

received OMB approval on October 1, 2014, for the new information collection requirements contained in the Commission's rules at 47 CFR 79.107(c), 79.108(a)(5), 79.108(c) through (e), and 79.110.

Under 5 CFR part 1320, an agency may not conduct or sponsor a collection of information unless it displays a current, valid OMB Control Number.

No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act that does not display a current, valid OMB Control Number. The OMB Control Number is 3060–1203.

The foregoing notice is required by the Paperwork Reduction Act of 1995, Public Law 104–13, October 1, 1995, and 44 U.S.C. 3507.

The total annual reporting burdens and costs for the respondents are as follows:

OMB Control Number: 3060–1203.

OMB Approval Date: October 1, 2014.

OMB Expiration Date: October 31, 2017.

Title: Section 79.107 User Interfaces Provided by Digital Apparatus; Section 79.108 Video Programming Guides and Menus Provided by Navigation Devices; Section 79.110 Complaint Procedures for User Interfaces, Menus and Guides, and Activating Accessibility Features on Digital Apparatus and Navigation Devices.

Form Number: N/A.

Respondents: Business or other for-profit entities; individuals or households; not-for-profit institutions; and state, local, or tribal governments.

Number of Respondents and

Responses: 4,245 respondents; 509,484 responses.

Estimated Time per Response: 0.0167 to 5 hours.

Frequency of Response: On occasion reporting requirement; Third party disclosure requirement; Recordkeeping requirement.

Obligation to Respond: Voluntary. The statutory authority for this information collection is contained in the Twenty-First Century Communications and Video Accessibility Act of 2010, Public Law 111–260, 124 Stat. 2751, and Sections 4(i), 4(j), 303(r), 303(u), 303(aa), 303(bb), and 716(g) of the Communications Act of 1934, as amended, 47 U.S.C. 154(i), 154(j), 303(r), 303(u), 303(aa), 303(bb), and 617(g).

Total Annual Burden: 22,198 hours.

Total Annual Cost: \$70,500.

Nature and Extent of Confidentiality: Confidentiality is an issue to the extent that individuals and households provide personally identifiable

information. As required by the Privacy Act, 5 U.S.C. 552a, the FCC published a system of records notice (SORN), FCC/CGB–1, “Informal Complaints, Inquiries, and Requests for Dispute Assistance,” in the **Federal Register** on August 15, 2014 (79 FR 48152), which became effective on September 24, 2014. The Commission believes that it provides sufficient safeguards to protect the privacy of individuals who file complaints under 47 CFR 79.110.

Privacy Act Impact Assessment: The Privacy Impact Assessment (PIA) for Informal Complaints and Inquiries was completed on June 28, 2007. It may be reviewed at: http://www.fcc.gov/omd/privacyact/Privacy_Impact_Assessment.html. The Commission is in the process of updating the PIA to incorporate various revisions to it as a result of revisions to the SORN.

Needs and Uses: On October 31, 2013, in document FCC 13–138, the Commission released a *Report and Order and Further Notice of Proposed Rulemaking*, MB Docket Nos. 12–108, 12–107, FCC 13–138, adopting rules implementing portions of the Twenty-First Century Communications and Video Accessibility Act of 2010 (CVAA) related to accessible user interfaces and video programming guides and menus. These rules are codified at 47 CFR 79.107, 79.108, 79.109, and 79.110. Pursuant to section 204 of the CVAA, the *Report and Order* adopts rules requiring digital apparatus to make appropriate built-in functions (*i.e.*, those used for the reception, play back, or display of video programming) accessible to individuals who are blind or visually impaired. Pursuant to section 205 of the CVAA, the *Report and Order* adopts rules requiring navigation devices to make on-screen text menus and guides for the display or selection of multichannel video programming audibly accessible. The *Report and Order* also requires Section 204 digital apparatus to provide access to closed captioning and video description through a mechanism that is reasonably comparable to a button, key, or icon, and requires Section 205 navigation devices to provide access to closed captioning through a mechanism that is reasonably comparable to a button, key, or icon.

Federal Communications Commission.

Gloria J. Miles,

Federal Register Liaison Officer.

