Foreign-Trade Zones Board

[B-18-2016]

Foreign-Trade Zone (FTZ) 186—Waterville, Maine; Notification of Proposed Production Activity; Flemish Master Weavers (Area Rugs); Sanford, Maine

The City of Waterville, Maine, grantee of FTZ 186, submitted a notification of proposed production activity to the FTZ Board on behalf of Flemish Master Weavers (FMW), located in Sanford, Maine. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on March 31, 2016.

The FMW facility is located at 96 Gatehouse Road, Sanford, Maine. A separate application for subzone designation at the FMW facility has been submitted and will be processed under Section 400.25 of the FTZ Board's regulations. The facility is used for the production of area rugs using polypropylene and polyester yarns. Pursuant to 15 CFR 400.14(b) of the regulations, FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt FMW from customs duty payments on foreign status materials used in export production. On its domestic sales, FMW would be able to choose the duty rate during customs

entry procedures that applies to area rugs (free) for the polypropylene and polyester yarns (duty rates: 8.0% and 8.8%, respectively) sourced from abroad. Customs duties also could possibly be deferred or reduced on foreign status production equipment.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is May 25, 2016.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the FTZ Board's Web site, which is accessible via www.trade.gov/ftz.

Foreign-Trade Zones Board

[B-19-2016]

Foreign-Trade Zone 172—Oneida County, New York; Application for Reorganization and Expansion Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the County of Oneida, grantee of FTZ 172, requesting authority to reorganize and expand the zone under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the FTZ Board's standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on April 12, 2016.

FTZ 172 was approved by the FTZ Board on January 8, 1991 (Board Order 502, 56 FR 1791; January 17, 1991). The

current zone includes the following sites: *Site 1* (534 acres)—Oneida County Airport Industrial Park, Oneida County Airport, Oriskany; *Site 2* (412 acres)—West Rome Industrial Park, 1 Success Dr, Rome; *Site 2a* (100 acres)—Griffiss Business & Technology Park Hanger Road, Rome; *Site 3* (100 acres)—Boonville Industrial Park, Industrial Road, Boonville; *Site 4* (82 acres)—Utica Business Park, Business Park Drive, Utica; and, *Site 5* (52 acres)—East Arterial Industrial Park, Dwyer Avenue, Utica. The zone also includes Subzone 172A (Oneida Ltd.) with three sites in Sherrill and Oneida, New York.

The grantee's proposed service area under the ASF would be Oneida County, New York, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The application indicates that the proposed service area is within and adjacent to the Syracuse, New York Customs and Border Protection port of entry.

The applicant is requesting authority to renumber existing Site 2a as Site 6 and to include the renumbered Site 6 as a "magnet" site, as well as to remove Sites 1, 2, 3, 4, 5 and Subzone 172A. The ASF allows for the possible exemption of one magnet site from the "sunset" time limits that generally apply to sites under the ASF, and the applicant proposes that Site 6 be so exempted. The applicant is also requesting approval of the following magnet site: *Proposed Site 7* (316.5 acres)—Marcy Nanocenter at SUNYIT, 5737 Marcy-SUNYIT Parkway, Marcy, Oneida County.

In accordance with the FTZ Board's regulations, Elizabeth Whiteman of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is June 14, 2016. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to June 29, 2016.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the FTZ Board's Web site, which is accessible

via www.trade.gov/ftz. For further information, contact Elizabeth Whiteman at Elizabeth.Whiteman@trade.gov or (202) 482-0473.

Dated: April 12, 2016.

Executive Secretary.

International Trade Administration

[A-823-805]

Silicomanganese From Ukraine: Notice of Rescission of Antidumping Duty Administrative Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: Dmitry Vladimirov or Minoo Hatten, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0665, and (202) 482-1690, respectively.

SUPPLEMENTARY INFORMATION:

Background

On August 3, 2015, the Department of Commerce (the Department) published in the *Federal Register* a notice of "Opportunity to Request Administrative Review" of the antidumping duty order on silicomanganese from Ukraine for the period of review (POR), August 1, 2014, through July 31, 2015.¹ On September 3, 2015, we received an untimely-filed request² for an administrative review from two Ukrainian producers and/or exporters of silicomanganese, JSC Zaporizhzhya Ferroalloy Plant (ZFP) and JSC Nikopol Ferroalloy Plant (NFP), requesting an administrative review of exports of subject merchandise for the period of September 1, 2014, through August 31, 2015. On September 21, 2015, we received comments from a domestic interested party, Eramet Marietta, Inc. (Eramet), objecting to initiation and placing on the record certain import statistics stating that

there were no entries of subject merchandise from Ukraine during the period of review.

On October 6, 2015, the Department initiated the administrative review of the antidumping duty order on silicomanganese from Ukraine with respect to ZFP and NFP for the POR, August 1, 2014, through July 31, 2015,³ notwithstanding the untimely nature of the Ukrainian producers' request for review.

In accordance with our practice, we requested information from U.S. Customs and Border Protection (CBP) concerning imports of subject merchandise from these companies during the POR. We received the requested CBP information, which showed that neither ZFP nor NFP had suspended entries of subject merchandise during the POR. On October 6, 2015, we documented this finding and invited comments from interested parties regarding this CBP query result.⁴

On October 19, 2015, we received comments from domestic interested parties, Eramet and Felman Production, LLC (collectively, U.S. producers). On October 20, 2015, we received comments from ZFP and NFP (Ukrainian producers). ZFP's and NFP's October 20, 2015, submission contained documentation establishing that both companies made both a sale and an entry of subject merchandise in August 2015.

Because there is no evidence that there were entries of subject merchandise into the United States from Ukraine during the POR, on November 17, 2015, the Department placed a memorandum on the record notifying interested parties of its intent to rescind the 2014-2015 administrative review of silicomanganese from Ukraine, and invited comments.⁵ In its November 17, 2015, memorandum, the Department rejected the Ukrainian producers' arguments that the Department provided defective or inadequate notice concerning the correct anniversary month of the antidumping duty order on silicomanganese from Ukraine, and found no basis to alter the POR to capture the Ukrainian producers' entries

¹ See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 80 FR 45952 (August 3, 2015) (*August 2015 Opportunity Notice*).

² The Ukrainian producers' September 3, 2015, request for an administrative review was untimely under 19 CFR 351.213(b) and 19 CFR 351.302(d) because we did not receive it during the anniversary month of August 2015, as required by the regulations and specified in the *August 2015 Opportunity Notice*.
