

Commission who is not an officer or employee of the Federal Government shall be compensated at a rate not to exceed to the daily equivalent of the annual rate of \$155,400, for each day (including travel time) during which such member is engaged in the performance of the duties of the Commission. All members of the Commission who are officers or employees of the United States shall serve without compensation in addition to that received for their services as officers or employees of the United States.

The members of the Commission shall be allowed travel expenses, including per diem in lieu of subsistence, at rates authorized for employees of agencies under subchapter I of chapter 57 of title 5 United States Code, while away from their homes or regular places of business in the performance of services for the Commission.

The DoD, when necessary and consistent with the Commission's mission and DoD policies and procedures, may establish subcommittees, task forces, or working groups to support the Commission. Establishment of subcommittees will be based upon a written determination, to include terms of reference, by the Secretary of Defense, the Deputy Secretary of Defense, or the DCMO, as the DoD sponsor.

Such subcommittees shall not work independently of the Commission and shall report all of their recommendations and advice solely to the Commission for full and open deliberation and discussion. Subcommittees, task forces, or working groups have no authority to make decisions and recommendations, verbally or in writing, on behalf of the Commission. No subcommittee or its members can update or report, verbally or in writing, on behalf of the Commission, directly to the DoD or to any Federal officer or employee.

All subcommittee members shall be appointed by the Secretary of Defense or the Deputy Secretary of Defense according to governing DoD policies and procedures, even if the member in question is already a member of the Commission. Subcommittee members, with the approval of the Secretary of Defense, may serve a term of service for the life of the subcommittee.

Each subcommittee member is appointed to provide advice to the government on the basis of his or her best judgment without representing any particular point of view and in a manner that is free from conflict of interest. Subcommittee members may be compensated, and shall be allowed travel expenses, in the same manner as Commission members.

All subcommittees operate under the provisions of the FACA, the Sunshine Act, governing Federal statutes and regulations, and established DoD policies and procedures.

The Commission's Designated Federal Officer (DFO), pursuant to DoD policy, shall be a full-time or permanent part-time DoD employee appointed in accordance with governing DoD policies and procedures.

The Commission's DFO is required to be in attendance at all meetings of the Commission and any of its subcommittees for the entire duration of each and every meeting. However, in the absence of the Commission's DFO, a properly approved Alternate DFO, duly appointed to the Commission according to established DoD policies and procedures, shall attend the entire duration of the Commission or any subcommittee meeting.

The DFO, or the Alternate DFO, shall call all meetings of the Commission and its subcommittees; prepare and approve all meeting agendas; and adjourn any meeting when the DFO, or the Alternate DFO, determines adjournment to be in the public interest or required by governing regulations or DoD policies and procedures.

Pursuant to 41 CFR 102–3.105(j) and 102–3.140, the public or interested organizations may submit written statements to National Commission on the Future of the Army membership about the Commission's mission and functions. Written statements may be submitted at any time or in response to the stated agenda of planned meeting of the National Commission on the Future of the Army.

All written statements shall be submitted to the DFO for the National Commission on the Future of the Army, and this individual will ensure that the written statements are provided to the membership for their consideration. Contact information for the National Commission on the Future of the Army DFO can be obtained from the GSA's FACA Database—<http://www.facadatabase.gov/>.

The DFO, pursuant to 41 CFR 102–3.150, will announce planned meetings of the National Commission on the

Future of the Army. The DFO, at that time, may provide additional guidance on the submission of written statements that are in response to the stated agenda for the planned meeting in question.