50 CFR Part 17

[Docket No. FWS–HQ–ES–2014–0066; 4500030113]

RIN 1018–BA68

Endangered and Threatened Wildlife and Plants; Adding Five Species of Sawfish to the List of Endangered and Threatened Wildlife

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Final rule.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), in accordance with the Endangered Species Act of 1973, as amended (Act), are amending the List of Endangered and Threatened Wildlife (List) by adding five species of sawfish: Narrow sawfish (*Anoxypristis cuspidata*), dwarf sawfish (*Pristis clavata*), largetooth sawfish (collectively *Pristis pristis*; formerly *Pristis pristis*, *Pristis microdon*, and *Pristis perotteti*), green sawfish (*Pristis zijsron*), and the non-U.S. distinct population segment (DPS) of smalltooth sawfish (*Pristis pectinata*). These amendments are based on previously published determinations by the National Marine Fisheries Service (NMFS) of the National Oceanic and Atmospheric Administration, Department of Commerce, which has jurisdiction for these species.

DATES: This rule is effective January 26, 2015. *Applicability date:* The five sawfish listings are applicable as of January 12, 2015.

FOR FURTHER INFORMATION CONTACT: Douglas Krofta, Chief, Branch of Endangered Species Listing, U.S. Fish and Wildlife Service, MS–ES, 5275 Leesburg Pike, Falls Church, VA 22041–3803; 703–358–2171.

SUPPLEMENTARY INFORMATION:

Background

In accordance with the Act (16 U.S.C. 1531 *et seq.*) and Reorganization Plan No. 4 of 1970 (35 FR 15627; October 6, 1970), NMFS has jurisdiction over the marine taxa identified in this rule. Under section 4(a)(2) of the Act, NMFS must decide whether a species under its jurisdiction should be classified as an endangered or threatened species. NMFS makes these determinations via its rulemaking process. We, the Service, are then responsible for publishing final rules to amend the List in title 50 of the Code of Federal Regulations (CFR) at 50 CFR 17.11(h).

On June 4, 2013, NMFS published a proposed rule (78 FR 33300) to list the narrow sawfish (*Anoxypristis cuspidata*), dwarf sawfish (*Pristis clavata*),argetooth sawfish (collectively *Pristis pristis*; formerly *Pristis pristis*, *Pristis microdon*, and *Pristis perotteti*), green sawfish (*Pristis zijsron*), and the non-U.S. distinct population segment (DPS) of smalltooth sawfish (*Pristis pectinata*) as endangered species. NMFS solicited public comments on the proposed rule through August 5, 2013. On August 7, 2013, NMFS published a notice extending the comment period through September 19, 2013 (78 FR 48134). On December 12, 2014, NMFS published a final rule (79 FR 73977) to list the five species of sawfish as endangered species. Theargetooth sawfish (*P. perotteti*) was already listed under the Act as endangered on July 12, 2011 (76 FR 40822), but this final listing concerns the entireargetooth sawfish species (*P. pristis*) as it is currently classified, which also includes the species formerly classified as *P. perotteti* and *P. microdon*.

The listing of the five sawfish species is effective as of January 12, 2015. In the December 12, 2014, final rule (79 FR 73977), NMFS addressed all public comments received in response to the proposed rule. By publishing this final rule, we are simply taking the necessary administrative step to codify these changes in the List at 50 CFR 17.11(h). We are also revising the current CFR entry for the U.S. DPS of smalltooth

sawfish to make the presentation of information in that entry consistent with the new sawfish entries being added to the List via this rule; the changes to that entry are not substantive.

Administrative Procedure Act

Because NMFS provided a public comment period on the proposed rules for these taxa, and because this action of the Service to amend the List in accordance with the determination by NMFS is nondiscretionary, the Service finds good cause that the notice and public comment procedures of 5 U.S.C. 553(b) are unnecessary for this action. We also find good cause under 5 U.S.C. 553(d)(3) to make this rule effective immediately. The NMFS rules extended protection under the Act to these species and listed them in 50 CFR part 224; this rule is an administrative action to add the species to the List at 50 CFR 17.11(h). The public would not be served by delaying the effective date of this rulemaking action.

