

volume of exemptions, and the need to rely on scientific support as a basis for granting the exemptions. FMCSA acknowledges the stakeholder's concerns and may consider the initial steps to revising the physical qualification standards through a formal rulemaking process.

D. Exemptions Granted

Following individualized assessments of the exemption applications, FMCSA grants exemptions from 49 CFR 391.41(b)(11) to 12 individuals. Under current FMCSA regulations, all of the 12 drivers receiving exemptions from 49 CFR 391.41(b)(11) would have been considered physically qualified to drive a CMV in interstate commerce except that they do not meet the hearing requirement. FMCSA has determined that the following 12 applicants should be granted an exemption:

Thomas M. Carr

Mr. Carr, 50, holds a Class B commercial driver's license (CDL) in Pennsylvania.

Randy Ray Griffin

Mr. Griffin, 50, holds an operator's license in California.

William Hall

Mr. Hall, 35, holds an operator's license in Alabama.

Robert Chance Hayden

Mr. Hayden, 29, holds an operator's license in Florida.

Robert J. Knapp

Mr. Knapp, 47, holds an operator's license in Wisconsin.

Keith P. Miller

Mr. Miller, 37, holds an operator's license in Pennsylvania.

Ramoncito Sanchez

Mr. Sanchez, 34, holds an operator's license in Texas.

Bradly D. Sexton

Mr. Sexton, 36, holds an operator's license in Oklahoma.

Sandy L. Sloat

Ms. Sloat, 34, holds an operator's license in Texas.

Robert A. Toler

Mr. Toler, 31, holds an operator's license in Missouri.

Jeffry B. Webber

Mr. Webber, 53, holds an operator's license in Oklahoma.

Michael K. Wilkes

Mr. Wilkes, 50, holds an operator's license in Massachusetts.

Basis For Exemption

Under 49 U.S.C. 31136(e) and 31315, FMCSA may grant an exemption from the hearing standard in 49 CFR 391.41(b)(11) if the exemption is likely to achieve an equivalent or greater level of safety than would be achieved without the exemption. With the exemption, applicants can drive in interstate commerce. Thus, the Agency's analysis focuses on whether an equal or greater level of safety is likely to be achieved by permitting each of these drivers to drive in interstate commerce as opposed to restricting him or her to driving in intrastate commerce. The driver must comply with the terms and conditions of the exemption. This includes reporting any crashes or accidents as defined in 49 CFR 390.5 and reporting all citations and convictions for disqualifying offenses under 49 CFR part 383 and 49 CFR 391.

Conclusion

The Agency is granting exemptions from the hearing standard, 49 CFR 391.41(b)(11), to 12 individuals based on an evaluation of each driver's safety experience. Safety analysis of information relating to these 12 applicants meets the burden of showing that granting the exemptions would achieve a level of safety that is equivalent to or greater than the level that would be achieved without the exemption. In accordance with 49 U.S.C. 31315, each exemption will be valid for 2 years from the effective date with annual recertification required unless revoked earlier by FMCSA. The exemption will be revoked if the following occurs: (1) The person fails to comply with the terms and conditions of the exemption; (2) the exemption has resulted in a lower level of safety than was maintained prior to being granted; or (3) continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136 and 31315.

FMCSA exempts the following 12 drivers for a period of 2 years from the physical qualification standard concerning hearing: Thomas M. Carr (PA); Randy Ray Griffin (CA); William Hall (AL); Robert Chance Hayden (FL); Robert J. Knapp (WI); Keith P. Miller (PA); Ramoncito Sanchez (TX); Bradly D. Sexton (OK); Sandy L. Sloat (TX); Robert A. Toler (MS); Jeffry B. Webber (OK); and Michael K. Wilkes (MA).

SUPPLEMENTARY INFORMATION:

Background: The Motor Carrier Safety Improvement Act of 1999 (MCSIA) (Pub. L. 106-159, 113 Stat. 1748, Dec. 9, 1999) authorized the Secretary of Transportation (Secretary) to regulate household goods carriers engaged in interstate operations for individual shippers. In earlier legislation, Congress abolished the former Interstate Commerce Commission and transferred the Commission's jurisdiction over household goods transportation to the U.S. Department of Transportation (DOT) (ICC Termination Act of 1995, Pub. L. 104-88, 109 Stat. 803, Dec. 29

1995). Prior to FMCSA's establishment, the Secretary delegated this household goods jurisdiction to the Federal Highway Administration, FMCSA's predecessor organization within DOT.

The FMCSA has authority to regulate the overall commercial operations of the household goods industry under 49 U.S.C. 14104, "Household goods carrier operations." This ICR includes the information collection requirements contained in title 49 CFR part 375, "Transportation of Household Goods in Interstate Commerce; Consumer Protection Regulations." The information collected encompasses that which is generated, maintained, retained, disclosed, and provided to, or for, the agency under 49 CFR part 375.

Sections 4202 through 4216 of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (Pub. L. 109-59, 119 Stat. 1144, Aug. 10, 2005) (SAFETEA-LU) amended various provisions of existing law regarding household goods transportation. It specifically addressed: Definitions (section 4202); payment of rates (section 4203); registration requirements for household goods motor carriers (section 4204); carrier operations (section 4205); enforcement of regulations (section 4206); liability of carriers under receipts and bills of lading (section 4207); arbitration requirements (section 4208); civil penalties for brokers and unauthorized transportation (section 4209); penalties for holding goods hostage (section 4210); consumer handbook (section 4211); release of broker information (section 4212); working group for Federal-State relations (section 4213); consumer complaint information (section 4214); review of liability of carriers (section 4215); and application of State laws (section 4216). The FMCSA regulations that set forth Federal requirements for movers that provide interstate transportation of household goods are found in 49 CFR part 375, "Transportation of Household Goods; Consumer Protection Regulation."

On July 16, 2012, FMCSA published a Direct Final Rule (DFR) titled, "Transportation of Household Goods in Interstate Commerce; Consumer Protection Regulations: Household Goods Motor Carrier Record Retention Requirements," (77 FR 41699). The rule amended the regulations governing the period during which HHG motor carriers must retain documentation of an individual shipper's waiver of receipt of printed copies of consumer protection materials. This change harmonized the retention period with other document retention requirements

applicable to HHG motor carriers. FMCSA also amended the regulations to clarify that a HHG motor carrier is not required to retain waiver documentation from any individual shippers for whom the carrier does not actually provide services.
