Description of the need for the information and proposed use: The modifications of the Section 8 renewal policy and recent legislation are implemented to address the essential requirement to preserving low income rental housing affordability and availability. The Section 8 Renewal Policy Guide will include recent legislation modifications for renewing of expiring Section 8 policy(ies) Guidebook, as authorized by the Code of Federal Regulations 24 CFR part 401 and 24 CFR part 402.

The Multifamily Housing Reform and Affordability Act of 1997 (MAHRA) for

fiscal year 1998 (public law 105-65, enacted on October 27, 1997), required that expiring Section 8 project-based assistance contracts be renewed under MAHRA. Established in the MAHRA policies renewal of Section 8 project-based contracts rent are based on market rents instead of the Fair Market Rent (FMR) standard.

MAHRA renewals submission should include a Rent Comparability Study (RCS). If the RCS indicated rents were at or below comparable market rents, the contract was renewed at current rents adjusted by Operating Cost Adjustment Factor (OCAF), unless the Owner submitted documentation justifying a budget-based rent increase or participation in Mark-Up-To-Market. The case is that no renewal rents could exceed comparable market rents. If the RCS indicated rents were above comparable market rents, the contract was referred to the Office of Affordable Housing Preservation (OAHP) for debt restructuring and/or rent reduction.

The Preserving Affordable Housing for Senior Citizens and Families Into the 21st Century Act of 1999 (public law 106-74, enacted on October 20, 1999), modified MAHRA.

The Section 8 Renewal Policy Guide sets forth six renewal options from which a project owner may choose when renewing their expiring Section 8 contract: Option One—Mark-Up-To-Market, Option Two—Other Contract Renewal with Current Rents at or Below Comparable Market Rents, Option Three—Referral to the Office of Affordable Preservation (OAHP), Option Four—Renewal of Projects Exempted From OMHAR, Option Five—Renewal of Portfolio Reengineering Demonstration or Preservation Projects, and Option Six—Opt Outs.

Owners should select one of six options which are applicable to their project and should submit contract renewal on an annual basis to renew contract.

The Section 8 Renewal Guide sets forth six renewal options from which a project owner may choose when renewing their expiring Section 8 contracts.

Option One (Mark -Up- To-Market).

Option Two (Other Contract Renewals with Current Rents at or Below Comparable Market Rents.

Option Three (Referral to the Office of Multifamily Housing Assistant Restructuring—OHAP).

30-Day Notice of Information Collection: Comprehensive Listing of Transactional Documents for Mortgagees, Mortgagees and Contractors

AGENCY: Office of the Chief Information Officer, HUD.

ACTION: Notice.

SUMMARY: On March 14, 2013, HUD published in the **Federal Register** a notice that announced that FHA's healthcare facility documents completed the notice and comment processes under the Paperwork Reduction Act of 1995 (PRA), and had been assigned a control number, 2502-0605, by the Office of Management and Budget (OMB). The assignment of a control number concluded a 10-month process through which HUD solicited public comment to update 115 healthcare facility documents to reflect current policy and practices, to improve accountability by all parties involved in FHA's healthcare facility transactions and strengthen risk management.

On September 10, 2013, published a notice in the **Federal Register** that solicited, for a period of 60 days, public comment on this collection solely on the issue of which healthcare facility documents are eligible for electronic

submission. HUD did not address this issue as part of the previous notice and comment process, but recognized the importance, efficiency, and reduction of burden that electronic submission of documents can achieve, and solicited public comment on the healthcare facility documents that HUD had determined may be submitted, but are not required to be submitted, electronically.

The purpose of this notice is to allow for an additional 30 days of public comment.

DATES: *Comment Due Date:* March 3, 2014.

ADDRESSES: Interested persons are invited to submit comments regarding this notice. Communications must refer to the above docket number and title. There are two methods for submitting public comments:
