Background

On January 30, 2015, the Coast Guard published a final rule that revised or amended existing notice of arrival and automatic identification system requirements. 80 FR 5282. Our final rule delayed the effective date of § 164.46(b) and (c) because these paragraphs contain collection of information

provisions that require approval by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995, 44 U.S.C. 3501-3520. On March 29, 2016, OMB approved the collection assigned OMB Control Number 1625-0112, Enhanced Maritime Domain Awareness via Electronic Transmission of Vessel Transit Data. Accordingly, we announce that paragraphs (b) and (c) of § 164.46 are effective April 7, 2016. The approval for this collection of information expires on March 31, 2019.

This document is issued under the authority of 33 U.S.C. 1231 and 46 U.S.C. 70114. With respect to the other collection of information associated with the January 2015 final rule—OMB Control Number 1625-0100, Advance Notice of Vessel Arrival, on August 20, 2015—we published a document (80 FR 50576) that announced OMB's approval and the effective date of notice of arrival requirements in §§ 160.204(a)(5)(vii), 160.205, and 160.208(a) and (c) associated with that collection.

Dated: April 1, 2016.

J.G. Lantz,

Director of Commercial Regulations and Standards, U.S. Coast Guard.

Program Integrity and Improvement; Corrections

AGENCY: Office of Postsecondary Education, Department of Education.

ACTION: Final rule; corrections.

SUMMARY: The Department of Education published final regulations for Program Integrity and Improvement in the **Federal Register** on October 30, 2015 (80 FR 67125). This document corrects errors in the final regulations.

DATES: Effective July 1, 2016.

SUPPLEMENTARY INFORMATION: In the **Federal Register** of October 30, 2015 (80 FR 67125):

(a) In § 668.164(e)(2), we inadvertently limited the permissible use of any personally identifiable information about a student to activities that support making payments of title IV funds, when institutions must make other types of payments to students. Accordingly, on page 67197, in the middle column, we correct § 668.164(e)(2)(ii)(B) of the regulations by replacing the phrase "of title IV, HEA program funds" with the phrase "to the student".

(b) Under the final regulations, institutions with Tier one arrangements must make public both the full contract and selected contract data. In the regulatory text, we inadvertently omitted reference to the contract data in § 668.164(e)(2)(viii). Accordingly, on page 67197, in the right-hand column, we correct § 668.164(e)(2)(viii) of the regulations by adding the words "and contract data as described in paragraph (e)(2)(vii) of this section" after the word "contract".

(c) In § 668.164(e)(3) of the regulations, we inadvertently limited the information an institution may share to enrollment information relating to title IV recipients, when institutions are permitted to share under the final regulations such information for all students. Accordingly, on page 67198, in the left-hand column, we correct § 668.164(e)(3) by replacing "title IV recipients" with "students".

(d) In § 668.164(f)(4)(i)(A) of the regulations we incorrectly omitted a word. Accordingly, on page 67198, in the middle column, we correct § 668.164(f)(4)(i)(A) by adding "information" after "identifiable".

(e) In § 668.164(f)(4)(vi) of the regulations, we inadvertently included a redundant phrase. Accordingly, on page 67198, in the right-hand column, we correct § 668.164(f)(4)(vi) by replacing the phrase "If the institution is located in a State, ensure" with the word "Ensure".

(f) In § 668.164(f)(4)(xii) of the regulations, we inadvertently implied that § 668.164(d)(4)(i) was a voluntary requirement for institutions with a Tier two arrangement that falls below the threshold number of students. Accordingly, on page 67199, in the left-hand column, we correct § 668.164(f)(4)(xii) by adding the word "applicable" before the word "provisions" and removing the reference to "(d)(4)(i), (f)(4), and (f)(5)" and adding in its place "(f)(4) and (5)".

(g) In § 668.164(f)(5) of the regulations, we inadvertently limited the information an institution may share to enrollment information relating to title IV recipients, when institutions are

permitted to share under the final regulations such information for all students. Accordingly, on page 67199, in the left-hand column, we correct § 668.164(f)(5) by replacing the phrase “title IV recipients” with the word “students”.

(h) In § 668.165(a)(2), we inadvertently omitted the new definition set out in § 668.161. Accordingly, on page 67200, in the middle column, we correct § 668.165(a)(2) by removing the phrase “student’s account at the institution” and replacing it with the phrase “student ledger account”.

(i) In § 668.166(a)(2), we inadvertently omitted the new definition set out in § 668.161. Accordingly, on page 67201, in the right-hand column, we correct § 668.166(a)(2) by removing the phrase “Federal account” and replacing it with the phrase “depository account”.

Waiver of Proposed Rulemaking

In accordance with the Administrative Procedure Act, 5 U.S.C. 553, it is the Secretary’s practice to offer interested parties the opportunity to comment on proposed regulations. However, the regulatory changes in this document are necessary to correct errors and do not establish any new substantive rules. Therefore, the Secretary has determined that publication of a proposed rule is unnecessary under 5 U.S.C. 553(b)(B).
