During the processing of FOIA and Privacy Act requests and administrative appeals, exempt records from these other systems of records may become part of the case record in this system of records. To the extent that exempt records from other USAID systems of records are entered or become part of this system, USAID has claimed the same exemptions. In addition, any such records compiled in this system of records from any other system of records continues to be subject to any exemption(s) applicable for the records as they have in the primary systems of records of which they are a part.
