

review under paragraph 34(h) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, and Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

TABLE 1 TO § 100.1101

[All coordinates referenced us datum NAD 83]

Authority: 33 U.S.C. 1233.

■ 2. In § 100.1101, in Table 1 to § 100.1101, suspend item “11” and add temporary item “19” to read as follows:

§ 100.1101 Southern California Annual Marine Events for the San Diego Captain of the Port Zone.

* * * * *

19. TriRock San Diego Triathlon

Sponsor	Competitor Group, Inc.
Event Description	Swim Race.
Date	September 20, 2015
Location	San Diego Bay, CA.
Regulated Area	The waters of San Diego Bay, off the East Basin of Embarcadero Park.

Dated: August 17, 2015.

J.S. Spaner,
Captain, U.S. Coast Guard, Captain of the Port San Diego.

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 100

[Docket Number USCG–2015–0663]

RIN 1625–AA08

Special Local Regulations for Marine Events, Wrightsville Channel; Wrightsville Beach, NC

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a Special Local Regulation for the “Swim the Loop” and “Motts Channel Sprint” swim event, to be held on the waters adjacent to and surrounding Harbor Island in Wrightsville Beach, North Carolina. This Special Local Regulation is necessary to provide for the safety of life on navigable waters during the event. This action is intended to restrict vessel traffic on the Atlantic Intracoastal Waterway within 550 yards north and south of the U.S. 74/76 Bascule Bridge

crossing the Atlantic Intracoastal Waterway, mile 283.1, at Wrightsville Beach, North Carolina, during the swim event.

DATES: This rule is effective on September 27, 2015 only.

This rule will be enforced from 7 a.m. to 10 a.m. on September 27, 2015.

ADDRESSES: Documents mentioned in this preamble are part of docket [USCG–2015–0663]. To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email LT Derek J. Burrill, Coast Guard Sector North Carolina, Coast Guard; telephone (910) 772–2230, email Derek.J.Burrill@uscg.mil. If you have questions on viewing or submitting material to the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone (202) 366–9826.

SUPPLEMENTARY INFORMATION:

Table of Acronyms

DHS Department of Homeland Security
FR Federal Register
NPRM Notice of Proposed Rulemaking

A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule. The Coast Guard did not receive final information about this event with sufficient time to publish an NPRM and receive comments. Delaying the effective date to provide for a comment period would be contrary to the public interest, since immediate action is needed to ensure the safety of the event participants, patrol vessels, spectator craft and other vessels transiting the event area. The Coast Guard will provide advance notifications to users of the affected waterways of the safety zone via marine information broadcasts and local notice to mariners.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. For the same reasons stated above, delaying the effective date to provide for a comment period is impracticable and would be contrary to the public interest.

B. Basis and Purpose

On September 27, 2015 from 7 a.m. to 10 a.m., Without Limits Coaching will sponsor “Swim the Loop” and “Motts Channel Sprint” on the waters adjacent to and surrounding Harbor Island in Wrightsville Beach, North Carolina. The swim event will consist of up to 200 swimmers per event swimming a 1.3 mile course or a 3.5 mile course around Harbor Island in Wrightsville Beach, North Carolina. To provide for the safety of participants, spectators and other transiting vessels, the Coast Guard will temporarily restrict vessel traffic in the event area during this event.

C. Discussion of Comments, Changes and the Final Rule

The Coast Guard is establishing a safety zone on the navigable waters of the Atlantic Intracoastal Waterway 550 yards north and south of the U.S. 74/76 Bascule Bridge, mile 283.1, latitude 34°13'06" North, longitude 077°48'44" West, at Wrightsville Beach, North Carolina.

To provide for the safety of participants, spectators and other transiting vessels, the Coast Guard will temporarily restrict vessel traffic in the event area during this event. Specifically, the U.S. 74/76 Bascule Bridge at Wrightsville Beach, North Carolina will remain closed during the event on September 27, 2015 from 7 a.m. to 10 a.m. During the event, general navigation within the safety zone will be restricted, no person or vessel may enter or remain in the regulated area, with the exception of participants and vessels authorized by the Coast Guard Captain of the Port or his representative.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on these statutes and executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and

does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders. Although this regulation will restrict access to the area, the effect of this rule will not be significant because the regulated area will be in effect for a limited time, from 7 a.m. to 10 a.m., on September 27, 2015. The Coast Guard will provide advance notification via maritime advisories so mariners can adjust their plans accordingly. The regulated area will apply only to the section of Atlantic Intracoastal Waterway in the immediate vicinity of U.S. 74/76 Bascule Bridge at Wrightsville Beach, North Carolina. Coast Guard vessels enforcing this regulated area can be contacted on marine band radio VHF-FM channel 16 (156.8 MHz).

