[Docket No. USCG–2014–0966]

Drawbridge Operation Regulation; Mokelumne River, East Isleton, CA

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the California Department of Transportation highway drawbridge across the Mokelumne River, mile 3.0, at East Isleton, CA. The deviation is necessary to allow the bridge owner to perform structural repair work to the bridge. This deviation allows the bridge to remain in the closed-to-navigation position during the deviation period.

DATES: This deviation is effective without actual notice from March 13, 2015 through 10 p.m. on May 29, 2015. For the purposes of enforcement, actual notice will be used from 5 a.m. on March 2, 2015, until March 13, 2015.

ADDRESSES: The docket for this deviation, [USCG–2014–0966], is available at <http://www.regulations.gov>. Type the docket number in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this deviation. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200

New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email David H. Sulouff, Chief, Bridge Section, Eleventh Coast Guard District; telephone 510–437–3516, email David.H.Sulouff@uscg.mil. If you have questions on viewing the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone 202–366–9826.

SUPPLEMENTARY INFORMATION: California Department of Transportation has requested a temporary change to the operation of the California Department of Transportation highway drawbridge across the Mokelumne River, mile 3.0, at East Isleton, CA. The drawbridge navigation span provides approximately 7 feet vertical clearance above Mean High Water in the closed-to-navigation position. In accordance with 33 CFR 117.175(a), the draw opens on signal from November 1 through April 30 from 9 a.m. to 5 p.m.; and from May 1 through October 31 from 6 a.m. to 10 p.m., except that during the following periods the draw need only open for recreational vessels on the hour, 20 minutes past the hour, and 40 minutes past the hour: Saturdays, 10 a.m. until 2 p.m.; Sundays, 11 a.m. until 6 p.m.; and Memorial Day, Fourth of July and Labor Day 11 a.m. until 6 p.m. At all other times the drawbridge shall open on signal if at least 4 hours notice is given. Navigation on the waterway is commercial and recreational.

The drawspan will be secured in the closed-to-navigation position from 5 a.m. on March 2, 2015 to 10 p.m. on May 29, 2015, due to replacement of bridge deck and rehabilitation of the bridge control house. This temporary deviation has been coordinated with the waterway users. Caltrans work plan and dates have been tailored to produce the least possible impacts to waterway traffic, land traffic, businesses and potential flood response plans, while

allowing the work to be performed, to ensure dependable future operation of the drawbridge. Vessels able to pass through the drawbridge in the closed position may do so at any time. The drawbridge will not be able to open for emergencies. Alternative paths for recreational vessel traffic are available via Little Potato Slough and Georgiana Slough. Alternative paths for land traffic are also available. The Coast Guard will inform waterway users of this temporary deviation via our Local and Broadcast Notices to Mariners, to minimize resulting navigational impacts.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: February 27, 2015.

D.H. Sulouff,

District Bridge Chief, Eleventh Coast Guard District.

A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(3)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because the Coast Guard did not receive the

necessary information from The City of Tuscaloosa of their intentions to conduct an air show on March 26–29, 2015 over a portion of the Black Warrior River, in Tuscaloosa, AL until January 29, 2015. The City of Tuscaloosa informed Coast Guard Sector Mobile that a Federal Aviation Administration (FAA) rule prohibits all vessel traffic and persons within the exclusion area where the air craft will be flying overhead and therefore, requested a safety zone to keep all vessels out of the exclusion area that crosses over the Black Warrior River. As a result, the Coast Guard did not have sufficient time to publish an NPRM and to receive public comments prior to the event. Any delay in the effective date of this rule would be contrary to public interest because immediate action is needed to protect persons and vessels from the safety hazards associated with the planned event. Additionally, delaying the safety zone for the NPRM process would unnecessarily interfere with the Tuscaloosa Regional Air Show flight schedule, compliance with federal regulations enforced by the FAA, and potential contractual obligations.

For the same reasons, under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**.

B. Basis and Purpose

The legal basis and authorities for this rule are found in 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 0170.1, 1 which collectively authorize the Coast Guard to propose, establish, and define regulatory safety zones.

The City of Tuscaloosa plans to conduct an air show for the public, over a portion of the Black Warrior River in Tuscaloosa, AL on March, 26–29, 2015 between the hours of 11:30 a.m. and 5 p.m. each day.

The hazards associated with the air show poses safety hazards to both vessels and mariners while airplanes fly over the Black Warrior River, in Tuscaloosa, AL. The (Captain of the Port) COTP Mobile is establishing a temporary safety zone encompassing the waters of the Black Warrior River between Mile Marker (MM) 335.8 to MM 336.3, in Tuscaloosa, AL, to protect persons and vessels, during the air show.

The COTP anticipates minimal impact on vessel traffic due to this regulation. However, this safety zone is deemed necessary for the protection of life and property within the COTP Mobile zone.

C. Discussion of the Final Rule

The Coast Guard is establishing a temporary safety zone encompassing the waters of the Black Warrior River between MM 335.8 to MM 336.3, in Tuscaloosa, AL. This temporary rule will protect the safety of life and property in this area. Entry into or transiting in this zone is prohibited to all vessels, mariners, and persons unless specifically authorized by the COTP Mobile or a designated representative. The COTP may be contacted by telephone at 251–441–5976.

The COTP Mobile or a designated representative will inform the public through broadcast notice to mariners (BNM) of changes in the effective period for the safety zone. This rule will be enforced from March 26–29, 2015 at 11:30 a.m. until 5 p.m. each day.

