

the following information in support of a claim that a textile or apparel article from Oman is being imported into the United States in such increased quantities, in absolute terms or relative to the domestic market for that article, and under such conditions as to cause serious damage or actual threat thereof, to a U.S. industry producing an article that is like, or directly competitive with, the imported article: (1) Name and description of the imported article concerned; (2) import data demonstrating that imports of an Omani origin textile or apparel article that are like or directly competitive with the articles produced by the domestic industry concerned are increasing in absolute terms or relative to the domestic market for that article; (3) U.S. domestic production of the like or directly competitive articles of U.S. origin indicating the nature and extent of the serious damage or actual threat thereof, along with an affirmation that to the best of the requester's knowledge, the data represent substantially all of the domestic production of the like or directly competitive article(s) of U.S. origin; (4) imports from Oman as a percentage of the domestic market of the like or directly competitive article; and (5) all data available to the requester showing changes in productivity, utilization of capacity, inventories, exports, wages, employment, domestic prices, profits, and investment, and any other information, relating to the existence of serious damage or actual threat thereof caused by imports from Oman to the industry producing the like or directly competitive article that is the subject of the request. To the extent that such information is not available, the requester should provide best estimates and the basis therefore.

If CITA determines that the request provides the information necessary for it to be considered, CITA will publish a notice in the **Federal Register** with a summary of the request and seeking public comments regarding the request. The comment period shall be 30 calendar days. Any interested party may submit information to rebut, clarify, or correct public comments submitted by any interested party.

CITA will make a determination on any request it considers within 60 calendar days of the close of the comment period. If CITA is unable to make a determination within 60 calendar days, it will publish a notice in the **Federal Register**, including the date it will make a determination.

If a determination under section 322(b) of the Act is affirmative, CITA may provide tariff relief to a U.S. industry to the extent necessary to

remedy or prevent serious damage or actual threat thereof and to facilitate adjustment by the domestic industry to import competition. The import tariff relief is effective beginning on the date that CITA's affirmative determination is published in the **Federal Register**.

Entities submitting requests, responses or rebuttals to CITA may submit both a public and confidential version of their submissions. If the request is accepted, the public version will be posted on the dedicated Oman Free Trade Agreement textile safeguards section of the Office of Textile and Apparel (OTEXA) Web site. The confidential version of the request, responses or rebuttals will not be shared with the public as it may contain business confidential information. Entities submitting responses or rebuttals may use the public version of the request as a basis for responses.

II. Method of Collection

When an interested party files a request for a textile and apparel safeguard action with CITA, ten copies of any such request must be provided in a paper format. If business confidential information is provided, two copies of a non-confidential version must also be provided. To the extent business confidential information is provided, a non-confidential version must also be provided.

III. Data

OMB Control Number: 0625–0266.

Form Number(s): None.

Type of Review: Regular submission (extension of a currently approved collection).

Affected Public: Individuals or households; business or other for-profit organizations.

Estimated Number of Respondents: 6 (1 for Request; 5 for Comments).

Estimated Time Per Response: 4 hours for a Request; and 4 hours for each Comment.

Estimated Total Annual Burden Hours: 24.

Estimated Total Annual Cost to Public: \$960.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the

burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: January 17, 2013.

Gwellnar Banks,

Management Analyst, Office of the Chief Information Officer.

Circular Welded Carbon Quality Steel Pipe From the People's Republic of China: Rescission of Antidumping Duty Administrative Review; 2011–2012

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (“the Department”) is rescinding the administrative review of the antidumping duty order on circular welded carbon quality steel pipe from the People's Republic of China (“PRC”) for the period July 1, 2011, through June 30, 2012.

DATES: *Effective Date:* January 24, 2013.

FOR FURTHER INFORMATION CONTACT: Thomas Martin or Robert Bolling, AD/CVD Operations, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–3936 or (202) 482–3434, respectively.

SUPPLEMENTARY INFORMATION:

Background

On August 30, 2012, based on timely requests for review by Wheatland Tube Company (“Wheatland”) and LDR Industries, Inc. (“LDR”), the Department published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on circular welded carbon quality steel pipe from the PRC covering the period July 1, 2011, through June 30, 2012.¹

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 77 FR 52688, 52690 (August 30, 2012).

