

additional information requested by the Commission is received,⁶ unless extended as described below.

Pursuant to section 806(e)(1)(H) of the Clearing Supervision Act, the Commission may extend the review period of an advance notice for an additional 60 days, if the changes proposed in the advance notice raise novel or complex issues, subject to the Commission providing the clearing agency with prompt written notice of the extension.⁷

Here, as the Commission has not requested any additional information, the date that is 60 days after the Operating Subsidiaries filed the Advance Notices with the Commission is January 4, 2015. However, the Commission finds it appropriate to extend the review period of the Advance Notices, as amended, for an additional 60 days under section 806(e)(1)(H) of the Clearing Supervision Act.⁸ The Commission finds the Advance Notices, as amended, are both novel and complex because the material aspects of the proposed amendments to the Shareholders Agreement are substantial, a first for the Clearing Agencies, and are interrelated with other regulatory aspects of the Clearing Agencies.

Accordingly, the Commission, pursuant to 806(e)(1)(H) of the Clearing Supervision Act,⁹ extends the review period for an additional 60 days so that the Commission shall have until March 5, 2015 to issue an objection or non-objection to the Advance Notices, as amended (File Nos. SR-FICC-2014-810, SR-NSCC-2014-811, and SR-DTC-2014-812).

By the Commission.

Brent J. Fields,
Secretary.

[Docket No. SSA-2014-0073]

Privacy Act of 1974, as Amended: Proposed New Routine Use and Updated Retention and Disposal

AGENCY: Social Security Administration (SSA).

ACTION: Proposed New Routine Use and Updated Retention and Disposal.

SUMMARY: Pursuant to the Privacy Act of 1974, as amended, we are issuing public

notice of our intent to add a new routine use to, and update the retention and disposal schedule of, an existing system of records entitled: Representative Disqualification, Suspension and Non-Recognition Information File, (60-0219). This system was last published in the **Federal Register**, 75 FR 25904 (May 10, 2010). The new routine use will allow broader disclosure to a bar disciplinary authority, court, or administrative tribunal before the agency imposes sanctions against a representative. The Office of General Counsel will use this new routine use to disclose records regarding the agency's investigation of an attorney, as well as records regarding non-attorneys misrepresenting themselves as attorneys, and non-attorneys continuing to practice despite non-recognition, suspension, or disqualification by the agency. The new routine use will allow for broader disclosure of representative misconduct to promote the integrity of our programs. The update to the retention and disposal section is based on the agency's specific records schedules. The new routine use and update to the retention and disposal section are described below.

DATES: We invite public comment on this proposal. In accordance with 5 U.S.C. 552a(e)(4) and (e)(11), the public is given a 30-day period in which to submit comments. Therefore, please submit any comments by February 6, 2015.

ADDRESSES: The public, Office of Management and Budget (OMB), and Congress may comment on this publication by writing to the Executive Director, Office of Privacy and Disclosure, Office of the General Counsel, Social Security Administration, Room 617 Altmeyer Building, 6401 Security Boulevard, Baltimore, Maryland 21235-6401 or through the Federal e-Rulemaking Portal at <http://www.regulations.gov>.
