service for calendar year 2014 (January 1, 2014 through December 31, 2014). This announcement sets out the objectives, procedures and application review criteria for IBP Select. Under the IBP Select the International Trade Administration (ITA) recruits international buyers to U.S. trade shows to meet with U.S. suppliers exhibiting at those shows. The main difference between IBP and IBP Select is that IBP offers worldwide promotion, whereas IBP Select focuses on promotion and recruitment in no more than five international markets. Specifically, through the IBP Select, the DOC selects

domestic trade shows that will receive DOC assistance in the form of targeted promotion and recruitment in five foreign markets, export counseling to exhibitors, and export counseling and matchmaking services at the trade show. This notice covers selection for IBP Select participation during calendar year 2014. It also announces a new pilot initiative for the IBP Select, which will allow selected trade show organizers to add target markets beyond the five selected markets at a cost.

**DATES:** Applications for IBP Select must be received by August 16, 2013.

**Application:** The IBP Select application is available at <http://www.export.gov/IBP>. Applications must be completed and submitted via the online form.

**FOR FURTHER INFORMATION CONTACT:** Gary Rand, Director, International Buyer Program, Trade Promotion Programs, U.S. and Foreign Commercial Service, International Trade Administration, U.S. Department of Commerce, 1300 Pennsylvania Ave. NW., Ronald Reagan Building, Suite 800M—Mezzanine Level—Atrium North, Washington, DC 20004; Telephone (202) 482-0691; Facsimile: (202) 482-7800; Email: [IBP2014@trade.gov](mailto:IBP2014@trade.gov).

**SUPPLEMENTARY INFORMATION:** The IBP was established in the Omnibus Trade and Competitiveness Act of 1988 (Pub. L. 100-418, title II, § 2304, codified at 15 U.S.C. 4724) to bring international buyers together with U.S. firms by promoting leading U.S. trade shows in industries with high export potential. The IBP emphasizes cooperation between the DOC and trade show organizers to benefit U.S. firms exhibiting at selected events and provides practical, hands-on assistance such as export counseling and market analysis to U.S. companies interested in exporting. Shows selected for the IBP Select will provide a venue for U.S. companies interested in expanding their sales into international markets.

Through the IBP, the DOC selects trade shows that DOC determines to be leading trade shows with participation by U.S. firms interested in exporting. DOC provides successful applicants with assistance in the form of overseas promotion of the show by U.S. Embassies and Consulates; outreach to show participants about exporting; recruitment of potential buyers to attend the events; and staff assistance in setting up and staffing international trade centers at the events. Targeted promotion in no more than five markets can be executed through the overseas offices of ITA or in U.S. Embassies in

countries where ITA does not maintain offices.

ITA is accepting applications for IBP Select from trade show organizers of trade events taking place between January 1, 2014 and December 31, 2014. Selection of a trade show for IBP Select is valid for one event. A trade show organizer seeking selection for a recurring event must submit a new application for selection for each occurrence of the event. For events that occur more than once in a calendar year, the trade show organizer must submit a separate application for each event.

There is no fee required to submit an application. For IBP Select in calendar year 2014, ITA expects to select approximately 10 events from among the applicants. ITA will select those events that are determined to most clearly support the statutory mandate in 15 U.S.C. 4721 to promote U.S. exports, especially those of small- and medium-sized enterprises, and that best meet the selection criteria articulated below. Once selected, applicants will be required to enter into a Memorandum of Agreement (MOA) with the DOC, and submit payment of the \$6,000 2014 participation fee within 30 days of written notification of acceptance into IBP Select. The MOA constitutes an agreement between the DOC and the show organizer specifying which responsibilities for international promotion and export assistance services at the trade shows are to be undertaken by the DOC as part of the IBP Select and, in turn, which responsibilities are to be undertaken by the show organizer. Anyone requesting application information will be sent a sample copy of the MOA along with the link to the online application form and a copy of this **Federal Register** Notice. Applicants are encouraged to review the MOA closely, as IBP Select participants are expected to comply with all terms, conditions, and obligations in the MOA. Trade show organizer obligations include the construction of an International Trade Center at the trade show, production of an export interest directory, and provision of complimentary hotel accommodations for DOC staff as explained in the MOA. The responsibilities to be undertaken by the DOC will be carried out by ITA. ITA responsibilities include targeted promotion of the trade show and, where feasible, recruitment of international buyers to that show from the five target markets identified, provision of on-site export assistance to U.S. exhibitors at the show, and the reporting of results to the show organizer.

For this selection cycle only, ITA is piloting the opportunity for selected