2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule will affect the following entities, some of which may be small entities: The owners or operators of recreational vessels intending to transit the specified portion of Atlantic Intracoastal Waterway from 7 a.m. to 10 a.m. on September 27, 2015.

This rule will not have a significant economic impact on a substantial number of small entities for the following reasons. This rule will only be in effect for three hours from 7 a.m. to 10 a.m. The regulated area applies only to the section of Atlantic Intracoastal Waterway in the vicinity of the U.S. 74/76 Bascule Bridge at Wrightsville Beach, North Carolina. Vessel traffic may be allowed to pass through the regulated area on a case by case basis with the permission of the Coast Guard Patrol Commander. In the case where the Patrol Commander authorizes passage through the regulated area, vessels shall proceed at the minimum speed necessary to maintain a safe course that minimizes wake near the swim course. The Patrol Commander will allow non-participating vessels to transit the event

area once all swimmers are safely clear of navigation channels and vessel traffic areas. Before the enforcement period, we will issue maritime advisories so mariners can adjust their plans accordingly.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT**, above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This action is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security

Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA)(42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves implementation of regulations within 33 CFR part 100 that apply to organized marine events on the navigable waters of the United States that may have potential for negative impact on the safety or other interest of waterway users and shore side activities in the event area. This special local regulation is necessary to provide for the safety of the general public and event participants from potential hazards associated with movement of vessels near the event area. This rule is categorically excluded from further review under paragraph 34(h) of Figure 2–1 of the Commandant Instruction. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233.

■ 2. Add a temporary § 100.35–T05–0200 to read as follows:

§ 100.35–T05–0200 Special Local Regulations for Marine Events, Wrightsville Channel; Wrightsville Beach, NC

(a) *Regulated area.* The following location is a regulated area: All waters of the Atlantic Intracoastal Waterway within 550 yards north and south of the U.S. 74/76 Bascule Bridge, mile 283.1, latitude 34°13'06" North, longitude 077°48'44" West, at Wrightsville Beach, North Carolina. All coordinates reference Datum NAD 1983.

(b) *Definitions.* (1) *Coast Guard Patrol Commander* means a commissioned, warrant, or petty officer of the U.S. Coast Guard who has been designated by the Commander, Coast Guard Sector North Carolina.

(2) *Official Patrol* means any vessel assigned or approved by Commander,

Coast Guard Sector North Carolina with a commissioned, warrant, or petty officer on board and displaying a Coast Guard ensign.

(3) *Participant* means all participating in the “Swim the Loop” and “Motts Channel Sprint” swim event under the auspices of the Marine Event Permit issued to the event sponsor and approved by Commander, Coast Guard Sector North Carolina.

(4) *Spectator* means all persons and vessels not registered with the event sponsor as participants or official patrol.

(c) *Special local regulations.* (1) The Coast Guard Patrol Commander will control the movement of all vessels in the vicinity of the regulated area. When hailed or signaled by an official patrol vessel, a vessel approaching the regulated area shall immediately comply with the directions given. Failure to do so may result in termination of voyage and citation for failure to comply.

(2) The Coast Guard Patrol Commander may terminate the event, or the operation of any support vessel participating in the event, at any time it is deemed necessary for the protection of life or property. The Coast Guard may be assisted in the patrol and enforcement of the regulated area by other Federal, State, and local agencies.

(3) Vessel traffic, not involved with the event, may be allowed to transit the regulated area with the permission of the Patrol Commander. Vessels that desire passage through the regulated area shall contact the Coast Guard Patrol Commander on VHF–FM marine band radio for direction. Only participants and official patrol vessels are allowed to enter the regulated area.

(4) All Coast Guard vessels enforcing the regulated area can be contacted on marine band radio VHF–FM channel 16 (156.8 MHz) and channel 22 (157.1 MHz). The Coast Guard will issue marine information broadcast on VHF–FM marine band radio announcing specific event date and times.

(d) *Enforcement period.* This section will be enforced from 7 a.m. to 10 a.m. on September 27, 2015.

Dated: August 10, 2015.

S.R. Murtagh,

Captain, U.S. Coast Guard, Captain of the Port.
