Applicants' Representations

1. The Trust is organized as a Delaware statutory trust and is registered under the Act as an open-end management investment company. The Trust is currently composed of one series (a "Fund").¹

2. The Adviser, a Delaware limited liability company, is registered as an investment adviser under the Investment Advisers Act of 1940 (the "Advisers Act"). The Adviser serves as the investment adviser to the Fund pursuant to an investment advisory agreement with the Trust (the "Advisory Agreement"). The Advisory Agreement was approved by the Trust's board of trustees (the "Board"),² including a majority of the trustees who are not "interested persons," as defined in section 2(a)(19) of the Act (the "Independent Trustees"), and by the initial shareholder of the Fund in the manner required by sections 15(a) and 15(c) of the Act and rule 18f-2 thereunder. Applicants are not seeking any exemptions from the provisions of the Act with respect to the Advisory Agreement.

3. Under the terms of the Advisory Agreement, the Adviser, subject to the oversight of the Board, manages the investment operations and determines the composition of the portfolio of the Fund, including the purchase, retention,

and disposition of the securities and other instruments held by the Fund, and the portion, if any, of the assets of the Fund to be held uninvested, in accordance with the Fund's current investment objectives, policies, and restrictions. For the services that it provides to the Fund, the Adviser receives a fee from the Fund as specified in the Advisory Agreement computed as a percentage of the Fund's average daily net assets. The Advisory Agreement also authorizes the Adviser to retain one or more Sub-Advisers, subject to the approval of the Board, including a majority of the Independent Trustees, and the shareholders of the Fund (if required by applicable law), for the performance of any of the services for which the Adviser is responsible under the Advisory Agreement. The Adviser has entered into sub-advisory agreements ("Sub-Advisory Agreements") with various Sub-Advisers to provide investment advisory services to the Fund.³ Each Sub-Adviser is, and each future Sub-Adviser will be, an "investment adviser," as defined in section 2(a)(20)(B) of the Act, and is registered, or will register, as an investment adviser under the Advisers Act, or not subject to such registration. The Adviser will evaluate, select and recommend Sub-Advisers to the Board, monitor and evaluate each Sub-Adviser's investment program and results, and review each Fund's compliance with its investment objective, policies and restrictions. The Adviser also will recommend to the Board whether Sub-Advisory Agreements should be renewed, modified or terminated. The Adviser compensates each Sub-Adviser out of the fee paid by a Fund to the Adviser under the Advisory Agreement.

4. Applicants request an order to permit the Adviser, subject to Board approval, to engage Sub-Advisers to manage all or a portion of the assets of a Fund pursuant to a Sub-Advisory Agreement and materially amend Sub-Advisory Agreements without obtaining shareholder approval. The requested relief will not extend to any sub-adviser that is an "affiliated person," as defined in section 2(a)(3) of the Act, of a Fund or the Adviser, other than by reason of serving as sub-adviser to a Fund ("Affiliated Sub-Adviser").

5. Applicants also request an order exempting each Fund from certain

disclosure provisions described below that may require the Funds to disclose fees paid by the Adviser to each Sub-Adviser. Applicants seek an order to permit each Fund to disclose (as a dollar amount and a percentage of a Fund's net assets) only: (a) The aggregate fees paid to the Adviser and any Affiliated Sub-Adviser; and (b) the aggregate fees paid to Sub-Advisers other than Affiliated Sub-Advisers (collectively, the "Aggregate Fee Disclosure"). A Fund that employs an Affiliated Sub-Adviser will provide separate disclosure of any fees paid to the Affiliated Sub-Adviser.

6. The Funds will inform shareholders of the hiring of a new Sub-Adviser pursuant to the following procedures ("Modified Notice and Access Procedures"): (a) Within 90 days after a new Sub-Adviser is hired for any Fund, that Fund will send its shareholders either a Multi-manager Notice or a Multi-manager Notice and Multi-manager Information Statement;⁴ and (b) the Fund will make the Multi-manager Information Statement available on the Web site identified in the Multi-manager Notice no later than when the Multi-manager Notice (or Multi-manager Notice and Multi-manager Information Statement) is first sent to shareholders, and will maintain it on that Web site for at least 90 days.

Applicants' Legal Analysis

1. Section 15(a) of the Act provides, in relevant part, that it is unlawful for any person to act as an investment adviser to a registered investment company except pursuant to a written contract that has been approved by the vote of a majority of the company's outstanding voting securities. Rule 18f-2 under the Act provides that each series or class of stock in a series investment company affected by a matter must approve that matter if the Act requires shareholder approval.

