

Regulations to seek authorization from both BIS and the Treasury Department's Office of Foreign Assets Control ("OFAC") for exports and reexports subject to both the Regulations and the Iranian Transactions Regulations ("ITR") administered by OFAC.<sup>4</sup> Accordingly, an authorization granted by OFAC would have been considered authorization for purposes of the EAR as well. However, Air Bashkortostan did not seek or obtain authorization from BIS, or from OFAC, in connection with any of the transactions at issue.

In engaging in the activity alleged above, Air Bashkortostan committed four violations of Section 764.2(a) of the Regulations.

Whereas, BIS and Air Bashkortostan have entered into a Settlement Agreement pursuant to Section 766.18(b) of the Regulations, whereby they agreed to settle this matter in accordance with the terms and conditions set forth therein; and

Whereas, I have approved of the terms of such Settlement Agreement;

*It is therefore ordered:*

*First*, Air Bashkortostan shall be assessed a civil penalty in the amount of \$350,000, all of which shall be suspended for a period of one year from the date of this Order, and thereafter shall be waived, provided that during this one-year probationary period, Air Bashkortostan has committed no violation of the Act, or any regulation, order, license, or authorization issued thereunder. If Air Bashkortostan commits a violation of the Act or any regulation, order, license, or authorization issued thereunder, during the probationary period under this Order, the suspension of the civil penalty may be modified or revoked by BIS and the \$350,000 made due and owing immediately.

*Second*, that for a period of one (1) year from the date of this Order, Air Bashkortostan LTD., with a last known address of 142001, Moscow Region, City of Domodedovo, Centralny District, Promyshlennaya Street, 11B, Russian Federation, and when acting for or on its behalf, its successors, assigns, directors, officers, employees, representatives, or agents, (hereinafter collectively referred to as "Denied Person"), may not, directly or indirectly, participate in any way in any transaction involving any commodity, software or technology (hereinafter

collectively referred to as "item") exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations, including, but not limited to:

A. Applying for, obtaining, or using any license, License Exception, or export control document;

B. Carrying on negotiations concerning, or ordering, buying, receiving, using, selling, delivering, storing, disposing of, forwarding, transporting, financing, or otherwise servicing in any way, any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations; or

C. Benefitting in any way from any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations.

*Third*, that no person may, directly or indirectly, do any of the following:

A. Export or reexport to or on behalf of the Denied Person any item subject to the Regulations;

B. Take any action that facilitates the acquisition or attempted acquisition by the Denied Person of the ownership, possession, or control of any item subject to the Regulations that has been or will be exported from the United States, including financing or other support activities related to a transaction whereby the Denied Person acquires or attempts to acquire such ownership, possession or control;

C. Take any action to acquire from or to facilitate the acquisition or attempted acquisition from the Denied Person of any item subject to the Regulations that has been exported from the United States;

D. Obtain from the Denied Person in the United States any item subject to the Regulations with knowledge or reason to know that the item will be, or is intended to be, exported from the United States; or

E. Engage in any transaction to service any item subject to the Regulations that has been or will be exported from the United States and which is owned, possessed or controlled by the Denied Person, or service any item, of whatever origin, that is owned, possessed or controlled by the Denied Person if such service involves the use of any item subject to the Regulations that has been or will be exported from the United States. For purposes of this paragraph, servicing means installation, maintenance, repair, modification or testing.

*Fourth*, that, after notice and opportunity for comment as provided in Section 766.23 of the Regulations, any person, firm, corporation, or business organization related to the Denied Person by affiliation, ownership, control, or position of responsibility in the conduct of trade or related services may also be made subject to the provisions of the Order.

*Fifth*, Air Bashkortostan shall not take any action or make or permit to be made any public statement, directly or indirectly, denying the allegations in the Charging Letter or the Order. The foregoing does not affect Air Bashkortostan's testimonial obligations in any proceeding, nor does it affect its right to take legal or factual positions in civil litigation or other civil proceedings in which the U.S. Department of Commerce is not a party.