The review covers 27 companies: Adler Steel Ltd., Al Jazeera Steel Products Co. SAOG, Baoshan Iron & Steel Co., Ltd., Benxi Northern Steel Pipes, Co. Ltd., CNOOC Kingland Pipeline Co., Ltd., ETCO (China) International Trading Co., Ltd., Guangzhou Juyi Steel Pipes Co., Ltd., Hefei Zijin Steel Tube Manufacturing Co., Ltd., Huludao City Steel Pipe Industrial, Jiangsu Changbao Steel Tube Co., Ltd., Jiangsu Yulong Steel Pipe Co., Ltd., Liaoning Northern Steel Pipe Co., Ltd., MCC Liaoning Dragon Pipe Industries, Shanghai Zhongyou TIPO Steel Pipe Co., Ltd., SPAT Steel International, SteelFORCE Far East Ltd., Tianjin Baolai International Trade Co., Ltd., Tianjin Huilitong Steel Tube Co., Ltd., Tianjin Longshenghua Import & Export, Tianjin Shuangjie Steel Pipe Co., Ltd., Tianjin Uniglor International Trade Co., Ltd., Weifang East Steel Pipe Co., Ltd., WISCO & CRM Wuhan Material & Trade., Wuxi Fastube Industry Co., Ltd., Xuzhou Global Pipe & Fitting Manufacturing Co., Ltd., Zhejiang Kingland Pipeline Industry Co., Ltd., and Zhongjian Jinpei Steel Pipe Co. Ltd.

On September 7, 2012, LDR withdrew its request for an administrative review of Xuzhou Global Pipe & Fitting Manufacturing Co., Ltd. On November 28, 2012, Wheatland withdrew its request for an administrative review of the remaining 26 companies.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of the requested review. In this case, LDR and Wheatland withdrew their requests within the 90-day deadline and no other parties requested an administrative review of the antidumping duty order. Therefore, we are rescinding the administrative review of circular welded carbon quality steel pipe from the PRC for the period July 1, 2011, through June 30, 2012.

Assessment

The Department will instruct U.S. Customs and Border Protection (“CBP”) to assess antidumping duties on all appropriate entries. Because the Department is rescinding this administrative review in its entirety, the entries to which this administrative review pertained shall be assessed antidumping duties at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19

CFR 351.212(c). The Department intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice.

Notifications

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department’s presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a final reminder to parties subject to administrative protective order (“APO”) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: January 17, 2013.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

BILLING CODE 3510–DS–P

DEPARTMENT OF DEFENSE

Office of the Secretary

[Docket ID DoD–2013–OS–0014]

Proposed Collection; Comment Request

AGENCY: National Geospatial-Intelligence Agency (NGA), DoD.

ACTION: Notice.

In compliance with Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Online GEOINT Services (OGS) directorate of NGA announces a proposed public information collection and seeks public comment on the provisions thereof. Comments are invited on: (a) Whether the proposed collection of information

is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency’s estimate of the burden of the proposed information collection; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Consideration will be given to all comments received by March 25, 2013.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

- **Federal eRulemaking Portal:** <http://www.regulations.gov>. Follow the instructions for submitting comments.

- **Mail:** Federal Docket Management System Office, 4800 Mark Center Drive, East Tower, Suite 02G09, Alexandria, VA 22350–3100.

Instructions: All submissions received must include the agency name, docket number and title for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the Internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please write to the Chief of Account Management, Online GEOINT Services—Customer Account Management (OGSU), National Geospatial-Intelligence Agency, ATTN: Linda White, National Geospatial-Intelligence Agency, 3838 Vogel Road, Arnold, MO 63010–6205 or call OGSU at 636–321–5351.

Title; Associated Form; and OMB Number: OGSU Customer Segmentation Study, OMB Control Number: 0704–TBD.

Needs and Uses: The information collection requirement is necessary to develop customer service models regarding consumers of geospatial information to assist with the development of products and services that best meet mission requirements for those customers.

Affected Public: Contracting personnel working for DoD or Federal Civilian agencies, employees working for other levels of government to include State, Municipal, County or