⁴ A "Multi-manager Notice" will be modeled on a Notice of Internet Availability as defined in rule 14a-16 under the Securities Exchange Act of 1934 ("Exchange Act"), and specifically will, among other things: (a) Summarize the relevant information regarding the new Sub-Adviser; (b) inform shareholders that the Multi-manager Information Statement is available on a Web site; (c) provide the Web site address; (d) state the time period during which the Multi-manager Information Statement will remain available on that Web site; (e) provide instructions for accessing and printing the Multi-manager Information Statement; and (f) instruct the shareholder that a paper or email copy of the Multi manager Information Statement may be obtained, without charge, by contacting the Funds. A "Multi-manager Information Statement" will meet the requirements of Regulation 14C, Schedule 14C and Item 22 of Schedule 14A under the Exchange Act for an information statement, except as modified by the requested order to permit Aggregate Fee Disclosure. Multi-manager Information Statements will be filed electronically with the Commission via the EDGAR system.

¹ Applicants also request relief with respect to all existing or future series of the Trust and any other existing or future registered open-end management investment company or series thereof that (a) is advised by the Adviser or an entity controlling, controlled by, or under common control with the Adviser or its successors (each such entity included in the term "Adviser"); (b) uses the multi-manager structure described in the application; and (c) complies with the terms and conditions of the application (included in the term "Funds"). Every existing entity that currently intends to rely on the requested order is named as an applicant. For purposes of the requested order, "successor" is limited to an entity or entities that result from a reorganization into another jurisdiction or a change in the type of business organization. If the name of any Fund contains the name of a Sub-Adviser (as defined below), the name of the Adviser, or a trademark or trade name that is owned by the Adviser, will precede the name of the Sub-Adviser.

² The term "Board" also includes the board of trustees or directors of a future Trust and future Fund, if different.

³ All existing Sub-Advisory Agreements comply with sections 15(a) and (c) of the Act and rule 18f-2 thereunder. Currently, the Adviser has entered into Sub-Advisory Agreements with the following Sub-Advisers: AQR Capital Management, LLC, Dimensional Fund Advisors LP, and Parametric Risk Advisors LLC.

2. Form N-1A is the registration statement used by open-end investment companies. Item 19(a)(3) of Form N-1A requires disclosure of the method and amount of the investment adviser's compensation.

3. Rule 20a-1 under the Act requires proxies solicited with respect to a registered investment company to comply with Schedule 14A under the Exchange Act. Items 22(c)(1)(ii), 22(c)(1)(iii), 22(c)(8) and 22(c)(9) of Schedule 14A, taken together, require a proxy statement for a shareholder meeting at which the advisory contract will be voted upon to include the "rate of compensation of the investment adviser," the "aggregate amount of the investment adviser's fees," a description of the "terms of the contract to be acted upon," and, if a change in the advisory fee is proposed, the existing and proposed fees and the difference between the two fees.

4. Regulation S-X sets forth the requirements for financial statements required to be included as part of a registered investment company's registration statement and shareholder reports filed with the Commission. Sections 6-07(2)(a), (b) and (c) of Regulation S-X require a registered investment company to include in its financial statement information about the investment advisory fees.

5. Section 6(c) of the Act provides that the Commission may exempt any person, security, or transaction or any class or classes of persons, securities, or transactions from any provision of the Act, or from any rule thereunder, if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Applicants state that the requested relief meets this standard for the reasons discussed below.

6. Applicants assert that the shareholders expect the Adviser, subject to the review and approval of the Board, to select the Sub-Advisers who are best suited to achieve the Fund's investment objective. Applicants assert that, from the perspective of the shareholder, the role of the Sub-Adviser is substantially equivalent to the role of the individual portfolio managers employed by traditional investment company advisory firms. Applicants state that requiring shareholder approval of each Sub-Advisory Agreement would impose unnecessary delays and expenses on the Funds, and may preclude the Fund from acting promptly when the Board and the Adviser believe that a change would benefit a Fund and its shareholders. Applicants note that the Advisory

Agreement and any sub-advisory agreement with an Affiliated Sub-Adviser (if any) will continue to be subject to the shareholder approval requirements of section 15(a) of the Act and rule 18f-2 under the Act.

