#### Environmental Impact Statement for the San Juan Promenade Extension Project From El Morro Floating Battery Area to San Juan Bautista Plaza

**AGENCY:** National Park Service, Interior.

**ACTION:** Notice of termination.

**SUMMARY:** The National Park Service (NPS) is terminating preparation of an environmental impact statement (EIS) for the San Juan Promenade Extension project from El Morro Floating Battery Area to San Juan Bautista Plaza in San Juan National Historic Site, Puerto Rico. Instead, the NPS will be preparing an environmental assessment (EA) to assist the NPS in evaluating the impacts of the proposed extension of Paseo del Morro.

**DATES:** The EA for the extension of Paseo del Morro National Recreational Trail is expected to be distributed for public comment in the winter of 2016. The public comment period for the EA and the dates, times, and locations of public meetings will be announced through the NPS Planning,

Environment, and Public Comment (PEPC) Web site <http://parkplanning.nps.gov/saju> the San Juan National Historic Site Web site, and in local media outlets.

**ADDRESSES:** San Juan National Historic Site, 501 Calle Norzagaray, San Juan, Puerto Rico 00901.

#### FOR FURTHER INFORMATION CONTACT:

Walter J. Chavez, San Juan National Historic Site, 501 Calle Norzagaray, San Juan, Puerto Rico 00901, by phone at (787) 729-6777.

**SUPPLEMENTARY INFORMATION:** Pursuant to the National Environmental Policy Act, 42 U.S.C. 4321 *et seq.*, NPS announces the termination of the EIS for the Paseo del Morro National Recreational Trail Extension, San Juan National Historic Site, San Juan, Puerto Rico. A Notice of Intent to prepare an EIS was published in the **Federal Register** on November 15, 2012 (77 FR 68146, Column 3). The NPS then engaged in a scoping process which included public meetings and consultation with federal agencies, and the initial development of a range of management alternatives with preliminary environmental impact assessment. Due to the results of the preliminary analysis of the alternatives and removal of a proposed project element, the NPS has determined that there is no potential for significant impacts to park resources and values. In addition, no concerns or issues were expressed during the public scoping process that would indicate the potential for highly controversial impacts. For these reasons, the NPS determined the proposal would not constitute a major federal action requiring an EIS.

**SUPPLEMENTARY INFORMATION:**

*Background:* The February 16, 2016, letter from USTR advised the

Commission that several petitioners have withdrawn requests for waivers of the competitive need limitation (CNL) under the GSP program, and that in view of the withdrawals USTR is withdrawing its request for Commission advice as to whether any industry in the United States is likely to be adversely affected by the waiver of the CNLs, whether like or directly competitive products were being produced in the United States on January 1, 1995, and what would be the probable economic effect on total U.S. imports, as well as on consumers, of the subject CNL waivers. The letter asked that the Commission continue with its analysis of all other petitions cited in the December 30, 2015 and January 12, 2016 letters from Ambassador Michael Froman.

As a result, the Commission is terminating the portion of its investigation that concerns the waivers that are the subject of the withdrawn petitions and will not provide advice regarding them. The withdrawn petitions concern the following articles, HTS subheadings, countries, and petitioners:

HTS subheading	Brief description	Country	Petitioner
1509.10.40 .....	Virgin olive oil and its fractions, whether or not refined, not chemically modified, weighing with the immediate container 18 kg or over.	Tunisia .....	Government of Tunisia.

4202.92.04 .....	Insulated beverage bag w/outer surface textiles, interior only flexible plastic container storing/dispensing beverage thru flexible tubing.	Philippines .....	Camelbak Products.

In response to the USTR's letter of December 30, 2015, the Commission published its notice of institution of this investigation and the scheduling of a public hearing in connection therewith in the **Federal Register** on January 19, 2016 (81 FR 2904). As stated in that notice, the public hearing in this investigation (concerning the remaining articles) was held on February 24, 2016. In response to the USTR's letter of January 12, 2016, the Commission published a notice in the **Federal Register** on January 22, 2016 (81 FR 3819) to expand the scope of the investigation to provide probable economic effect advice with regard to certain handbags and travel goods products covered by five additional HTS statistical reporting numbers.

The hearing date and deadlines for filing pre-hearing and post-hearing briefs and all other written submissions

in this investigation remain the same as previously announced, as does the information relating to the filing of those documents. As previously announced, the Commission expects to transmit its report in this investigation to the USTR by April 28, 2016.