Required Determinations

National Environmental Policy Act

We have determined that an environmental assessment, as defined under the authority of the National Environmental Policy Act of 1969, need not be prepared in connection with regulations adopted pursuant to section 4(a) of the Act. We outlined our reasons for this determination in the **Federal**

Register on October 25, 1983 (48 FR 49244).

List of Subjects in 50 CFR Part 17

Endangered and threatened species, Exports, Imports, Reporting and recordkeeping requirements, Transportation.

Regulation Promulgation

Accordingly, we amend part 17, subchapter B of chapter I, title 50 of the Code of Federal Regulations, as set forth below:

PART 17—[AMENDED]

■ 1. The authority citation for part 17 continues to read as follows:

Authority: 16 U.S.C. 1361–1407; 1531–1544; 4201–4245, unless otherwise noted.

■ 2. Amend § 17.11(h), in the List of Endangered and Threatened Wildlife, under Fishes by:

■ a. Revising the entries for “Sawfish,argetooth” and “Sawfish, smalltooth (United States DPS)” to read as set forth below; and

■ b. Adding entries in alphabetical order for: “Sawfish, dwarf”; “Sawfish, green”; “Sawfish, narrow”; and “Sawfish, smalltooth (Non-U.S. DPS)”, to read as follows:

§ 17.11 Endangered and threatened wildlife.

RIN 0648-XD728

Fisheries of the Exclusive Economic Zone Off Alaska; Reallocation of Pollock in the Bering Sea and Aleutian Islands

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule.

SUMMARY: NMFS is reallocating the projected unused amounts of the Community Development Quota pollock directed fishing allowances from the Aleutian Islands subarea to the Bering Sea subarea. This action is necessary to provide opportunity for harvest of the

2015 total allowable catch of pollock, consistent with the goals and objectives of the Fishery Management Plan for Groundfish of the Bering Sea and Aleutian Islands Management Area.

DATES: Effective 1200 hrs, Alaska local time (A.l.t.), January 26, 2015, until the effective date of the final 2015 and 2016 harvest specifications for Bering Sea and Aleutian Islands (BSAI) groundfish, unless otherwise modified or superseded through publication of a notification in the **Federal Register**.

FOR FURTHER INFORMATION CONTACT: Steve Whitney, 907-586-7228.

SUPPLEMENTARY INFORMATION: NMFS manages the groundfish fishery in the BSAI exclusive economic zone according to the Fishery Management Plan for Groundfish of the Bering Sea and Aleutian Islands Management Area (FMP) prepared by the North Pacific Fishery Management Council (Council) under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

In the Aleutian Islands subarea, the portion of the 2015 pollock total allowable catch (TAC) allocated to the Community Development Quota (CDQ) directed fishing allowance (DFA) is 1,900 metric tons (mt) as established by the final 2014 and 2015 harvest

specifications for groundfish in the BSAI (79 FR 12108, March 4, 2014), and as adjusted by an inseason adjustment (80 FR 188, January 5, 2015).

As of January 15, 2015, the Administrator, Alaska Region, NMFS, (Regional Administrator) has determined that 1,900 mt of pollock CDQ DFA in the Aleutian Islands subarea will not be harvested. Therefore, in accordance with § 679.20(a)(5)(iii)(B)(4), NMFS reallocates 1,900 mt of pollock CDQ DFA from the Aleutian Islands subarea to the 2015 Bering Sea subarea allocations. The 1,900 mt of pollock CDQ DFA is added to the 2015 Bering Sea CDQ DFA. As a result, the 2015 harvest specifications for pollock in the Aleutian Islands subarea included in the final 2014 and 2015 harvest specifications for groundfish in the BSAI (79 FR 12108, March 4, 2014) are revised as follows: 0 mt to CDQ DFA. Furthermore, pursuant to § 679.20(a)(5), Table 3 of the final 2014 and 2015 harvest specifications for groundfish in the BSAI (79 FR 12108, March 4, 2014), as adjusted by the inseason adjustment (80 FR 188, January 5, 2015), is revised to make 2015 pollock allocations consistent with this reallocation. This reallocation results in adjustments to the 2015 CDQ pollock allocations established at § 679.20(a)(5).