BNMs will be used to inform waterway users of the exact enforcement times and any changes in this safety zone or its enforcement prior to the Tuscaloosa Regional Air Show.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes or executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders.

The safety zone listed in this rule will restrict vessel traffic from entering or transiting in a small portion of the Black Warrior River, in Tuscaloosa, AL. The effect of this regulation will not be significant for several reasons: (1) This rule will only affect vessel traffic for a short duration; (2) vessels may request permission from the COTP to transit through the safety zone; and (3) impacts on routine navigation are expected to be minimal. Notifications to the marine community will be made through BNMs. These notifications will allow the public to plan operations around the affected area.

2. Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended,

requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule will affect the following entities, some of which may be small entities: The owners or operators of vessels intending to transit in the affected portions of the Black Warrior River during the Tuscaloosa Regional Air Show. This safety zone will not have a significant economic impact on a substantial number of small entities for the following reasons. The zone is limited in size, is of short duration and vessel traffic may request permission from the COTP Mobile or a designated representative to enter or transit through the zone.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT**, above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments,

because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This action is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions which do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone on a waterway during the Tuscaloosa Regional Air Show and is not expected to result in any significant adverse environmental impact as described in NEPA. This rule is categorically excluded from further review under paragraph (34)(g) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a categorical exclusion determination will be made available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR PART 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5;

Department of Homeland Security Delegation No. 0170.1.

■ 2. Add temporary § 165.T08–0076 to read as follows:

§ 165.T08–0076 Safety Zone; Tuscaloosa Regional Air Show; Black Warrior River; Tuscaloosa, AL.

(a) *Location.* The following area is a safety zone: all waters encompassing the waters of the Black Warrior River between MM 335.8 to MM 336.3, in Tuscaloosa, AL.

(b) *Effective dates and enforcement period.* This rule is effective on March 26–29, 2015, from 11:30 a.m. until 5:00 p.m. each day.

(c) *Regulations.* (1) In accordance with the general regulations in § 165.23 of this part, entry into this zone is prohibited unless authorized by the Captain of the Port Mobile or a designated representative.

(2) Persons or vessels desiring to enter into or passage through the zone must request permission from the Captain of the Port Mobile or a designated representative. They may be contacted on VHF–FM channels 16 or by telephone at 251–441–5976.

(3) If permission is granted, all persons and vessels shall comply with the instructions of the Captain of the Port Mobile or designated representative.

(d) *Informational broadcasts.* The Captain of the Port Mobile or a designated representative will inform the public through broadcast notices to mariners of the enforcement period for the safety zone as well as any changes in the safety zone or the planned schedule.

Dated: February 2, 2015.

S. Walker,

Captain, U.S. Coast Guard, Captain of the Port Mobile.

Safety Zone; St. Patrick's Day Fireworks, Manitowoc River, Manitowoc, Wisconsin

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a safety zone on the

Manitowoc River in Manitowoc, Wisconsin. This safety zone is intended to restrict vessels from a portion of the Manitowoc River due to a fireworks display. This safety zone is necessary to protect the surrounding public and vessels from the hazards associated with the fireworks display.

DATES: This rule is effective and will be enforced from 6 p.m. until 8:30 p.m. on March 13, 2015.

ADDRESSES: Documents mentioned in this preamble are part of docket USCG–2015–0130. DHS Department of Homeland Security
FR Federal Register

NPRM Notice of Proposed Rulemaking

A. Regulatory History and Information

On December 24, 2014, the Coast Guard published an NPRM in the **Federal Register** which listed safety zones corresponding to annual marine events in the Sector Lake Michigan zone (79 FR 77415). This NPRM included the safety zone for the St. Patrick's Day Fireworks in Manitowoc, WI (the subject of this TFR). After the 30 day comment period for the NPRM closed, the Coast Guard published a corresponding Final Rule on February 18, 2015 (80 FR 8536).

Because the Manitowoc St. Patrick's Day Fireworks would occur within 30 days of the Final Rule's publication, the Coast Guard finds that good cause exists under 5 U.S.C. 553(d)(3), for making this rule effective less than 30 days after publication in the **Federal Register**. Waiting for a 30 day notice period to run would be impracticable, unnecessary, and contrary to the public

interest because it would inhibit the Coast Guard's ability to protect vessels from the hazards associated with the Manitowoc St. Patrick's Day Fireworks on March 13, 2015, which are discussed further below.

B. Basis and Purpose

The legal basis for this rule is the Coast Guard's authority to establish safety zones: 33 U.S.C. 1231; 33 CFR 1.05–1, 160.5; Department of Homeland Security Delegation No. 0170.1.

On March 13, 2015, the City of Manitowoc is expected to hold its annual St. Patrick's Day fireworks display. This fireworks display will be launched from the shore of the Manitowoc River. The Captain of the Port Lake Michigan has determined that this fireworks display will pose a significant risk to public safety and property. Such hazards include falling and/or flaming debris.

C. Discussion of the Final Rule

With the aforementioned hazards in mind, the Captain of the Port Lake Michigan has determined that this safety zone is necessary to ensure the safety of persons and vessels during the fireworks display on the shore of the Manitowoc River. This zone is effective and will be enforced from 6 p.m. until 8:30 p.m. on March 13, 2015. The safety zone will encompass all waters of the Manitowoc River within a 200 foot radius of an approximate launch position at 44°05.492' N, 087°39.332' W (NAD 83).

Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Lake Michigan or her designated on-scene representative. The Captain of the Port or her designated on-scene representative may be contacted via VHF Channel 16.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on these statutes and executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and
