SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549–0213.

Extension:

Rule 17f–7; OMB Control No. 3235–0529, SEC File No. 270–470.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3521) (“Paperwork Reduction Act”), the Securities and Exchange Commission (the “Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for extension of the previously approved collections of information discussed below.

Rule 17f–7 (17 CFR 270.17f–7) permits a fund under certain conditions to maintain its foreign assets with an eligible securities depository, which has to meet minimum standards for a depository. The fund or its investment adviser generally determines whether the depository complies with those requirements based on information provided by the fund’s primary custodian (a bank that acts as global custodian). The depository custody arrangement also must meet certain conditions. The fund or its adviser must receive from the primary custodian (or its agent) an initial risk analysis of the depository arrangements, and the fund’s contract with its primary custodian must state that the custodian will monitor risks and promptly notify the fund or its adviser of material changes in risks. The primary custodian and other custodians also are required to agree to exercise at least reasonable care, prudence, and diligence.

The collection of information requirements in rule 17f–7 are intended to provide workable standards that protect funds from the risks of using foreign securities depositories while assigning appropriate responsibilities to the fund’s primary custodian and investment adviser based on their capabilities. The requirement that the foreign securities depository meet specified minimum standards is
