

place after next winter. Even if industry-led efforts failed, the Commission would still have had enough time to put forward a proposal similar to this in time for the winter of 2015–16. I fear that by releasing this NOPR now, we are doing a disservice to those involved in industry-led efforts, by giving them just enough time to get started, but also ensuring they do not have enough time to complete their work. In retrospect, if the Commission was not fully supportive of giving these groups until the middle of this year to complete discussions, we should have saved everyone the hassle and simply issued a NOPR months ago.

My second concern is related to a concurrent NAESB process the Commission proposes simultaneous to this NOPR. As a consensus-driven organization, NAESB is dependent on all parties having a reason to negotiate and compromise upon sometimes difficult technical issues in which there are vested interests. I worry this effort may be less-than-fruitful now that the Commission has already set out its marker and put its thumb on the scale. Parties that might have had an interest in negotiating in good faith may see little reason to do so if they feel like they will ultimately get from this Commission most of what they wanted in the first place. We have effectively short-circuited any chance for industry to collaborate or compromise in the spirit of true negotiation, perhaps consigning the NAESB process to the same fate we have now given to other consensus-driven efforts.

For these reasons, I respectfully dissent.

Tony Clark
Commissioner

BILLING CODE 6717–01–P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 117

[Docket No. USCG–2013–1021]

RIN 1625–AA09

Drawbridge Operation Regulation; Isle of Wight (Sinepuxent) Bay, Ocean City, MD

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to modify the operating schedule that

governs the US 50 Bridge, over Isle of Wight (Sinepuxent) Bay, mile 0.5, at Ocean City, MD. This proposal would revise the current closure times to accommodate heavy volumes of vehicular traffic following the annual July 4th fireworks show.

DATES: Comments and related material must reach the Coast Guard on or before May 16, 2014.

ADDRESSES: You may submit comments identified by docket number USCG–2013–1021 using any one of the following methods:

(1) Federal eRulemaking Portal:

<http://www.regulations.gov>.

(2) Fax: 202–493–2251.

(3) Mail or Delivery: Docket Management Facility (M–30), U.S. Department of Transportation, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue SE., Washington, DC 20590–0001. Deliveries accepted between 9 a.m. and 5 p.m., Monday through Friday, except federal holidays. The telephone number is 202–366–9329.

See the “Public Participation and Request for Comments” portion of the **SUPPLEMENTARY INFORMATION** section below for instructions on submitting comments. To avoid duplication, please use only one of these four methods.

FOR FURTHER INFORMATION CONTACT: If you have questions on this proposed rule, call or email Mrs. Traci Whitfield, Fifth Coast Guard District Bridge Administration Division, Coast Guard; telephone 757–398–6629, email traci.g.whitfield@uscg.mil. If you have questions on viewing or submitting material to the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone 202–366–9826.

A. Public Participation and Request for Comments

We encourage you to participate in this proposed rulemaking by submitting comments and related materials. All comments received will be posted, without change to <http://www.regulations.gov> and will include any personal information you have provided.

1. Submitting Comments

If you submit a comment, please include the docket number for this proposed rulemaking (USCG–2013–

1021), indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation. You may submit your comments and material online (<http://www.regulations.gov>), or by fax, mail or hand delivery, but please use only one of these means. If you submit a comment online via <http://www.regulations.gov>, it will be considered received by the Coast Guard when you successfully transmit the comment. If you fax, hand deliver, or mail your comment, it will be considered as having been received by the Coast Guard when it is received at the Docket Management Facility. We recommend that you include your name and a mailing address, an email address, or a phone number in the body of your document so that we can contact you if we have questions regarding your submission.

To submit your comment online, go to <http://www.regulations.gov>, type the docket number [USCG–2013–1021] in the “SEARCH” box and click “SEARCH.” Click on “Submit a Comment” on the line associated with this rulemaking. If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit them by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period and may change the rule based on your comments.

2. Viewing Comments and Documents

To view comments, as well as documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number (USCG–2013–1021) in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC, 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

3. Privacy Act

Anyone can search the electronic form of comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor

union, etc.). You may review a Privacy Act notice regarding our public dockets in the January 17, 2008, issue of the **Federal Register** (73 FR 3316).

4. Public Meeting

We do not now plan to hold a public meeting. But you may submit a request for one using one of the four methods specified under **ADDRESSES**. Please explain why one would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the **Federal Register**.

B. Regulatory History and Information

On November 14, 2011 we published a Final rule entitled Drawbridge Operation Regulations; Isle of Wight (Sinepuxent) Bay, Ocean City, MD in the **Federal Register** (76 FR 70346). This rule initially added dates and times that the bridge was allowed to remain in the closed position to accommodate heavy volumes of vehicular traffic due to the annual fireworks show on July 4th or July 5th should inclement weather prevents the event from taking place as planned.