*Sixth*, that the Charging Letter, the Settlement Agreement, and this Order shall be made available to the public.

*Seventh*, that this Order shall be served on Air Bashkortostan, and shall be published in the **Federal Register**.

This Order, which constitutes the final agency action in this matter, is effective immediately.<sup>5</sup>

**SUMMARY:** The Department of Commerce ("Department") is conducting the sixth administrative review of the antidumping duty order on certain steel nails ("nails") from the People's Republic of China ("PRC").<sup>1</sup> The Department selected two respondents

for individual review.<sup>2</sup> The Department preliminarily determines that Stanley sold subject merchandise in the United States at prices below normal value (“NV”) during the period of review (“POR”), August 1, 2013, through July 31, 2014. The Department also preliminarily determines that Shandong Oriental Cherry failed to cooperate to the best of its ability in participating in the review, warranting the application of facts otherwise available with adverse inferences, and that it is part of the PRC-wide entity. If these preliminary results are adopted in the final results, the Department will instruct U.S. Customs and Border Protection (“CBP”) to assess antidumping duties on all appropriate entries of subject merchandise during the POR. Interested parties are invited to comment on these preliminary results.

**SUPPLEMENTARY INFORMATION:**

**Background**

On September 30, 2014, the Department initiated the sixth administrative review of the antidumping duty order on nails from the PRC for the period August 1, 2013, through July 31, 2014.<sup>3</sup> On April 14, 2015, the Department partially extended the deadline for issuing the preliminary results by 100 days.<sup>4</sup> On July 10, 2015, the Department fully extended the deadline for issuing the preliminary results by 20 days,<sup>5</sup> to August 31, 2015.

<sup>2</sup> Stanley Works (Langfang) Fastening Systems Co., Ltd. and Stanley Black & Decker, Inc. (collectively “Stanley”), and Shandong Oriental Cherry Hardware Group., Ltd. (“Shandong Oriental Cherry”).

Doyle, Director, Office V, Antidumping and Countervailing Duty Operations regarding “Certain Steel Nails from the People’s Republic of China: Extension of Deadline for Preliminary Results of 2013–2014 Antidumping Duty Administrative Review,” dated April 14, 2015.

Doyle, Director, Office V, Antidumping and Countervailing Duty Operations regarding “Certain Steel Nails from the People’s Republic of China: Extension of Deadline for Preliminary Results of 2013–2014 Antidumping Duty Administrative Review,” dated July 10, 2015.

**Scope of the Order**

The merchandise covered by the order includes certain steel nails having a shaft length up to 12 inches. Certain steel nails subject to the order are currently classified under the Harmonized Tariff Schedule of the United States (“HTSUS”) subheadings 7317.00.55, 7317.00.65, 7317.00.75, and 7907.00.6000.<sup>6</sup> While the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the order is dispositive.<sup>7</sup>

**Preliminary Determination of No Shipments**

Based on the no-shipments letters filed by 11 different companies subject to this review, the Department preliminarily determines that these companies did not have any reviewable transactions during the POR. For additional information regarding this determination, including a list of these companies, see the Preliminary Decision Memorandum. Consistent with our assessment practice in non-market economy (“NME”) cases, the Department is not rescinding this review for these companies, but intends to complete the review and issue appropriate instructions to CBP based on the final results of the review.<sup>8</sup>

**Preliminary Affiliation and Single Entity Determination**

Based on the record evidence for these preliminary results, we find that Shandong Oriental Cherry Hardware Group., Ltd., Shandong Oriental Cherry Hardware Import & Export Co., Ltd., Shandong Oriental Cherry Hardware Group Heze Products Co., Ltd., Jining Huarong Hardware Products Co., Ltd., Jining Dragon Fasteners Co., Ltd., and Jining Yonggu Metal Products Co., Ltd.

We note that second extension of the preliminary results listed the extended deadline as September 1, 2015; however, the correct extended deadline is August 31, 2015.

