

of all participants and beneficiaries whose benefits exceed the PBGC-guaranteed amount would be reduced to the PBGC-guaranteed amount.

What is PBGC's multiemployer plan guarantee?

Federal law sets the maximum that PBGC may guarantee. For multiemployer plan benefits, PBGC guarantees a monthly benefit payment equal to 100 percent of the first \$11 of the Plan's monthly benefit accrual rate, plus 75 percent of the next \$33 of the accrual rate, times each year of credited service. PBGC's maximum guarantee, therefore, is \$35.75 per month times a participant's years of credited service.

PBGC guarantees vested pension benefits payable at normal retirement age, early retirement benefits, and certain survivor benefits, if the participant met the eligibility requirements for a benefit before plan termination or insolvency. A benefit or benefit increase that has been in effect for less than 60 months is not eligible for PBGC's guarantee. PBGC also does not guarantee benefits above the normal retirement benefit, disability benefits not in pay status, or non-pension benefits, such as health insurance, life insurance, death benefits, vacation pay, or severance pay.

How will I know when PBGC has made a decision on the application for partition?

If PBGC approves the Board of Trustees' application for partition, PBGC will issue a notice to affected participants and beneficiaries whose benefits will be transferred to the successor plan no later than 14 days after it issues the order of partition. You may also visit www.pbgc.gov/MPRA for a list of applications for partition received by PBGC and the status of those applications.

How do I obtain information on the application for approval to reduce benefits?

The application for approval of the proposed reduction of benefits will be publicly available within 30 days after the Treasury Department receives the application. See www.treasury.gov for a copy of the application, instructions on how to send comments on the application, and how to contact the Treasury Department for further information and assistance.

Your Rights To Receive Information About Your Plan and its Benefits

Your Plan's Summary Plan Description ("SPD") will include information on the procedures for claiming benefits, which will apply to both the original and successor plans until the Plan provides you a new SPD. You also have the legal right to request documents from the original plan to help you understand the partition and your rights such as:

- The plan document, trust agreement, and other documents governing the Plan (e.g., collective bargaining agreements);
- The latest SPD and summaries of material modification;
- The Plan's Form 5500 annual reports, including audited financial statements, filed with the U.S. Department of Labor during the last six years;

- The Plan's annual funding notices for the last six years;
- Actuarial reports (including reports submitted in support of the application for partition) furnished to the Plan within the last six years;
- The Plan's current rehabilitation plan, including contribution schedules; and
- Any quarterly, semi-annual or annual financial reports prepared for the Plan by an investment manager, fiduciary or other advisor and furnished to the Plan within the last six years.

If your benefits are transferred to the successor plan, you will be furnished a successor plan SPD within 120 days of the partition; and the plan document, trust agreement, and other documents governing the successor plan will be available for review following the partition.

The plan administrator must respond to your request for these documents within 30 days, and may charge you the cost per page for the least expensive means of reproducing documents, but cannot charge more than 25 cents per page. The Plan's Form 5500 annual reports are also available free of charge at <http://www.dol.gov/ebsa/5500main.html>. Some of the documents also may be available for examination, without charge, at the plan administrator's office, your worksite, or union hall.

Special Local Regulations for Marine Events, Atlantic Ocean; Atlantic City, New Jersey

AGENCY: Coast Guard, DHS.

ACTION: Temporary Final Rule.

SUMMARY: The Coast Guard is temporarily changing the enforcement date of the special local regulation for the recurring OPA Atlantic City Grand Prix boat race, held in the waters of the North Atlantic Ocean, adjacent to Atlantic City, New Jersey. The change of enforcement date for the special local regulation is necessary to provide for the safety of life on navigable waters during the event. This action will restrict vessel traffic in the waters of the Atlantic Ocean adjacent to Atlantic City, New Jersey, during the event, from 10:00 a.m. to 6:00 p.m. on June 20, 2015 and June 21, 2015.

DATES: This rule is effective June 20-21, 2015.

