

requirements of Section 10(a)(1)(B) of the Act. We will also evaluate whether issuance of the ITP would comply with Section 7(a)(2) of the Act by conducting an intra-Service Section 7 consultation.

Public Review

We provide this notice under section 10(c) of the Act and the National Environmental Policy Act of 1969, as amended (NEPA), NEPA's public involvement regulations (40 CFR 1500.1(b), 1500.2(d), and 1506.6). We are requesting comments on our determination that the applicants' proposal will have a minor or negligible effect on the Mount Hermon June beetle and that the plan qualifies as a low-effect HCP as defined by our 1996 Habitat Conservation Planning Handbook. We will evaluate the permit application, including the plan and comments, we receive, to determine whether the application meets the requirements of section 10(a)(1)(B) of the Act. We will use the results of our internal Service consultation, in combination with the above findings, in our final analysis to determine whether to issue the permits. If the requirements are met, we will issue an ITP to the applicant for the incidental take of Mount Hermon June beetle. We will make the final permit decision no sooner than 30 days after the date of this notice.

Public Comments

If you wish to comment on the permit applications, plans, and associated documents, you may submit comments by any one of the methods in **ADDRESSES**.

Public Availability of Comments

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public view, we cannot guarantee that we will be able to do so.

Authority

We provide this notice under section 10 of the Act (16 U.S.C. 1531 et seq.) and NEPA regulations (40 CFR 1506.6).

Dated: April 8, 2014.

Stephen P. Henry,
Acting Field Supervisor, Ventura Fish and Wildlife Office, Ventura, California.

Agency Information Collection Activities: Request for Comments

AGENCY: U.S. Geological Survey (USGS), Interior.

ACTION: Notice of an extension of a currently approved information collection (1028-0070).

SUMMARY: We (the U.S. Geological Survey) will ask the Office of Management and Budget (OMB) to approve the information collection (IC) described below. This collection consists of one form, '9-4117-MA, Consolidated Consumers' Report'. As required by the Paperwork Reduction Act (PRA) of 1995, and as part of our continuing efforts to reduce paperwork and respondent burden, we invite the general public and other Federal agencies to take this opportunity to comment on this IC. This collection is scheduled to expire on April 30, 2014.

DATES: To ensure that your comments are considered, OMB must receive them on or before May 15, 2014.

ADDRESSES: Please submit your written comments on this information collection directly to the Office of Management and Budget, Office of Information and Regulatory Affairs, Attention: Desk Officer for the Department of the Interior, at *OIRA.SUBMISSION@omb.eop.gov* (email); or (202) 395-5806 (fax). Please also forward a copy of your comments to the Information Collection Clearance Officer, U.S. Geological Survey, 807 National Center, 12201 Sunrise Valley Drive, Reston, VA 20192 (mail); 703-648-7195 (fax); or *gs-info_collections@usgs.gov* (email). Reference "Information Collection 1028-0070, Consolidated Consumers' Report" in all correspondence.

FOR FURTHER INFORMATION CONTACT: Michael J. Magyar at 703-648-4910 (telephone); *mmagyar@usgs.gov* (email); or by mail at U.S. Geological Survey, 988 National Center, 12201 Sunrise Valley Drive, Reston, VA 20192. You may also find information about this ICR at *www.reginfo.gov*.

SUPPLEMENTARY INFORMATION:

I. Abstract

Respondents to this form supply the USGS with domestic consumption data for 12 metals and ferroalloys, some of which are considered strategic and critical to assist in determining stockpile goals. These data and derived

information will be published as chapters in Minerals Yearbooks, monthly Mineral Industry Surveys, annual Mineral Commodity Summaries, and special publications, for use by Government agencies, industry education programs, and the general public.

II. Data

OMB Control Number: 1028-0070.

Form Number: 9-4117-MA.

Title: Consolidated Consumers' Report.

Type of Request: Extension of a currently approved collection.

Affected Public: Business or Other-For-Profit Institutions: U.S. nonfuel minerals consumers of ferrous and related metals.

Respondent Obligation: None. Participation is voluntary.

Frequency of Collection: Monthly and Annually.

Estimated Number of Annual Responses: 1,904.

Annual Burden Hours: 1,428 hours, based on an estimated average of 45 minutes per response.

Estimated Reporting and Recordkeeping "Non-Hour Cost" Burden: There are no "non-hour cost" burdens associated with this collection of information.

Public Disclosure Statement: The PRA (44 U.S.C. 3501, et seq.) provides that an agency may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number and current expiration date.

III. Request for Comments

On December 24, 2013, a 60-day **Federal Register** notice (78 FR 77704) was published announcing this information collection. Public comments were solicited for 60 days ending February 24, 2014. We did not receive any public comments in response to that notice. We again invite comments as to: (a) Whether the proposed collection of information is necessary for the agency to perform its duties, including whether the information is useful; (b) the accuracy of the agency's estimate of the burden time to the proposed collection of information; (c) how to enhance the quality, usefulness, and clarity of the information to be collected; and (d) how to minimize the burden on the respondents, including the use of automated collection techniques or other forms of information technology.

Please note that the comments submitted in response to this notice are a matter of public record. Before including your personal mailing address, phone number, email address,

or other personally identifiable information in your comment, you should be aware that your entire comment, including your personally identifiable information, may be made publicly available at any time. While you can ask us in your comment to withhold your personally identifiable information from public view, we cannot guarantee that it will be done.

Michael J. Magyar,

Associate Director, National Minerals Information Center, U.S. Geological Survey.

Nisqually Indian Tribe—Title 29— Liquor—Nisqually Liquor Ordinance

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice.

