#### Sysco Denver LLC, a Subsidiary of Sysco Corporation, IT Department, Denver, Colorado; Notice of Affirmative Determination Regarding Application for Reconsideration

By application dated October 1, 2013, a worker requested administrative reconsideration of the negative determination regarding workers' eligibility to apply for Trade Adjustment Assistance (TAA) applicable to workers and former workers of Sysco Denver LLC, a subsidiary of Sysco Corporation, IT Department, Denver, Colorado (subject firm). The negative determination was issued on September 17, 2013 and the Department's Notice of determination was published in the **Federal Register** on October 24, 2013 (78 FR 63498). Workers at the subject firm were engaged in activities related to the supply of information technology (IT) services.

The negative determination was based on the Department's findings that, with respect to Section 222(a) and Section 222(b) of the Act, Criterion (1) has not been met because a significant number or proportion of the workers in such workers' firm, have not become totally or partially separated, or threatened with such separation.

In addition, the group eligibility requirements under Section 222(e) of the Act have not been satisfied because the workers' firm has not been publicly identified by name by the International Trade Commission as a member of a domestic industry in an investigation resulting in an affirmative finding of serious injury, market disruption, or material injury, or threat thereof.

The request for reconsideration alleges that the two workers at the subject firm location were part of a larger worker group (those supplying IT services at various Sysco Corporation facilities) and that IT functions are being outsourced to India.

The Department has carefully reviewed the request for reconsideration and the existing record, and will conduct further investigation to determine if the workers meet the eligibility requirements of the Trade Act of 1974, as amended.

#### Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the U.S. Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 27th day of November, 2013.

#### Keywell LLC, Frewsburg, New York and Keywell LLC, Falconer, New York; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on November 6, 2013, applicable to workers of Keywell LLC, Frewsburg, New York. The workers are engaged in activities related to the production of scrap stainless, titanium and high temperature alloys. The subject worker group includes workers engaged in employment related to the processing of the metals from scrap for use in other products for customers. The notice will be published soon in the **Federal Register**.

At the request of New York State agency, the Department reviewed the certification for workers of the subject firm. Information shows that the correct city location for 1873 Lyndon Boulevard is Falconer, New York not Frewsburg, New York as indicated on the petition. The original intent of the Chautauqua Workforce Office and the subject firm was to include the Frewsburg, New York and Falconer, New York locations of Keywell LLC in the certification determination.

The intent of the Department's certification is to include all workers of the subject firm who were adversely

affected by increased company imports of scrap stainless steel, titanium and high temperature alloys.

Accordingly, the Department is amending the certification to include workers of the Frewsburg, New York and Falconer, New York locations of Keywell LLC.

The amended notice applicable to TA-W-83,085 and TA-W-83,085A are hereby issued as follows:

All workers of Keywell LLC, Frewsburg, New York (TA-W-83,085) and Keywell LLC, Falconer, New York (TA-W-83,085A), who became totally or partially separated from employment on or after September 10, 2012 through November 6, 2015, and all workers in the group threatened with total or partial separation from employment on the date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

Signed in Washington, DC, this 27th day of November 2013.

#### Johnstown Specialty Castings Inc., a Subsidiary of WHEMCO, Including On-Site Leased Workers From Berkebile Excavating Company, Inc., Johnstown, Pennsylvania; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility To Apply for Worker Adjustment Assistance on June 25, 2013, applicable to workers of Johnstown Specialty Castings, Inc., a subsidiary of WHEMCO, Johnstown, Pennsylvania. The Department's notice of determination was published in the **Federal Register** on July 12, 2013 (Volume 78 FR page 41956).

At the request of three workers, the Department reviewed the certification for workers of the subject firm. The workers were engaged in production of rolling mill rolls.

New information from the company revealed that workers leased from Berkebile Excavating Company, Inc. were employed on-site at the Johnstown, Pennsylvania location of

Johnstown Specialty Castings, Inc., a subsidiary of WHEMCO. The Department has determined that these workers were sufficiently under the control of the subject firm to be considered leased workers.

The intent of the Department's certification is to include all workers of the firm who were adversely affected by increased imports of articles like or directly competitive with rolling mill rolls. Based on these findings, the Department is amending this certification to include workers leased from Berkebile Excavating Company, Inc. working on-site at the Johnstown, Pennsylvania location of Johnstown Specialty Castings, Inc.

The amended notice applicable to TA-W-82,671 is hereby issued as follows:

All workers of Berkebile Excavating Company, Inc., reporting to Johnstown Specialty Castings, Inc., a subsidiary of WHEMCO, Johnstown, Pennsylvania, who became totally or partially separated from employment on or after April 17, 2012, through June 25, 2015, and all workers in the group threatened with total or partial separation from employment on the date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.