C. Basis and Purpose

The Ocean City Police Department, on behalf of the Maryland Department of Transportation, has requested to change the operating regulation for the US 50 Bridge across Isle of Wight (Sinepuxent) Bay, mile 0.5, at Ocean City, MD. To accommodate the annual Ocean City July 4th fireworks show and the heavy volumes of vehicular traffic that transit across the drawbridge after the show, the Ocean City Police Department requested that the times be changed to remain in the closed position from 9:30 p.m. until 10:30 p.m., to 10:00 p.m. until 11:00 p.m. Since the firework show runs between 9:30 p.m. and 10:00 p.m., there is very little traffic crossing the bridge. However, there remains a high volume of traffic between 10:30 p.m. and 11:00 p.m. This change will better reflect the actual time when the traffic is at its heaviest crossing the bridge. The exact date of the closure will be published locally in the Local Notice to Mariners and Broadcast Notice to Mariners.

The vertical clearance of the bascule bridge is 13 feet above mean high water in the closed position and unlimited in the open position.

D. Discussion of Proposed Rule

The Coast Guard proposes to change § 117.559(c) from the bridge needing not to open from 9:30 p.m. to 10:30 p.m. to needing not to open from 10:00 p.m. to 11:00 p.m. This proposed change in the

rule will allow for a more orderly process of transiting heavy volumes of vehicular traffic following the annual July 4th fireworks show.

E. Regulatory Analyses

We developed this proposed rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on these statutes or executive orders.

1. Regulatory Planning and Review

This proposed rule is not a “significant regulatory action” under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders.

The changes are expected to have minimal impact on maritime traffic transiting the bridge. Mariners can plan their trips in accordance with the revised schedule to minimize delays. Additionally, as mariners are familiar with this event because for the past 12 years the Coast Guard has allowed the bridge to remain in the closed position for it, a bridge closure should not be unexpected.

2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities.

This proposed rule would affect the following entities, some of which might be small entities: The owners or operators of vessels needing to transit through the bridge from 10:00 p.m. until 11:00 p.m., on July 4th or July 5th of every year. This action will not have a significant economic impact on a substantial number of small entities because the rule adds minimal restrictions to the movement of navigation and mariners who plan their transits in accordance with the scheduled bridge closure can minimize

delay. A bridge closure has occurred every year for the past 12 years for this event; therefore, mariners should be familiar with planning their transits accordingly. Vessels that can safely transit under the bridge may do so at any time.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this proposed rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT**, above. The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

4. Collection of Information

This proposed rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520.).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this proposed rule under that Order and have determined that it does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this proposed rule will not result in such an

expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This proposed rule would not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children

We have analyzed this proposed rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

11. Indian Tribal Governments

This proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This proposed rule is not a "significant energy action" under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.ID, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321-4370f), and have made a preliminary determination that this action is one of a category of

actions which do not individually or cumulatively have a significant effect on the human environment. This proposed rule simply promulgates the operating regulations or procedures for drawbridges. This rule is categorically excluded, under figure 2-1, paragraph (32)(e), of the Instruction.

Under figure 2-1, paragraph (32)(e), of the Instruction, an environmental analysis checklist and a categorical exclusion determination are not required for this rule. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

List of Subjects in 33 CFR Part 117

Bridges.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 117 as follows:

PART 117—DRAWBRIDGE OPERATION REGULATIONS

■ 1. The authority citation for part 117 continues to read as follows:

Authority: 33 U.S.C. 499; 33 CFR 1.05-1; Department of Homeland Security Delegation No. 0170.1.

■ 2. Revise § 117.559(c) to read as follows:

§ 117.559 Isle of Wight (Sinepuxent) Bay.

* * * * *

(c) On July 4, the draw need not open from 10:00 p.m. until 11:00 p.m. to accommodate the annual July 4th fireworks show. Should inclement weather prevent the fireworks event from taking place as planned, the draw need not open from 10:00 p.m. until 11:00 p.m. on July 5th to accommodate the annual July 4th fireworks show.

Dated: March 20, 2014.

Steven H. Ratti,

Rear Admiral, U.S. Coast Guard Commander, Fifth Coast Guard District.

[Docket Number USCG-2014-0155]

RIN 1625-AA00

Safety Zone, Atlantic Intracoastal Waterway; Morehead City, NC

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to establish a temporary safety zone on the waters of the Atlantic Intracoastal Waterway at Morehead City, North Carolina. The safety zone is necessary to provide for the safety of mariners on navigable waters during maintenance on the U.S. 70 Fixed Bridge crossing the Atlantic Intracoastal Waterway, mile 203.7, at Morehead City, North Carolina. The safety zone will temporarily restrict vessel movement within the designated area.

DATES: Comments and related material must be received by the Coast Guard on or before May 1, 2014.

ADDRESSES: You may submit comments identified by docket number using any one of the following methods:

(1) *Federal eRulemaking Portal:*
<http://www.regulations.gov>.

(2) *Fax:* 202-493-2251.

(3) *Mail or Delivery:* Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue SE., Washington, DC 20590-0001. Deliveries accepted between 9 a.m. and 5 p.m., Monday through Friday, except federal holidays. The telephone number is 202-366-9329.

See the "Public Participation and Request for Comments" portion of the **SUPPLEMENTARY INFORMATION** section below for further instructions on submitting comments. To avoid duplication, please use only one of these three methods.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email CWO4 Joseph M. Edge, U.S. Coast Guard Sector North Carolina; telephone 252-247-4525, email Joseph.M.Edge@uscg.mil. If you have questions on viewing or submitting material to the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone (202) 366-9826.
