##### **I. Background**

Job Corps is the nation's largest residential educational and career technical training program for young Americans. Job Corps was established in 1964 by the Economic Opportunity Act, and currently is authorized by Title I-C of the Workforce Investment Act of 1998. For almost 50 years, Job Corps has helped prepare nearly three million at-risk young people, ages 16 to 24, for success in our nation's workforce. With 125 centers in 48 states, Puerto Rico, and the District of Columbia, Job Corps assists students across the nation in attaining academic credentials, including a High School Diploma (HSD) and/or General Educational Development (GED), and career technical training credentials, including industry-recognized certifications, state licensures, and pre-apprenticeship credentials.

Job Corps is administered by the U.S. Department of Labor (DOL) through the Office of Job Corps and six Regional Offices. DOL awards and administers contracts for the recruiting and screening of new students, center

operations, and the placement and transitional support of graduates and former enrollees. Large and small corporations and nonprofit organizations manage and operate 97 Job Corps centers under contractual agreements with DOL.

These contract Center Operators are selected through a competitive procurement process that evaluates potential operators' technical expertise, proposed costs, past performance, and other factors, in accordance with the Competition in Contracting Act and the Federal Acquisition Regulations. The remaining 28 Job Corps centers, called Civilian Conservation Centers, are operated by the U.S. Department of Agriculture Forest Service, via an interagency agreement. The DOL has a direct role in the operation of Job Corps, and does not serve as a pass-through agency for this program.

#### SUPPLEMENTARY INFORMATION:

##### I. Background

The VETS/USERRA/VP Form 1010 (VETS-1010 Form) is used to file complaints with the Department of Labor's Veterans' Employment and Training Service (VETS) under either the Uniformed Services Employment and Reemployment Rights Act (USERRA) or the laws and regulations related to Veterans' Preference (VP) in Federal employment.

On October 13, 1994, the Uniformed Services Employment and Reemployment Rights Act (USERRA), Public Law 103-353, 108 Stat. 3150 was signed into law. Contained in Title 38, U.S.C., 4301-4335, USERRA is the replacement for the Veterans' Reemployment Rights (VRR) law. The purposes of USERRA laws and regulations are: To minimize disruption to the lives of persons who perform service in the uniformed services (including the National Guard and Reserves), as well as to their employers, their fellow employees, and their communities, by providing for prompt reemployment of such persons upon completion of such service; to encourage individuals to participate in non-career uniformed service by eliminating and minimizing the disadvantages to civilian careers and employment which can result from such service; and to prohibit discrimination in employment and acts of reprisal against persons because of their obligations in the uniformed services, prior service, intention to join the uniformed services, filing of a USERRA claim, seeking assistance concerning an alleged USERRA violation, testifying in

a proceeding, or otherwise assisting in an investigation of a USERRA claim.

The Veterans Employment Opportunities Act (VEOA) of 1998, Public Law 105-339, 112 Stat. 3182, contained in Title 5 U.S.C. 3330a-3330c, authorizes the Secretary of Labor to provide assistance to preference eligible individuals who believe their rights under the veterans' preference laws have been violated, and to investigate claims filed by those individuals. The purposes of veterans' preference laws include: To provide preference for certain veterans over others in Federal hiring from competitive lists of applicants; to allow access and open up Federal job opportunities to veterans that might otherwise be closed to the public; to provide preference eligible veterans with preference over others in retention during reductions in force in Federal agencies.

Four minor changes, listed below, were made to the VETS-1010 Form. We believe they will have no significant impact on the burden hours needed to collect required information and to complete the form. VETS now has an electronic complaint form, the VETS e1010, available on our Web site at: [www.dol.gov/vets](http://www.dol.gov/vets), and which may also be accessed via our USERRA and Veterans' Preference elaws Advisors, available on our Web site at: <http://www.dol.gov/elaws/veterans.html>. The e1010 may be completed and submitted electronically without having to download, print, and mail a signed hard copy to our Atlanta regional lead center. To ensure the continuity between the paper and electronic form, we propose changing the following sections on the VETS-1010 Form:

Phone: (404) 562-2305 will be changed to: (866) 4-USA-DOL ((866)-487-2365).

Section I: Claimant Information, question #5 will be changed from: "Work Phone:" to: "Cell Phone:".

Section II: Uniformed Service Information, the check boxes in question #8 (asking the claimant to designate in which branch of service he or she served) will be changed in order to be consistent with the data fields that are already incorporated in the e1010 version.

Section IV: Claim Information, the labels and content of questions #20 and #21 (asking the claimant to indicate the issues involved in the claim) will be changed in order to be consistent with the data fields that are already incorporated in the e1010 version.