NPRM Notice of Proposed Rulemaking
COTP Captain of the Port

A. Regulatory History and Information

The regulation for this recurring marine event may be found at 33 CFR 100.501, Table to § 100.501, section (a), line “4”. This year, the date is different than published in the Table, so this temporary final rule has been issued.

The Coast Guard is issuing this final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because information about the new date was not received by the Coast Guard with sufficient time to publish a Notice of Proposed Rulemaking.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register** for the same reason: There was not enough time to publish the final rule more than thirty days before the event date.

B. Basis and Purpose

The legal basis and authorities for this rulemaking establishing a special local regulation are found in 33 U.S.C. 1233, which authorize the Coast Guard to establish and define special local regulations.

The purpose of this special local regulation is to provide for the safety of participants, spectator craft, and other vessels transiting the event area while the boat race is occurring.

C. Discussion of Rule

The Coast Guard has previously published a list of annual marine events within the Fifth Coast Guard District and special local regulation locations at 33 CFR 100.501. The Table to § 100.501 identifies special local regulations by COTP zone, with the COTP Delaware Bay zone listed in section “(a.)” of the Table. The Table to § 100.501, at section (a.) event Number “4”, describes the enforcement date and regulated location for this marine event.

The date listed in the Table has the marine event on the fourth Sunday of June. However, this temporary rule

changes the marine event date to June 20, 2015 and June 21, 2015, to reflect the actual date of the event.

The Coast Guard will temporarily suspend the regulation listed in Table to § 100.501, section (a) event Number “4”, and insert this temporary regulation at Table to § 100.501, at section (a.) as event Number “15”, in order to reflect that the special local regulation will be effective and enforced from 10:00 a.m. until 6:00 p.m. on June 20, 2015 and June 21, 2015. This change is needed to accommodate the sponsor’s event plan. No other portion of the Table to § 100.501 or other provisions in § 100.501 shall be affected by this regulation.

The regulated area of this special local regulation includes all the waters of the North Atlantic Ocean, adjacent to Atlantic City, New Jersey, bounded by a line drawn between the following points: From a point along the shoreline at latitude 39°21’50” N, longitude 074°24’37” W, thence southeasterly to latitude 39°20’40” N, longitude 074°23’50” W, thence southwesterly to latitude 39°19’33” N, longitude 074°26’52” W, thence northwesterly to a point along the shoreline at latitude 39°20’43” N, longitude 074°27’40” W, thence northeasterly along the shoreline to point of origin at latitude 39°21’50” N, longitude 074°24’37” W.

A fleet of spectator vessels is anticipated to gather nearby to view the marine event. Due to the need for vessel control during the marine event vessel traffic will be temporarily restricted to provide for the safety of participants, spectators and transiting vessels. Under provisions of 33 CFR 100.501, during the enforcement period, vessels may not enter the regulated area unless they receive permission from the Coast Guard Patrol Commander.

The Coast Guard may assign an event patrol, as described in 33 CFR 100.40, to each regulated event listed in the table. Additionally, a Patrol Commander may be assigned to oversee the patrol. The event patrol and Patrol Commander may be contacted on VHF-FM Channel 16. During the event, the Coast Guard Patrol Commander may forbid and control the movement of all vessels in the regulated area(s). When hailed or signaled by an official patrol vessel, a vessel in these areas shall immediately comply with the directions given. Failure to do so may result in expulsion from the area, citation for failure to comply, or both. The Coast Guard Patrol Commander may terminate the event, or the operation of any vessel participating in the event, at any time it is deemed necessary for the protection of life or property. Coast Guard Sector Delaware

Bay will notify the public by broadcast notice to mariners at least one hour prior to the times of enforcement.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes or executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders. Although this regulation will restrict access to the regulated area, the effect of this rule will not be significant because: (i) The Coast Guard will make extensive notification of the Special local regulation to the maritime public via maritime advisories so mariners can alter their plans accordingly; (ii) vessels may still be permitted to transit through the special local regulation with the permission of the Captain of the Port on a case-by-case basis; and (iii) this rule will be enforced for only the duration of the boat race.