7. Applicants assert that the requested disclosure relief would benefit shareholders of the Funds because it would improve the Adviser's ability to negotiate the fees paid to Sub-Advisers. Applicants state that the Adviser may be able to negotiate rates that are below a Sub-Adviser's "posted" amounts, if the Adviser is not required to disclose the Sub-Advisers' fees to the public. Applicants submit that the requested relief will encourage Sub-Advisers to negotiate lower Sub-Advisory fees with the Adviser if the lower fees are not required to be made public.

Applicants' Conditions

Applicants agree that any order granting the requested relief will be subject to the following conditions:⁵

1. Before a Fund may rely on the order, the operation of the Fund in the manner described in the application will be approved by a majority of the Fund's outstanding voting securities, as defined in the Act, or, in the case of a Fund whose public shareholders purchase shares on the basis of a prospectus containing the disclosure contemplated by condition 2 below, by the initial shareholder(s) before offering the Fund's shares to the public.

2. Each Fund relying on the order will disclose in its prospectus the existence, substance, and effect of the order granted pursuant to this application. Each Fund relying on the order will hold itself out to the public as utilizing the manager of managers structure described in the application. The prospectus will prominently disclose that the Adviser has ultimate responsibility (subject to oversight by the Board) to oversee the Sub-Advisers and recommend their hiring, termination, and replacement.

3. Each Fund will inform shareholders of the hiring of a new Sub-Adviser within 90 days after the hiring of the new Sub-Adviser pursuant to the Modified Notice and Access Procedures.

4. The Adviser will not enter into a sub-advisory agreement with any Affiliated Sub-Adviser without such agreement, including the compensation to be paid thereunder, being approved by the shareholders of the applicable Fund.

⁵ Applicants will only comply with conditions 9, 10, 11, and 12 if they rely on the fee disclosure relief that would allow them to provide Aggregate Fee Disclosure.

5. At all times, at least a majority of the Board will be Independent Trustees, and the nomination of new or additional Independent Trustees will be at the discretion of the then-existing Independent Trustees.

6. Whenever a sub-adviser change is proposed for a Fund with an Affiliated Sub-Adviser, the Board, including a majority of the Independent Trustees, will make a separate finding, reflected in the applicable Board minutes, that such change is in the best interests of the Fund and its shareholders, and does not involve a conflict of interest from which the Adviser or an Affiliated Sub-Adviser derives an inappropriate advantage.

7. The Adviser will provide general management services to each Fund relying on the order, including overall supervisory responsibility for the general management and investment of the Fund's assets and, subject to review and approval by the Board, will: (a) Set each Fund's overall investment strategies; (b) evaluate, select and recommend Sub-Advisers to manage all or a portion of a Fund's assets; (c) allocate and, when appropriate, reallocate the Fund's assets among multiple Sub-Advisers; (d) monitor and evaluate the Sub-Advisers' performance; and (e) implement procedures reasonably designed to ensure that Sub-Adviser(s) comply with the relevant Fund's investment objectives, policies and restrictions.

8. No trustee or officer of a Fund relying on the order, or director, manager, or officer of the Adviser will own directly or indirectly (other than through a pooled investment vehicle that is not controlled by such person) any interest in a Sub-Adviser except for (a) ownership of interests in the Adviser or any entity that controls, is controlled by, or is under common control with the Adviser; or (b) ownership of less than 1% of the outstanding securities of any class of equity or debt of a publicly traded company that is either a Sub-Adviser or an entity that controls, is controlled by or is under common control with a Sub-Adviser.

9. Each Fund relying on the order will disclose in its registration statement the Aggregate Fee Disclosure.

10. Independent legal counsel, as defined in rule 0-1(a)(6) under the Act, will be engaged to represent the Independent Trustees. The selection of such counsel will be within the discretion of the then-existing Independent Trustees.

11. The Adviser will provide the Board, no less frequently than quarterly, with information about the profitability of the Adviser on a per-Fund basis for

each Fund relying on the order. The information will reflect the impact on profitability of the hiring or termination of any Sub-Adviser during the applicable quarter.

12. Whenever a Sub-Adviser is hired or terminated, the Adviser will provide the Board with information showing the expected impact on the profitability of the Adviser.

13. In the event the Commission adopts a rule under the Act providing substantially similar relief to that requested in the application, the requested order will expire on the effective date of that rule.

For the Commission, by the Division of Investment Management, under delegated authority.