<sup>6</sup> The Department recently added the Harmonized Tariff Schedule category 7907.00.6000, “Other articles of zinc: Other,” to the language of the *Order*. See Memorandum to Gary Taverman, Senior Advisor for Antidumping and Countervailing Duty Operations, through James C. Doyle, Director, Office 9, Antidumping and Countervailing Duty Operations, regarding “Certain Steel Nails from the People’s Republic of China: Cobra Anchors Co. Ltd. Final Scope Ruling,” dated September 19, 2013.

<sup>7</sup> See “Certain Steel Nails from the People’s Republic of China: Decision Memorandum for the Preliminary Results of the 2013–2014 Antidumping Duty Administrative Review,” (“Preliminary Decision Memorandum”), dated concurrently with these results and hereby adopted by this notice, for a complete description of the Scope of the *Order*.

<sup>8</sup> See *Non-Market Economy Antidumping Proceedings: Assessment of Antidumping Duties*, 76 FR 65694, 65694–95 (October 24, 2011) and the “Assessment Rates” section, below.

are affiliated, pursuant to sections 771(33)(A), (E), (F), and (G) of the Tariff Act of 1930, as amended (“the Act”). Additionally, under 19 CFR 351.401(f)(1)–(2) and as facts available, we preliminarily find that these companies should be considered a single entity, (collectively known as the “Shandong Oriental Cherry Entity”), for purposes of these preliminary results.<sup>9</sup>

**Application of Facts Available and Use of Adverse Inference**

As discussed below and in further detail in the Preliminary Decision Memorandum, pursuant to sections 776(a)(2)(A), (B), and (C) of the Act, the Department determines that the use of facts otherwise available is warranted with respect to Shandong Oriental Cherry. Specifically, Shandong Oriental Cherry failed to provide in the form and manner requested by the Department: (1) An accurate, reliable sales reconciliation regarding its reported sales of subject merchandise to the United States during the POR; (2) an accurate, reliable factors of production (“FOP”) database that is reported on a CONNUM-specific basis; and (3) sales data, FOP data, and full product specifications from Shandong Oriental Cherry’s affiliate, Jining Dragon Fasteners Co., Ltd., for the shooting nails it sold to the United States during the POR. Additionally, Shandong Oriental Cherry along with its affiliate, Jining Dragon Fasteners Co., Ltd., significantly impeded the proceeding by not providing accurate or complete responses to the Department’s questions about its U.S. sales data and FOP data regarding its sales of subject merchandise to the United States during the POR.

The Department finds that, taken together, and as explained in more detail in the Preliminary Decision Memorandum, these deficiencies indicate that the Department cannot rely on Shandong Oriental Cherry’s submitted information. In selecting from among the facts otherwise available, pursuant to section 776(b) of the Act, an adverse inference is warranted when the Department has determined that a respondent has failed to cooperate by not acting to the best of its ability to comply with a request for information. Within the meaning of section 776(b) of the Act, the Department preliminarily finds that Shandong Oriental Cherry failed to cooperate by not acting to the best of its ability to comply with the Department’s requests for information and that the application of AFA is

<sup>9</sup> For further information, please see the Preliminary Decision Memorandum.

warranted. As AFA, and as explained in the Preliminary Decision Memorandum, we have found that the Shandong Oriental Cherry Entity has failed to establish its independence from the PRC-wide entity and, as a result, is subject to the PRC-wide entity's rate.

### Separate Rates

The Department preliminarily determines that information placed on the record by the mandatory respondent Stanley, as well as by the 20 other separate rate applicants, demonstrates that these companies are entitled to separate rate status. For additional information, see the Preliminary Decision Memorandum.

