Proposal To Approve Under OMB Delegated Authority the Extension for Three Years, Without Revision, of the Following Report

Report title: Notice By Financial Institutions of Government Securities Broker or Government Securities Dealer Activities; Notice By Financial Institutions of Termination of Activities as a Government Securities Broker or Government Securities Dealer.

Agency form number: Form G-FIN; Form G-FINW.

OMB control number: 7100-0224.

Frequency: On occasion.

Reporters: State member banks, foreign banks, uninsured state branches or state agencies of foreign banks, commercial lending companies owned or controlled by foreign banks, and Edge corporations.

Estimated average hours per response: Form G-FIN, 1 hour; Form G-FINW, 0.25 hour.

Estimated Number of respondents: Form G-FIN, 4; Form G-FINW, 2.

Estimated annual reporting hours: 5 hours.

Estimated cost to public: \$259.

General description of report: The notices are authorized under the Securities Exchange Act of 1934, as amended ¹ (the Act), which requires a financial institution that is a broker or dealer of government securities dealer to notify the appropriate regulatory agency (ARA) that it is a government securities broker or a government securities dealer (Form G—FIN notice), or that it has ceased to act as such (Form G—FINW notice). In addition, 15 U.S.C. 78o–5(b)(1) directs the Treasury to adopt rules requiring every government securities broker and government securities dealer to collect information and to provide reports to the applicable ARA. The Board is an ARA. 15 U.S.C. 78c(a)(34)(G)(ii). Further support for the creation and collection of these notices by the Board is found in Treasury regulations, authorized by 15 U.S.C. 78o–5(b)(1), instructing that any amendments or corrections to a financial institution's status as a government securities broker or dealer also be filed with the ARA on the Form GFIN notice. 17 CFR 400.5(b).

Under the Act, the Secretary of the Treasury is authorized to exempt any government securities broker or dealer, or class thereof, from the notice requirement of section 78o–5(a)(1)(B). See 15 U.S.C. 78o–5(a)(5). Thus, the obligation to file the notices with the Board is mandatory for those financial institutions for which the Board serves as the ARA, unless the financial institution is exempted from the notice filing requirement by Treasury regulations (17 CFR part 401). If an exemption no longer applies, the institution must immediately file a notice. The filing of these notices is event generated.

Respondents file two copies of the notices directly with the Board. Under the statute, the Board forwards one copy to the Securities and Exchange Commission (SEC), and the notices are then made public by the SEC. 15 U.S.C. 78o–5(a)(1)(B)(iii). While the statute only requires the SEC to produce the notices to the public, the notices are also available to the public upon request made to the Board. Accordingly, the Board does not consider these data to be confidential.

Abstract: The Act requires financial institutions to notify their ARA of their intent to engage in government securities broker or dealer activity, to amend information submitted previously, and to record their termination of such activity. The Federal Reserve is the ARA for state member banks, foreign banks, uninsured

state branches or state agencies of foreign banks, commercial lending companies owned or controlled by foreign banks, and Edge corporations. The Federal Reserve uses the information in its supervisory capacity to measure compliance with the Act.

Board of Governors of the Federal Reserve System, February 24, 2016.

Robert deV. Frierson,
Secretary of the Board.