SUMMARY: This notice publishes the amendment to Nisqually Indian Tribe's Title 29—Liquor—Nisqually Liquor Ordinance. The Ordinance regulates and controls the possession, sale and consumption of liquor within the Nisqually Indian Tribe's Reservation and Indian country. The Ordinance will increase the ability of the tribal government to control the distribution and possession of liquor within their reservation and Indian country, and at the same time will provide an important source of revenue, the strengthening of the tribal government and the delivery of tribal services.

DATES: *Effective Date:* This Amendment is effective 30 days after April 15, 2014.

FOR FURTHER INFORMATION CONTACT:

Betty Scissions, Tribal Government Officer, Northwest Regional Office, Bureau of Indian Affairs, 911 NE 11th Avenue, Portland, OR 97232, Phone: (503) 231-6723; Fax: (503) 231-6731; or De Springer, Office of Indian Services, Bureau of Indian Affairs, 1849 C Street NW., MS/4513/MIB, Washington, DC 20240; Telephone (202) 513-7641.

SUPPLEMENTARY INFORMATION: Pursuant to the Act of August 15, 1953, Public Law 83-277, 67 Stat. 586, 18 U.S.C. 1161, as interpreted by the Supreme Court in *Rice v. Rehner*, 463 U.S. 713 (1983), the Secretary of the Interior shall certify and publish in the **Federal Register** notice of adopted liquor ordinances for the purpose of regulating liquor transactions in Indian country.

The Nisqually Tribal Council adopted this amendment to Title 29—Liquor—Nisqually Liquor Ordinance by Tribal Council Resolution No. 107-2013 on July 2, 2013.

This notice is published in accordance with the authority delegated by the Secretary of the Interior to the Assistant Secretary—Indian Affairs. I certify that the Nisqually Tribal Council duly adopted this amendment to Title 29—Liquor—Nisqually Liquor Ordinance by Tribal Council Resolution No. 107-2013 on July 2, 2013.

Dated: April 1, 2014.

Kevin K. Washburn,

Assistant Secretary—Indian Affairs.

Title 29—Liquor—Nisqually Liquor Ordinance has been amended to bring the ordinance in compliance with other tribal Titles and the Tribe's Constitution, and reads as follows:

29.01 General

29.01.01 Liquor Control

This Title shall be known as the “Nisqually Liquor Ordinance.”

29.01.02 Sovereign Immunity Preserved

Except for the limited waiver of sovereign immunity provided for in subsection 29.03.06, nothing in this Title is intended or shall be construed as a waiver of the sovereign immunity of the Nisqually Indian Tribe. The Board and its members and employees shall not be authorized, nor shall they attempt to waive the immunity of the Tribe.

29.01.03 Findings and Purpose

(a) The introduction, possession and sale of liquor within Indian country have, since treaty time, been clearly recognized as matters of special concern to Indian tribes and to the United States government. The control of liquor within Indian country remains exclusively subject to United States and tribal government authority.

(b) Beginning with the Treaty of Medicine Creek, 10 Stat. 1132, Art. 9, to which the ancestors of the Nisqually Indian Tribe were parties, the Federal government has respected this Tribe's determinations regarding liquor-related transactions and activities on the Nisqually Indian Reservation. At treaty time, this Tribe's ancestors desired to exclude “ardent spirits” from their Reservation. Federal law currently prohibits the introduction of liquor into Indian country (18 U.S.C. 1154), leaving to tribes a decision regarding when and to what extent liquor transactions shall be permitted (18 U.S.C. 1161).

(c) Present-day circumstances make a complete ban of liquor within the Nisqually Indian Reservation ineffective and unrealistic. At the same time, a need still exists for strict tribal regulation and control over liquor distribution.

(d) The enactment of a tribal ordinance governing liquor possession and sales on the Reservation will increase the ability of the tribal government to control Reservation liquor distribution and possession and at the same time, will provide an important source of revenue for the continued operation and strengthening of tribal government in the delivery of tribal governmental services.

(e) In order to provide for increased tribal control over liquor distribution and possession on the Reservation and to provide for an urgently needed additional revenue source, the Nisqually General Council adopts this liquor ordinance pursuant to the powers vested in it by Article VI, Sec. 1(e), 1(i) and 1(h) of the Constitution and Bylaws of the Nisqually Indian Community of the Nisqually Reservation, Washington and the Act of August 15, 1953, 67 Stat. 586, 18 U.S.C., Sec. 1161.

29.01.04 Relation to Other Tribal Laws

All prior ordinances and resolutions of the Nisqually Indian Tribe regulating, authorizing, prohibiting or in any way dealing with the sale of liquor are hereby repealed and are of no further force and effect.

29.01.05 Definitions

As used in this Title, the following definitions shall apply unless the context clearly indicates otherwise:

(a) “Liquor” includes the four varieties of liquor hereinafter defined (alcohol, spirits, wine and beer), and all fermented, spirituous, vinous or malt liquor, or combinations thereof and mixed liquor, a part of which is fermented, spirituous, vinous or malt liquor, or otherwise intoxicating. Every liquid or solid or semi-solid or other substance, patented or not, containing alcohol, spirits, wine or beer and all drinks or drinkable liquids and all preparations or mixtures capable of human consumption and any liquid, semi-solid, solid or other substance which contains more than one percent of alcohol by weight shall be conclusively deemed to be liquor within the meaning of this Title.

(b) “Alcohol” is that substance known as ethyl alcohol, hydrated oxide of ethyl, or spirit of wine, which is commonly produced by the fermentation or distillation of grain, starch, molasses, or sugar, or other