### PRC-Wide Entity

The Department's change in policy regarding conditional review of the PRC-wide entity applies to this administrative review.<sup>10</sup> Under this policy, the PRC-wide entity will not be under review unless a party specifically requests, or the Department self-initiates, a review of the entity. Because no party requested a review of the PRC-wide entity in this review, the entity is not under review and the entity's rate is not subject to change (*i.e.*, 118.04 percent).<sup>11</sup> Aside from the no shipments and separate rate companies discussed above, the Department considers all other companies for which a review was requested,<sup>12</sup> as well as the Shandong Oriental Cherry Entity, to be part of the PRC-wide entity. For additional information, see the Preliminary Decision Memorandum; see also Appendix 2 for a list of companies considered as part of the PRC-wide entity.

### Rate for Separate-Rate Companies Not Individually Examined

The statute and the Department's regulations do not address the establishment of a rate to be applied to respondents not selected for individual examination when the Department limits its examination of companies

subject to the administrative review pursuant to section 777A(c)(2)(B) of the Act. Generally, the Department looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation, for guidance when calculating the rate for respondents not individually examined in an administrative review. Section 735(c)(5)(A) of the Act articulates a preference for not calculating an all-others rate using rates which are zero, *de minimis* or based entirely on facts available. Accordingly, the Department's usual practice has been to determine the dumping margin for companies not individually examined by averaging the weighted-average dumping margins for the individually examined respondents, excluding rates that are zero, *de minimis*, or based entirely on facts available.<sup>13</sup> Consistent with this practice, in this review, we calculated a weighted-average dumping margin for Stanley that is above *de minimis* and not based entirely on FA; therefore, the Department assigned to the companies not individually examined, but which demonstrated their eligibility for a separate rate, the weighted-average dumping margin calculated for Stanley.

### Methodology

The Department conducted this review in accordance with sections 751(a)(1)(B) and 751(a)(2)(A) of the Act. Constructed export prices and export prices have been calculated in accordance with section 772 of the Act. Because the PRC is a non-market economy country within the meaning of section 771(18) of the Act, NV has been calculated in accordance with section 773(c) of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System ("ACCESS"). ACCESS is available to registered users at <http://access.trade.gov>, and is available to all parties in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can

be accessed directly on the internet at <http://enforcement.trade.gov/frn/>. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

The Department intends to issue the final results of this administrative review, which will include the results of our analysis of all issues raised in the case briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act.

#### Assessment Rates

Upon issuance of the final results, the Department will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.<sup>20</sup> The Department intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review.

For assessment purposes, the Department applied the assessment rate calculation method adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Proceedings: Final Modification*.<sup>21</sup> For any individually examined respondent whose weighted average dumping margin is above *de minimis* (*i.e.*, 0.50 percent) in the final results of this review, the Department will calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of sales,

in accordance with 19 CFR 351.212(b)(1). Where an importer- (or customer-) specific *ad valorem* rate is greater than *de minimis*, the Department will instruct CBP to collect the appropriate duties at the time of liquidation.<sup>22</sup> Where either a respondent's weighted average dumping margin is zero or *de minimis*, or an importer- (or customer-) specific *ad valorem* rate is zero or *de minimis*, the Department will instruct CBP to liquidate appropriate entries without regard to antidumping duties.<sup>23</sup> For the respondents that were not selected for individual examination in this administrative review and that qualified for a separate rate, the assessment rate will be based on the average of the mandatory respondents.<sup>24</sup> We intend to instruct CBP to liquidate entries containing subject merchandise exported by the PRC-wide entity at the PRC-wide rate.

Pursuant to the Department's practice, for entries that were not reported in the U.S. sales databases submitted by companies individually examined during the administrative review, the Department will instruct CBP to liquidate such entries at the PRC-wide rate. Additionally, if the Department determines that an exporter had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (*i.e.*, at that exporter's rate) will be liquidated at the PRC-wide rate.<sup>25</sup>

#### Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Act: (1) For the companies listed above that have a separate rate, the cash deposit rate will be that established in the final results of this review (except, if the rate is zero or *de minimis*, then zero cash deposit will be required); (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all PRC exporters of subject merchandise

that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the PRC-wide entity; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during the POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This preliminary determination is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: August 28, 2015.