Kevin M. O'Neill,
Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-70115; File No. SR-Phlx-2013-80]

Self-Regulatory Organizations; NASDAQ OMX PHLX LLC; Notice of Filing of Proposed Rule Changes to Its Excess Order Fee

August 5, 2013.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 26, 2013, NASDAQ OMX PHLX LLC ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange proposes changes to its Excess Order Fee under Section VIII of the Phlx Fee Schedule. Phlx proposes to implement the proposed rule change on August 1, 2013. The text of the proposed rule change is available on the Exchange's Web site at <http://nasdaqomxphlx.cchwallstreet.com/nasdaqomxphlx/phlx>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

In 2012, Phlx introduced an Excess Order Fee, imposed on NASDAQ OMX PSX ("PSX") market participant identifiers ("MPIDs") that have characteristics indicative of inefficient order entry practices.³ As Phlx explained at the time, inefficient order entry practices may place excessive burdens on the systems of Phlx and its member organizations and may negatively impact the usefulness and life cycle cost of market data.⁴ Market participants that flood the market with orders that are rapidly cancelled or that are priced away from the inside market do little to support meaningful price discovery.

In general, the determination of whether to impose the fee on a particular MPID has been made by calculating the ratio between (i) entered orders, weighted by the distance of the order from the national best bid or offer ("NBBO"), and (ii) orders that execute in whole or in part. The fee has been imposed on MPIDs with an "Order Entry Ratio" of more than 100. The Order Entry Ratio is calculated, and the Excess Order Fee imposed, on a

³ Securities Exchange Act Release Nos. 67004 (May 17, 2012), 77 FR 30581 (May 23, 2012) (SR-Phlx-2012-64) (establishing fee); 67271 (June 27, 2012), 77 FR 39537 (July 3, 2012) (SR-Phlx-2012-85) (modifying terms and conditions of fee).

⁴ See generally Recommendations Regarding Regulatory Responses to the Market Events of May 6, 2010, Joint CFTC-SEC Advisory Committee on Emerging Regulatory Issues, at 11 (February 18, 2011) ("The SEC and CFTC should also consider addressing the disproportionate impact that [high frequency trading] has on Exchange message traffic and market surveillance costs. . . . The Committee recognizes that there are valid reasons for algorithmic strategies to drive high cancellation rates, but we believe that this is an area that deserves further study. At a minimum, we believe that the participants of those strategies should properly absorb the externalized costs of their activity.").

monthly basis. Phlx is now proposing to modify the fee, such that it will be calculated and assessed on the basis of all of a member organization's trading activity on PSX, rather than on an MPID basis. The purpose of this change is to ensure that member organizations do not act in a manner inconsistent with the intent of the fee by spreading inefficient order activity across multiple MPIDs in a manner that allows the MPIDs to avoid a charge that would not be avoided if all of the member organization's activity were aggregated. Thus, the change replaces the term "MPID" with the term "member organization" throughout the text of Rule 7018(d). The rule, as amended, will operate as follows:

For each member organization, the Order Entry Ratio will be the ratio of (i) the member organization's "Weighted Order Total" to (ii) the greater of one (1) or the number of displayed, non-marketable orders⁵ sent to PSX by the member organization during the month that execute in full or in part.⁶ The Weighted Order Total is the number of displayed, non-marketable orders sent to PSX by the member organization, as adjusted by a "Weighting Factor." The applicable Weighting Factor is applied to each order based on its price in comparison to the NBBO at the time of order entry:

Order's price versus NBBO at entry	Weighting factor
Less than 0.20% away	0x
0.20% to 0.99% away	1x
1.00% to 1.99% away	2x
2.00% or more away	3x

Thus, in calculating the Weighted Order Total, an order that was more than 2.0% away from the NBBO would be equivalent to three orders that were 0.50% away. Due to the applicable Weighting Factor of 0x, orders entered less than 0.20% away from the NBBO would not be included in the Weighted Order Total, but would be included in the "executed" orders component of the Order Entry Ratio if they execute in full or part.⁷ In addition, member

⁵ The fee focuses on displayed orders since they have the most significant impact on investor confusion and the quality of market data.

⁶ Thus, in an extreme case where no orders entered by the member organization executed, this component of the ratio would be assumed to be 1, so as to avoid the impossibility of dividing by zero.

⁷ An analogous fee of The NASDAQ Stock Market LLC ("NASDAQ") includes an exclusion from both components of the ratio for orders sent by market makers in securities in which they are registered, through the MPID applicable to the registration. Although Phlx recently adopted rules to allow market maker registration on PSX, the extent of market making to date has been limited.