2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule will affect the following entities, some of which may be small entities: the owners or operators of vessels intending to anchor or transit in the waters of the North Atlantic Ocean, adjacent to Atlantic City, New Jersey, on June 20, 2015 and June 21, 2015 from 10:00 a.m. to 6:00 p.m., unless cancelled earlier by the Captain of the Port.

This special local regulation will not have a significant economic impact on a substantial number of small entities for the following reason: vessel traffic

will be allowed to transit through the area with permission of the Coast Guard Captain of the Port, Delaware Bay, or his designated representative and the special local regulation is limited in size and duration. Sector Delaware Bay will issue maritime advisories widely available to all waterway users.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT**, above. The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520.).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule would not result in such expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule would not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children From Environmental Health Risks

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This rule is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not

consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves implementation of regulations within 33 CFR part 100, applicable to special local regulations on the navigable waterways. This zone will temporarily restrict vessel traffic from transiting the waters of the Atlantic Ocean adjacent to Atlantic City, NJ, in order to protect the safety of life and property on the waters for the duration of the air show. This rule is categorically excluded from further review under paragraph 34(h) of Figure 2–1 of the Commandant Instruction. A preliminary environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233.

■ 2. In the Table to § 100.501:

■ a. Suspend line No. (a.) 4; and

■ b. Add line No. (a.) 15 to read as follows:

§ 100.501 Special Local Regulations; Marine Events in the Fifth Coast Guard District.

Special Local Regulations; Grand National Drag Boat Races, Atlantic Intracoastal Waterway; Bucksport, SC

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a special local regulation on the Atlantic Intracoastal Waterway in Bucksport, South Carolina during the Grand National Drag Boat Races, a series of high-speed boat races. The event will take place on Saturday, June 20, 2015 and Sunday, June 21, 2015. Approximately 30 high-speed race boats are anticipated to participate in the races. This special local regulation is necessary to provide for the safety of life and property on navigable waters of the United States during the event. This special local regulation will temporarily restrict vessel traffic in a portion of the Atlantic Intracoastal Waterway. Persons and vessels that are not participating in the races will be prohibited from entering, transiting through, anchoring in, or remaining within the regulated area unless authorized by the Captain of the Port Charleston or a designated representative.

DATES: This rule is effective on June 20 and June 21, 2015. This rule will be enforced daily from 9 a.m. until 7 p.m.

ADDRESSES: Documents mentioned in this preamble are part of docket USCG-2014-0340. A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking with respect to this rule because the Coast Guard did not receive necessary

information about the event until April 23, 2015. As a result, the Coast Guard did not have sufficient time to publish a notice of proposed rulemaking and to receive public comments prior to the event. Any delay in the effective date of this rule would be contrary to the public interest because immediate action is needed to minimize potential danger to the race participants, spectators and the general public.

B. Basis and Purpose

The legal basis for the rule is the Coast Guard's authority to establish special local regulations: 33 U.S.C. 1233. The purpose of the rule is to ensure safety of life and property on navigable waters of the United States during the Grand National Drag Boat Races.

C. Discussion of Rule

On Saturday, June 20, 2015, and Sunday, June 21, 2015, the Bucksport Marina will host Grand National Drag Boat Races, a series of high-speed boat races. The event will be held on a portion of the Atlantic Intracoastal Waterway in Bucksport, South Carolina. Approximately 30 high-speed race boats are anticipated to participate in the races.

The special local regulation encompasses certain waters of the Atlantic Intracoastal Waterway in Bucksport, South Carolina. The special local regulation will be enforced daily from 9 a.m. until 7 p.m. on June 20, 2015 and June 21, 2015. The special local regulation consists of a regulated area around vessels participating in the event. Persons and vessels that are not participating in the event are prohibited from entering, transiting through, anchoring in, or remaining within the regulated area unless specifically authorized by the Captain of the Port Charleston or a designated representative. Persons and vessels may request authorization to enter, transit through, anchor in, or remain within the
